Greene takes us on a journey from the big bang to the end of time, exploring how lasting structures formed, how life and mind emerged, and how we grapple with our existence through narrative, myth, religion, creative expression, science, the quest for truth, and a deep longing for the eternal. From particles to planets, consciousness to creativity, matter to meaning—Brian Greene allows us all to grasp and appreciate our fleeting but utterly exquisite moment in the cosmos.

Until the End of Time Brian Greene,2020 From the world-renowned physicist and best-selling author of *The Elegant Universe* comes this captivating exploration of deep time and humanity's search for purpose. *Until the End of Time* is Brian Greene's breathtaking new exploration of the cosmos and our quest to understand it. Greene takes us on a journey across time, from our most refined understanding of the universe's beginning, to the closest science can take us to the very end. He explores how life and mind emerged from the initial chaos, and how our minds, in coming to understand their own impermanence, seek in different ways to give meaning to experience: in narrative, myth, religion, creative expression, science, the quest for truth, and our longing for the eternal. Through a series of nested stories that explain distinct but interwoven layers of reality—from quantum mechanics to consciousness to black holes—Greene provides us with a clearer sense of how we came to be, a finer picture of where we are now, and a firmer understanding of where we are headed. With this grand tour of the universe, beginning to end, Brian Greene allows us all to grasp and appreciate our fleeting but utterly exquisite moment in the cosmos.

Until the End of Time Brian Greene,2020-02-18 From the world-renowned physicist and bestselling author of *The Elegant Universe* and *The Fabric of the Cosmos*, a captivating exploration of deep time and humanity's search for purpose In both time and space, the cosmos is astoundingly vast, and yet is governed by simple, elegant, universal mathematical laws. On this cosmic timeline, our human era is spectacular but fleeting. Someday, we know, we will all die. And, we know, so too will the universe itself. *Until the End of Time* is Brian Greene's breathtaking new exploration of the cosmos and our quest to understand it. Greene takes us on a journey across time, from our most refined understanding of the universe's beginning, to the closest science can take us to the very end. He explores how life and mind emerged from the initial chaos, and how our minds, in coming to understand their own impermanence, seek in different ways to give meaning to experience: in story, myth, religion, creative expression, science, the quest for truth, and our longing for the timeless, or eternal. Through a series of nested stories that explain distinct but interwoven layers of reality—from the quantum mechanics to consciousness to black holes—Greene provides us with a clearer sense of how we came to be, a finer picture of where we are now, and a firmer understanding of where we are headed. Yet all this understanding, which arose with the emergence of life, will dissolve with its conclusion. Which leaves us with one realization: during our brief moment in the sun, we are tasked with the charge of finding our own meaning. Let us embark.

Until the End of Time Danielle Steel,2013-01-29 #1 NEW YORK TIMES BESTSELLER Two couples, four decades apart. One believes that if lovers die, they find each other again in another life. Or perhaps they wind up as stars side by side in the sky, together forever. Who knows how it really ends? Danielle Steel breaks new ground in her career as a perennial New York Times bestseller with the poignant story of two parallel destinies, and the kind of love we all hope will be everlasting. *UNTIL THE END OF TIME* Bill, a dedicated young lawyer working at his family's prestigious New York firm, leaves everything he trained for to follow his dream and become a minister in rural Wyoming. Jenny, his wife, is a stylist whose heart and soul are invested in fashion. She leaves the milieu and life she loves to join him. The certainty they share is that their destinies are linked forever. Fast forward thirty-eight years. Robert is a hardworking independent book publisher in Manhattan who has given up all personal life to build his struggling business. He is looking for one big hit novel to publish. Lillibet is a young Amish woman, living as though in the seventeenth century, caring for her widowed father and three young brothers on their family farm. In secret at night, by candlelight, she has written the novel that burns within her, and gets it into Robert's hands, wrapped in her hand-stitched apron. He falls in love first with the book, and then with the woman he has never met, living in the sequestered world of the Amish—a world without telephones, computers, electricity, modern conveniences, or cars. Although Lillibet faces banishment from her family and community, she embraces the opportunity to publish her novel, and is irresistibly drawn to the man who has heard her voice. Destiny is at work here. Fate draws her from her horse-and-buggy life toward his, and the publication of her novel. In the hands of master storyteller Danielle Steel, these two remarkable relationships come together in unexpected and surprising ways, as lovers are lost, and find each other again. If it is true that real love lasts forever and lovers cannot lose each other, then *Until the End of Time* will not only comfort and fascinate us, as destiny does her dance, but it will give us hope as well. Love and fate are powerful, irresistible forces, as Steel proves to us here, in a book about courage, change, risk, and hope . . . and love that never dies.

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

People who want revenge and will do whatever is necessary in order to get it. Unable to trust anyone, she keeps everyone at a distance. Then Liam walks into her life, and try as she might, she can't help her feelings of attraction toward him. Liam Miller is a first-class criminal law attorney. But he's reached a point in his life where he wants to step back and reevaluate things. So he takes a break from his job and agrees to help a friend whose construction company is doing some work in Cape Charles. While there he meets a woman who not only intrigues him, but attracts him more than any woman ever has. Liam can sense that something is frightening her, but he has no clue what it is. Then not one but two bombs are deployed, and the only connection between them is Amelia. Soon Liam learns that she's running for her life. Someone wants her dead. But he's determined to protect her.

Understanding End Times Prophecy Paul N. Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

Until the End of the World Sarah Lyons Fleming,2013-09-22 Cassie Forrest isn't surprised to learn that the day she's decided to get her life together is also the day the world ends. After all, she's been on a self-imposed losing streak since her survivalist parents died: she's stopped painting, broken off her engagement to Adrian and dated a real jerk. Rectifying her mistakes has to wait, however, because Cassie and her friends have just enough time to escape Brooklyn for her parents' cabin before Bornavirus LX turns them into zombies, too. This is difficult enough, but Cassie's tag along ex-boyfriend and her friend's bratty sister have a knack for making everything, even the apocalypse, more unpleasant. When the two attract a threat as deadly as the undead to their safe haven, Cassie's forced to see how far she'll go to protect those she loves. And it's a lot farther than she'd anticipated. This, coupled with Adrian's distant voice on Safe Zone Radio and, of course, the living dead, threaten to put Cassie right back into the funk she just dragged herself out of. Survival's great and

all, especially when you have leather armor, good friends and home-brewed beer, but there's something Cassie must do besides survive: tell Adrian she still loves him. And to do that, Cassie has to find faith that she's stronger than she thinks, she's still a crack shot and true love never dies.

The End Times in Chronological Order Ron Rhodes, 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

Until the End of Time Mbali Dlamini, 2019-10-18 The book tells a story of a girl who was in love but she ended up losing everything. Her family was complicated. She lost her parents in the game of love but she never gave up on herself.

Until the End of Time Stan Rogers, 2010-08-20 I like to examine the dark side of life through my writing. Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side. This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside. Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children's stories. So please read my Anthology. It will make you smile I hope as well as make you cry. I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL. I always point out that it is not a science fiction novel as such. There are no time machines, aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life.

And After Sarah Lyons Fleming, 2014-05-29 Cassie Forrest could almost believe life at Kingdom Come Farm is perfect, with Adrian and her friends at her side and spring on the way. The spring thaw also means millions of defrosting zombies, however, and if the past year has taught her anything, it is that life in this new world is highly imperfect. When Safe Zones throughout the country begin to disappear and the zombies at the fences grow in number, Cassie clings to the hope that if she has the people she loves most, it will be all right. But the highly imperfect world makes only one guarantee, zombies never die, never stop and are never satiated.
