Wild at Heart John Eldredge, 2011-04-17 In all your boyhood dreams of growing up, did you dream of being a nice guy? Eldredge believes that every man longs for a battle to fight, an adventure to live, and a beauty to rescue. That is how he bears the image of God; that is what God made him to be.

Wild at Heart Field Manual John Eldredge, 2002-03-31 In his book *Wild at Heart*, author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity—the soul of a man as God designed him. If you've already begun the journey, you know how thrilling—and hard—it can be. So you may have longed for a tool to maximize the impact, a guide to show the way. Packed with new information and insights, the *Wild at Heart Field Manual* guides you along the road less traveled. Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition you from reading about the wild heart to living from it. For too long, the call of Christianity to men has evoked no higher goal, ultimately, than becoming a nice guy. No wonder many men are bored to tears with church. The hero instinct has been trained out of them. But Eldredge invites men to come alive again, to find their great battle, adventure, and beauty. If you dare . . . keep reading. Your life will never be the same.

Stairs to the Roof Tennessee Williams, 2000 A play produced only twice in the 1940s and now published for the first time reveals that Tennessee Williams anticipated the themes of *Star Trek* by decades.

Wild at Heart K.A. Tucker, 2023-08-17 From the internationally best-selling author of *The Simple Wild* comes the continuation of a woman's journey to Alaska and a life she never imagined for herself. Calla Fletcher returns to Toronto a different person, struggling to find direction and still very much in love with the rugged bush pilot she left behind. When he unexpectedly makes a proposition she can't dismiss, Calla rushes back to Alaska to begin her future with Jonah. But she soon learns that even the best intentions can lead to broken promises: Jonah is gone more than he's home, and Calla feels isolated in their rural log cabin with harsh conditions that stretch far beyond the cold, dark, winter months. It's not the life Calla imagined for herself - but is it a life Calla can learn to love? Or is she destined to follow in her mother's fleeing footsteps after all?

Captivating John Eldredge, Stasi Eldredge, 2022-08-16 What *Wild at Heart* did for men, *Captivating* is doing for women. Setting their hearts free. This groundbreaking book shows readers the glorious design of women before the fall, describes how the feminine heart can be restored, and casts a vision for the power, freedom, and beauty of a woman released to be all she was meant to be.

Fathered by God John Eldredge, 2009-04-20 There is a path leading to authentic manhood, cut by men who have gone before us, sons following in the footsteps of their fathers, generation after generation. There are perils along the trail, even disasters—all the more reason to rely on the guidance of a Father who has gone before. But in an age when true fathers are in short supply, how do you find the path to manhood? How do you steer clear of the dangers? John Eldredge calls men back to a simple and reassuring truth: God is our Father. In life's trials and triumphs, God is initiating boys and men through the stages of manhood from Beloved Son to Cowboy to Warrior to Lover to King to Sage. *Fathered by God* maps out the path of manhood—not more rules, not another list of principles, not formulas, but a sure path men have followed for centuries before us. Find that path and become the man God sees in you.

The One Minute Pause Journal John Eldredge, 2022-01-04 New York Times bestselling author John Eldredge guides readers through a simple daily practice that will help them find the connection to God and small moments of peace during busy days that they crave. We live in a world filled with endless distractions, a news cycle that never takes a break, and the

constant demands of daily life such as work, family, friends, and community. Most people find themselves feeling like there's no margin, no time to sit and reflect on what matters most or connect with God, and even though they desperately crave a few minutes of peace, they don't know how to slow down or change course. John Eldredge has seen and felt the toll that constant busyness has, and he created the wildly successful One Minute Pause app that 180,000 users have described as a rescue during difficult times. Now, in *The One Minute Pause Journal*, he goes a step further and helps readers begin a daily habit of intentional stopping and reflecting that has the potential to change the course of their lives and their relationship with their heavenly Father. This ninety-day guided journal includes an extended introduction that will help explain the practice, both theologically and practically, so that readers can get the most out of the experience and truly understand how it works. Each entry features a regular set of morning and evening prompts, scripture, prayers, and journaling space that will encourage readers to release everything to God and restore their union with him; give guidance on how to invite God more fully into our lives; and provide space to reflect on daily life and prioritize what matters most. *The One Minute Pause Journal* offers a simple daily practice that will help readers connect with God and find those small moments to reflect and relax.

Near to the Wild Heart Clarice Lispector, 2012-06-13 This new translation of Clarice Lispector's sensational first book tells the story of a middle class woman's life from childhood through an unhappy marriage and its dissolution to transcendence. *Near to the Wild Heart*, published in Rio de Janeiro in 1943, introduced Brazil to what one writer called "Hurricane Clarice": a twenty-three-year-old girl who wrote her first book in a tiny rented room and then baptized it with a title taken from Joyce: "He was alone, unheeded, near to the wild heart of life." The book was an unprecedented sensation — the discovery of a genius. Narrative epiphanies and interior monologue frame the life of Joana, from her middle-class childhood through her unhappy marriage and its dissolution to transcendence, when she proclaims: "I shall arise as strong and comely as a young colt."

Wild at Heart John Eldredge, 2016-07-08 Every man was once a boy. And every little has dreams, big dreams, dreams of being the hero, of beating the bad guys, of doing daring feats and rescuing the damsel in distress. Every little girl has dreams, too: of being rescued by her prince and swept up into a great adventure, knowing that she is the beauty. But what happens to those dreams when we grow up? Walk into most churches, have a look around, and ask yourself: What is a Christian man? Without listening to what is said, look at what you find there. Most Christian men are . . . bored. John Eldredge revises and updates his best-selling, renowned Christian classic, *Wild at Heart*, and in it invites men to recover their masculine heart, defined in the image of a passionate God. And he invites women to discover the secret of a man's soul and to delight in the strength and wildness men were created to offer. John Eldredge is the director of *Ransomed Heart*.

Love & War John Eldredge, Stasi Eldredge, 2010-01-07 'You live in a love story set in the midst of a very real war...' What *Wild at Heart* did for men, and *Captivating* did for women, *LOVE & WAR* will do for married couples everywhere. John and Stasi Eldredge have contributed quintessential works on Christian spirituality for men and women separately but now they turn their focus to the incredible union between those two forces - marriage. With refreshing openness, the Eldredges discuss their own marriage and the insights they've gained from the challenges they've faced. Both speak independently to the reader about what they've learnt, giving their guidance personal immediacy and balanced male and female perspectives. John and Stasi begin *LOVE & WAR* with an obvious but necessary acknowledgement: marriage is fabulously hard. For every minute of happy delirium, there are equal amounts of disappointment and frustration and a sense that we've been deluded, that this isn't the marriage we dreamed of. Once we admit this, we are free to accept the

great adventure of marriage; working together through strength gained from our own individual relationships with God, rather than looking to each other for happiness.
