The Jehovah's Witnesses' Bible Giuseppe Guarino,2019-05-25 The New World Translation (NWT) is the official translation of the Bible released by the Watch Tower, the Jehovah Witnesses' Directive Body. It's first English edition was presented to the public in 1950. The latest updated edition is the 2013's, now available online. It is a very peculiar version of the Bible. In this book I will direct the readers' attention to the evident mistakes that make of the NWT a unique literary phenomenon among the various attempts of translating the Bible. These mistakes are so many and so misleading on certain specific doctrines that I cannot help but wonder if we are looking instead of a translation at a deliberate attempt to manipulate the text of the Scripture. This the readers will judge by themselves.

The Jw Bible Gerald N Wright,2019-05-16 This book exposes the major anti-Christian and Cultic teachings that the Watchtower Society translators purposely, prejudicially and pervertedly placed into the Christian Bible in order to create their own Bible.

Truth in Translation Jason BeDuhn, 2003 Truth in Translation is a critical study of Biblical translation, assessing the accuracy of nine English versions of the New Testament in wide use today. By looking at passages where theological investment is at a premium, the author demonstrates that many versions deviate from accurate translation under the pressure of theological

bias.

The Triune God Edmund J. Fortman, 1999-02-23 A primary condition for fresh thinking on the Trinity is an accurate, objective account of past and present thought wrote one reviewer when *The Triune God* first appeared in 1972. This [is what] Fortman has presented sensitively, accurately, and compactly. The author sets out to trace the historical development of Trinitarian doctrine from its written beginnings to its contemporary status. Thus he treats the biblical witness, the Council of Nicea, Augustine, the Middle Ages, and the development of this doctrine from the fifteenth century to the present in the

Protestant, Orthodox, and Catholic traditions.
