NATIONAL LIBRARY OF MEDICINE (U.S.)

📖 [2 Kinds of People](#) Jojo Rocha, 2017-07-11 It takes all kinds of people to make a world, the expression goes. But maybe it really takes only two kinds. People who put ketchup on their fries, and people who put the ketchup on the side. People who squeeze gently from the bottom, and people who manhandle the toothpaste tube. 2 Kinds of People is the interactive visual personality quiz that's as much fun as a game. It works by showing two illustrations side by side. If you and your partner pick the same one, score it on the foldout wheel in the back, and move to the next. At the end, the number of matches determines where you fall on the Scale of Compatibility, ranging from mortal enemies to soul mates. There are 85 pairs in all, covering food, home, technology, travel, and more. It's the perfect icebreaker, a clever way to find out if you and your best friend/date/coworker and/or person you just met in a bar are compatible. Cup or cone? Cash or plastic? Shower or bath? Escalator or stairs? Toilet paper over, or toilet paper under? Like they say, it's the little things in life that really count.

📖 [295 Fun Brain Teasers, Logic/Visual Puzzles, Trivia Questions, Quiz Games and Riddles](#) Teresa Marek, Andrew Marek, 2021-02-03 MindMelds Volume 1, World Edition - Fun Diversions for Your Mental Health We listened to your feedback and suggestions, and incorporated such into this updated edition with: • British English for a consistent experience. • Greater international focus. • Answer correction and more likely to have singular answers. • More question in the page. • Mixed levels of challenges. Includes 1. Multi-challenge format 2. All ages - easy to hard challenges 3. Fun & humour - for hours of family enjoyment 4. Sharpening thinking skills - in solving problems 5. Mind exercises - to stimulate both sides of the brain 6. Memory building - through concentration and focus Who & What is this book good for? With quick games and stimulating challenges that can be enjoyed any-where and by anyone, including lots of novelty, variety, and increasing levels of challenges, there are valuable benefits related to doing word and number puzzles for mental health and cognitive decline. Studies have confirmed that increased frequency of engaging with mentally challenging activities, the better the speed and accuracy of performance of certain cognitive tasks, including attention, reasoning, and memory. While it cannot be said that this book will necessarily reduce the risk of dementia in later life, research suggests that regular use of word and number puzzles can assist brains working better for longer. Keeping a mind active can potentially help to reduce declines in thinking-related skills, and there's no better feeling than successfully completing a puzzle! Stimulating cognitive skills This book is intended to activate your competitive spirit, generate discussion and make you think. By doing these questions we hope to enhance your quality of life through exercising the following skills with questions so identified throughout the book. Use brain fitness exercises to improve cognitive skills, self-confidence and quality of life. Fitness isn't just about our bodies anymore, it's about overall mind-body wellness. So enhance your mental well-being becoming mind-active! Encouraging social activities Studies indicate that risks of incident MCI (Mild Cognitive Impairment) were reduced for those who engaged in social activities and playing games, in both late life and midlife combined. The book's puzzles are designed to be doable, shareable and enjoyed in a social setting, much like a quiz night at the local pub. Engaging in fun activities may also be associated with better emotional health, that in turn has association with cognitive health. Additionally, challenging activities are a great alternative to video game / screen time for family bonding opportunities, including offering the average person happiness and development. Learning never stops! Whether for children's brains growing at a rapid rate or adults' mental health, the brain workouts can help strengthen certain skills, reduce stress and make you feel better.

📖 [The Quizmaster: Picture Round Quiz Book](#) Dave Orritt, 2020-03-17 This book, new for 2020, contains 24 high quality, professionally formatted and printed picture rounds. These are intended to be used as photocopiable handouts, for teams to complete, to get them settled as they arrive at your quiz. Each picture round has 10-12 images to identify in a wide range of genres with some creative ideas that should raise a smile. Most teams should be able to identify half of the images reasonably easily, although there are always a few tougher ones for players to puzzle over. 1. Name the Game Show 2. Name the Caricature 3. Celebrities in Drag 4. Lego Movie Scenes 5. Name the Girl Group 6. Name the Boyband 7. Name the Puppet 8. Pixelated Movie Posters 9. Name the Bond Movie 10. Name the Disney Movie 11. Famous Cats 12. Famous Dogs 13. Iconic Movie Scenes 14. Close up Objects 15. Name the Mr Men 16. Name the Robot 17. Brand Logos 18. Famous Cars 19. Crisp Flavours 20. Famous Bears 21. Beautiful Actresses 22. Handsome Men 23. Simpson Cameos 24. Album Covers I have also included a blank general quiz answer sheet you may like to use for your teams to write their answers on. I have purposely not left space on the picture round sheet itself for two reasons; firstly you may like to reuse your copies to save money and secondly when marking a quiz it is much more convenient to have your oral quiz answers written on the same sheet as your picture round answers. Trust me, with a busy pub of quizzers there is nothing worse than unnecessary pieces of paper getting in the way of the marking process. I hope my knowledge and expertise can revitalise your quizzes, whether they be for a one off event, or regular use. You can then focus on delivering an entertaining and professional quiz that you can be proud of.

📖 [The Movie Quiz Book](#) Little White Lies, 2019-08-26 Imagine the best pub quiz you've ever been to, but without suffering the hangover the next morning! Thrown in among the brain-testing questions are a series of visual quizzes and challenges—including an It's a Wonderful Life spot-the-difference and the world premiere of a Jean-Claude Van Damme-themed wordsearch! Put together by the team at indie film magazine Little White Lies, The Movie Quiz Book includes 120 movie quizzes, from seriously difficult text-based, to downright silly illustrated visual quizzes. The Movie Quiz Book is illustrated by Sophie Mo.
