Offbeat Bride Ariel Meadow Stallings, 2019-09-17 Newly updated for a new audience of independent, out-of-the-bridal-box thinkers, *Offbeat Bride* is today's go-to source of support for couples who dare to walk off the beaten aisle Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted by -- and horribly distanced from -- the nuances of traditional nuptials. So, she chose the aisle less-traveled for her own wedding day. In this newly updated edition of *Offbeat Bride*, Stallings humorously recounts the story of the original offbeat wedding -- hers -- and shares anecdotes and advice from dozens of other nontraditional couples. She provides plenty of insider tips for avoiding extra costs and cumbersome obligations, along with a clever planner to help you create your own special day. Both practical and enjoyable, *Offbeat Bride* validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process--from unique ideas on how to announce the engagement all the way to answering the question, So, how's married life? Stallings is the ultimate guide to the alternative wedding of your dreams, encouraging every bride and groom to create their own distinctive celebrations of partnership and love.

A Priceless Wedding Sara Cotner, 2012-12-28 Plan a wedding that reflects your commitment—to each other and to the things you truly value. How you and your partner plan your wedding can set a precedent for how you will be as a family. How do you work together to merge two different sets of ideas into something bigger and better? How do you disagree in constructive rather than destructive ways? How do you honor the input and experience of family members while simultaneously maintaining ownership of your lives and choices? In this part-memoir, part how-to handbook, popular wedding blogger Sara Cotner shares how you can resist the pressure to create the wedding of someone else's dreams and instead reclaim the real purposes of a wedding: community, connection, commitment, and fun. *A Priceless Wedding* covers all the basics: securing a location, finding a dress, deciding on flowers, selecting a wedding party, planning the ceremony, choosing rings, and everything in between—but it goes beyond the elements of a traditional wedding to help you plan an eco-friendly, hand-crafted, budget-minded celebration that will be both memorable and meaningful. Featuring do-it-yourself projects that help you create your own unique wedding favors, sew a homemade wedding quilt, and more, this book will inspire you to begin your own traditions and rituals that will clarify

your values and let you live them out loud.
