Try Not to Think of a Pink Elephant Patrick Marlborough, Katharine Pollock, Sienna Rose Scully, Dani Leever, Martin Ingle, 2022-10-05 Try Not to Think of a Pink Elephant is a collection of real-life stories about living with Obsessive Compulsive Disorder. Contributors are Martin Ingle on OCD and sexual intimacy; Dani Leever on contamination-based OCD; Patrick Marlborough on living with OCD in NYC; Katharine Pollock on over-achievement and control of food and body; and Sienna Rose Scully on the untimely death of her mother, an event that actualised her most persistent OCD obsession. At times humorous, at times heartbreaking, this engaging anthology on mental health and invisible illnesses will keep you on the edge of your seat, compelling you to read on as five talented authors tell their stories about living with OCD.

Try Pink and Indigo Max Ellendale, 2016-12-31 In the beginning, reclusive Jeslyn finds herself colliding with an unusual stranger on an otherwise ordinary morning. Jillian, a worldly, yet broken, creature accepts Jeslyn's offer of assistance and, together, the two embark on a paint-spattered journey of self-exploration. Can this redheaded stranger help Jeslyn break free from the grief that has kept her hidden? Or will she crumble under the pressure of a new kind of intimacy? Two years later, Jeslyn wakes up to a simple note, and the world falls to pieces at her feet. Southern Gardening All Year Long Gary R. Bachman, 2022-02-08 Southern Gardening All Year Long approaches southern landscapes from a different perspective. Instead of encyclopedic lists and articles focused on botanical gardens or someone else's landscape, author and host of Southern Gardening Gary R. Bachman connects with his audience through personal stories that share his expertise gained over decades of planting, all told in an easily digestible format. Most stories in Southern Gardening All Year Long focus on Bachman's hands-on experience with gardening. He recounts tales about his own personal gardens—plants that have thrived and failed—and presents his advice in a common-sense style. Bachman's personal, conversational writing makes Southern Gardening All Year Long an old-fashioned, over-the-fence chat with a knowledgeable and helpful neighbor. Just as he has done in newspapers, and on television and radio, with Southern Gardening All Year Long, Bachman hopes to help gardeners be successful in their own landscapes, alleviate some of the apprehension new gardeners feel, and inspire experienced gardeners to try new plants instead of the same old plantings every year. Gardening success doesn't always follow steps 1-2-3, but Bachman encourages readers not to worry about plants that don't survive. Failures happen in gardens every season. Offering a variety of tips and tricks and over 170 color images, Southern Gardening All Year Long will become a gardener's best friend.
