Right of Way Angie Schmitt,2020-08-27 The face of the pedestrian safety crisis looks a lot like Ignacio Duarte-Rodriguez. The 77-year old grandfather was struck in a hit-and-run crash while trying to cross a high-speed, six-lane road without crosswalks near his son's home in Phoenix, Arizona. He was one of the more than 6,000 people killed while walking in America in 2018. In the last ten years, there has been a 50 percent increase in pedestrian deaths. The tragedy of traffic violence has barely registered with the media and wider culture. Disproportionately the victims are like Duarte-Rodriguez—immigrants, the poor, and people of color. They have largely been blamed and forgotten. In *Right of Way*, journalist Angie Schmitt shows us that deaths like Duarte-Rodriguez's are not unavoidable "accidents." They don't happen because of jaywalking or distracted walking. They are predictable, occurring in stark geographic patterns that tell a story about systemic inequality. These deaths are the forgotten faces of an increasingly urgent public-health crisis that we have the tools, but not the will, to solve. Schmitt examines the possible causes of the increase in pedestrian deaths as well as programs and movements that are beginning to respond to the epidemic. Her investigation unveils why pedestrians are dying—and she demands action. *Right of Way* is a call to reframe the problem, acknowledge the role of racism and classism in the public response to these deaths, and energize advocacy around road safety. Ultimately, Schmitt argues that we need improvements in infrastructure and changes to policy to save lives. *Right of Way* unveils a crisis that is rooted in both inequality and the undeterred reign of the automobile in our cities. It challenges us to imagine and demand safer and more equitable cities, where no one is expendable.

Kontemporary Amerikan Poetry John Murillo,2020 A writer traces his history-brushes with violence, responses to threat, poetic and political solidarity-in poems of lyric and narrative urgency. John Murillo's second book is a reflective look at the legacy of institutional, accepted violence against African Americans and the personal and societal wreckage wrought by long histories of subjugation. A sparrow trapped in a car window evokes a mother battered by a father's fists; a workout at an iron gym recalls a long-ago mentor who pushed the speaker to become something unbreakable. The presence of these and poetic forbears-Gil Scott-Heron, Yusef Komunyakaa-provide a context for strength in the face of danger and anger. At the heart of the book is a sonnet crown triggered by the shooting deaths of three Brooklyn men that becomes an extended meditation on the history of racial injustice and the notion of payback as a form of justice. Maybe memory is the only home / you get, Murillo writes, and rage, where you/first learn how fragile the axis/upon which everything tilts.--

The Way Kristen Wolf,2011 Follows the story of androgynous tomboy Anna, who is disguised as a male and sold to a band of shepherds before entering a spiritual society of desert women who convey mystical teachings and help her discover her latent powers.

Show Way Jacqueline Woodson,2005-09-08 Winner of a Newbery Honor! Soonie's great-grandma was just seven years old when she was sold to a big plantation without her ma and pa, and with only some fabric and needles to call her own. She pieced together bright patches with names like North Star and Crossroads, patches with secret meanings made into quilts called Show Ways -- maps for slaves to follow to freedom. When she grew up and had a little girl, she passed on this knowledge. And generations later, Soonie -- who was born free -- taught her own daughter how to sew beautiful quilts to be sold at market and how to read. From slavery to freedom, through segregation, freedom marches and the fight for literacy, the tradition they called Show Way has been passed down by the women in Jacqueline Woodson's family as a way to remember the past and celebrate the possibilities of the future. Beautifully rendered in Hudson Talbott's luminous art, this moving, lyrical account pays tribute to women whose strength and knowledge illuminate their daughters' lives.

The Hawk's Way Sy Montgomery,2022-05-03 A splendid and luminous celebration of one of nature's most perfect and mysterious creatures—the hawk—from the New York Times bestselling author of the "astoundingly beautiful" (NPR) *The Soul of an Octopus*. When Sy Montgomery went to spend a day at falconer Nancy Cowan's farm, home to a dozen magnificent birds of prey, it was the start of a deep love affair. Nancy allowed her to work with Jazz, a feisty, four-year-old, female Harris's hawk with a wingspan of more than four feet. Not a pet, Jazz was a fierce predator with talons that could pierce skin and bone and yet, she was willing to work with a human to hunt. From the first moment Jazz swept down from a tree and landed on Sy's leather gloved fist, Sy fell under the hawk's magnetic spell. Over the next few years, Sy spent more time with these magnificent creatures, getting to know their extraordinary abilities and instincts. They are deeply emotional animals, quick to show anger and frustration, and can hold a grudge for years. But they are also loyal and intensely aware of their surroundings. In this mesmerizing account, featuring sixteen pages of gorgeous color photographs, Sy passionately and vividly reveals the wonderous world of hawks and what they can teach us about nature, life, and love.

Her Greek father already has a wife and family, leaving Julia and her Hebrew mother second-class citizens. But when they are introduced to followers of the Way,

they become part of that community of believers. Abigail's brother, Jacob, now a young man, is attempting to discover his own place as a Christian. He is concerned that being more serious about his faith means trading away the exhilaration of his current profession as a caravan guard. Hired by Julia's father to protect the wealthy merchant's caravans on the secretive Frankincense Trail--undercover transport of this highly valuable commodity--Jacob also passes letters and messages between various communities of believers. He is alarmed to find out that Julia, hardly more than a girl, is also a messenger. Can their immediate mistrust be put aside to finally bring their hearts together?

This Crooked Way James Enge,2009-12-30 Travelling alone in the depths of winter, Morlock Ambrosius (bitterly dry drunk, master of all magical makers, wandering swordsman, and son of Merlin Ambrosius and Nimue Viviana) is attacked by an unknown enemy. To unmask his enemy and end the attacks he must travel a long crooked way through the world: past the soul-eating Boneless One, past a subtle and treacherous master of golems, past the dragon-taming Khroi, past the predatory cities of Sarkunden and Aflraun, past the demons and dark gnomes of the northern woods. Soon he will find that his enemy wears a familiar face, and that the duel he has stumbled into will threaten more lives than his own, leaving nations shattered in its chaotic wake. And at the end of his long road waits the death of a legend.

Fantasia for the Man in Blue Tommye Blount,2020 An examination of a brutal America through the voices of its most vulnerable sons. In his debut collection, *Fantasia for the Man in Blue*, Tommye Blount orchestrates a chorus of distinct, unforgettable voices that speak to the experience of the black, queer body as a site of desire and violence. A black man's late-night encounter with a police officer - the titular man in blue - becomes an extended meditation on a dangerous, erotic fantasy. The late Luther Vandross, resurrected here in a suite of poems, addresses the contradiction between his public persona and a life spent largely in the closet: It's a calling, this hunger / to sing for a love I'm too ashamed to want for myself. In Aaron McKinney Cleans His Magnum, the convicted killer imagines the barrel of the gun he used to bludgeon Matthew Shepherd as an infant's small mouth as well as the sad calculator that was built to subtract from and divide a town. In these and other poems, Blount viscerally captures the experience of the other and locates us squarely within these personae--
