Advocate for Order, Fate has chosen three warriors to face the agent of Chaos; Loki. Torn from their worlds, Natalie, Lexi and Violet will embark on a multi- dimensional mission. Their task is far more than just to save their own version of Earth. This time, the stakes are much higher. Seeking revenge for being banished from Asgard, Loki has found some unlikely allies to assist him. Once he has defeated Odin and his army, he will turn his attention to Earth. With seven billion slaves to command, nothing will stop him from achieving what he has always craved; ultimate power. Fate isn't going to make conquering Earth easy for Loki. She uses her well-honed manipulation skills to try to sway him from the dark path he's chosen. Bianca Caldwell, a helpless mortal who knows nothing about Gods or monsters, will be drawn into the maelstrom with no hope of escape. *God of Mayhem*: The *Shifter Squad* is called back into action as Lexi, Natalie and Violet travel to the next dimension in search of their target. Loki on the Alpha World continues to strive to keep Bianca Caldwell safe as Fate had instructed him. The girl is an unwanted burden that he wishes he could foist off onto someone else. Instead, he is stuck with her and his very future could depend on keeping her alive. Lexi and her team must once again step up to save their world, but their version of Loki has tricks at his disposal that will make things very difficult for them. They must rely on the two warriors from other realities to help them defeat their enemies. Fate chose them for a reason and they have to trust that neither of them will buckle under the pressure. *God of Malice*: Violet's world has only recently recovered from being invaded, but it is now about to be subjected to an attack by aliens. Her angelic and human friends will need to step up once again to save their planet. They will be instrumental in helping *Hellscourge* and her fellow warriors save humanity from enslavement.
