The Making of Tom Cat William Garden,2004-12 You'll enjoy this? part story, part boatbuilding manual of a small, beetle-cat-like boat, from a legendary designer with probably more of his creations built than any other person. You'll find out not only how the boat is built, but also how the design came to be from someone with a (long!) lifetime of fooling around with boats. As told from Toad's Landing, on an island off British Columbia, it becomes quite apparent that whimsy and fun are not limited to young boys and girls. The first thing you may notice about Tom Cat is the handsome cuddy. The next thing to realize is she is constructed with a combination of the traditional-plank-on-frame (carvel) and modern-epoxy for the seams. The result is a rugged boat which doesn't require the swelling of planks, or the recaulking of seams in the years to come. If you are just too pure a traditionalist for epoxy, of course you can plank and caulk.

Tom's Cat Charlotte Voake,1986 All the sounds Tom normally hears in his house become suspicious when his cat is missing.

Tom The Life and Aventures of a Cat David Garrick, Frank-Daniel Schulten,2024-03-19 Dive into the captivating tale of Tom the Cat and the extraordinary characters he encounters throughout his adventures. Set against the backdrop of bustling 18th-century London, Tom finds himself imprisoned, crosses paths with a daring highwayman, and reluctantly becomes a performer at the local fair. Amidst countless love affairs and a victorious battle, Tom's rebellious spirit ignites as he sets ablaze the house of a notorious mousetrap manufacturer. This groundbreaking novel marks the inception of feline literature, laying the foundation for all cat thrillers and tales to come. It's the very reason why male cats are affectionately referred to as tomcats in English, immortalizing the legacy of our fearless protagonist. A masterfully layered narrative, this work intertwines historical events with a timeless adoration for our feline companions. Delightfully whimsical, satirical, and bizarre, it's a must-read for literary cat enthusiasts. This newly set edition is accompanied by insightful notes that illuminate the text and enhance its accessibility, complemented by a wealth of historical cat illustrations. For more than 250 years it had been a mystery who wrote this short novel. In an exciting detective search for clues, the second part reveals that the anonymous author of the book is the legendary David Garrick. Renowned as the foremost actor and theater manager of the 18th century, Garrick's influence on modern acting techniques is indelible. The novel's hero was probably modelled on Hodge, the most prominent cat of the 18th century. His monument still stands in London today.

That's Enough, Folks Henry T. Sampson,1998 An authoritative and valuable resource for students and scholars of film animation and African-American history, film buffs, and casual readers. It is the first and only book to detail the history of black images in animated cartoons. Using advertisements, quotes from producers, newspaper reviews, and other sources, Sampson traces stereotypical black images through their transition from the first newspaper comic strips in the late 1890s, to their inclusion in the first silent theatrical cartoons, through the peak of their popularity in 1930s musical cartoons, to their gradual decline in the 1960s. He provides detailed storylines with dialogue, revealing the extensive use of negative caricatures of African Americans. Sampson devotes chapters to cartoon series starring black characters; cartoons burlesquing life on the old slave plantation with happy slaves Uncle Tom and Topsy; depictions of the African safari that include the white hunter, his devoted servant, and bloodthirsty black cannibals; and cartoons featuring the music and the widely popular entertainment style of famous 1930s black stars including Cab Calloway, Louis Armstrong, and Fats Waller. That's Enough Folks includes many rare, previously unpublished illustrations and original animation stills and an appendix listing cartoon titles with black characters along with brief descriptions of gags in these cartoons.
