Tom Tom Rosemary Sullivan,Stig Weymss,2010 An honour book and shortlisted title in the CBC Early Childhood book of the Year Awards 2009. Tom Tom is an engaging contemporary story that traces a day in the life of a small boy living in a typical Aboriginal community in the Top End of the Northern Territory. It follows the adventures of Tom Tom as he goes to preschool, eats lunch with Granny Annie in the bottom camp, swims in the Lemonade Springs in the afternoon and spends the night with Granny May and grandfather Jo in the top camp. Rosemary Sullivan's simple text and Dee Huxley's vivid illustrations captures the warmth and security of Tom Tom's world as he moves freely within his community from relative to another. As a pre-school teacher working in remote Aboriginal communities for more than 17 years, Rosemary Sullivan says: 'Tom Tom was inspired by the lives of many indigenous children in the Top End and the importance of family and interconnectedness in Aboriginal life.'

Remain in Love Chris Frantz,2020-07-21 Two iconic bands. An unforgettable life. One of the most dynamic groups of the '70s and '80s, Talking Heads, founded by drummer Chris Frantz, his girlfriend Tina Weymouth, and lead singer David Byrne, burst onto the music scene, playing at CBGBs, touring Europe with the Ramones, and creating hits like "Psycho Killer" and "Burning Down the House" that captured the post-baby boom generation's intense, affectless style. In *Remain in Love*, Frantz writes about the beginnings of Talking Heads—their days as art students in Providence, moving to the sparse Chrystie Street loft Frantz, Weymouth, and Byrne shared where the music that defined an era was written. With never-before-seen photos and immersive vivid detail, Frantz describes life on tour, down to the meals eaten and the clothes worn—and reveals the mechanics of a long and complicated working relationship with a mercurial frontman. At the heart of *Remain in Love* is Frantz's love for Weymouth: their once-in-a-lifetime connection as lovers, musicians, and bandmates, and how their creativity surged with the creation of their own band Tom Tom Club, bringing a fresh Afro-Caribbean beat to hits like "Genius of Love." Studded with memorable places and names from the era—Grace Jones, Andy Warhol, Stephen Sprouse, Lou Reed, Brian Eno, and Debbie Harry among them—*Remain in Love* is a frank and open memoir of an emblematic life in music and in love.

How to Get More from Your Satnav R T Scanlon,2012-08 Do you use a satnav or smartphone satnav app? If so, *How to Get More from Your Satnav* is for you? This unique exploration of the satnav, by an experienced professional driver, provides a penetrating analysis of the difficulties and problems associated with using it. In addition, a wealth of practical advice is offered and many fascinating insights. The 'bells and whistles' associated with satnavs are avoided and instead author Bob Scanlon concentrates on straightforward road navigation. The problem of arriving at the wrong destination is given an in-depth consideration and a simple practical solution offered. Route planning is explored and a range of techniques are proposed to help. Pointers are provided to advanced routing. How you use your satnav on the move is a much neglected area of concern and guidance and advice is provided here too. A review of a high specification satnav with HD live traffic is included and lastly, the satnav as a concept is evaluated. This is a sorely needed contribution to the practice of road navigation and provides an invaluable guide to getting more from your satnav.

Tom-Tom and the Punch Bowl of Irish Moss Paulet Facey,2012-10-26 Tom-Tom and the Punch Bowl of Irish Moss is a lively tale of a mongoose that lost his way and ended up in the dining room of a terrified family. The story is full of excitement as it details the adventures of a frightened creature. The story shows sensitivity to the creatures of the environment as well as how traumatized an animal can be when it loses its path and ends up in unfamiliar surroundings. It is an excellent tool for teaching young children how to interact with animals in the environment. It also incorporates literary techniques such as grammar and figurative language.
