The Teeny-Weeny Unicorn Shawn Harris,2024-02-06 Meet this pint-sized unicorn in this funny, modern fairy tale about perception and self-confidence from a Caldecott-Honor winning creator. Once upon a time, in a land where horses were mythical beasts, there lived a unicorn—a Teeny-Weeny Unicorn. He lived with his family in a palace—one that was extra-large for him, full of extra-large rugs and extra-large food. And when his brother and sister played chess, they used him in place of a pawn. When it's just too much to take, Teeny-Weeny Unicorn runs away—and has a chance encounter with a salty gnome. It's then that he suddenly starts to wonder... IS he teeny weeny? Or is he just the right size? Every kid will relate to Teeny-Weeny Unicorn, as he figures out how to live in a world not made for his stature. With wit and charm, as well as delightful illustrations, Shawn Harris creates a modern classic made for sharing—be it at bedtime or on a story time rug.

**Weeny Meeny's Halloween** Marin,2019-12-28 Weeny Meeny's Halloween is a magical children's book about a young witch who just turned 1,000 years old. She isn't a toddler anymore and much to her excitement, she is allowed to do lots of things by herself. Weeny Meeny noticed that the older witches in Witchtown always flew in the air and nobody bothered to clean the streets. They were littered with garbage and covered in weeds. Weeny Meeny and her pets, a black cat and a black crow, wanted to do something extraordinary. They wanted to make the streets spotless, shiny, and accessible just in time for Halloween. With a little sprinkle of magic, they got the job done and everyone in Witchtown is happy!

*The Teeny-Weeny Walking Stick* Karen J. Hodgson,2010 The Teeny-Weeny Walking Stick is a

heartwarming tale about Edward, a little boy who discovers that there are little people living at the bottom of his garden. His big sister Hattie doesn't believe him, so he sets out to bring her proof. The lively dialog between Edward and Hattie, and the magical fairy world, are captured beautifully by Lambert's whimsical illustrations. A delightfully presented book, *The Teeny-Weeny Walking Stick* looks at the natural world from a child's point of view.

*The Origins and Practices of Yoga: A Weeny Introduction (revised edition)* Matthew Clark, 2018-01-29 Since 2002, Dr. Matthew Clark has been giving talks on the history, background and philosophy of yoga; to date (2018) to twenty-five different yoga groups and organizations around the world. The aim of this book is to provide for the non-specialist a very short and concise introduction to the origins and practices of yoga. It is particularly aimed at students on yoga teaching training courses, providing a short, handy introduction to the essential topics of yoga philosophy. Nearly all of the information presented may be found in other publications; some that I have found most useful have been included in the Bibliography. Several friends and colleagues who are very knowledgeable in this field have kindly suggested some minor corrections, which have been incorporated in this edition, which is a revised version of the book that was first published in 2010. Dr. Matthew Clark, Hove (January, 2018) Post-Graduate Research Associate, School of Oriental and African Studies (SOAS), University of London.

*Itsy Bitsy and Teeny Weeny* Robbyn Smith van Frankenhuyzen, 2013-08-15 One spring, as part of their animal rescue work on Hazel Ridge Farm, Gijsbert (Nick) and Robbyn van Frankenhuyzen find themselves caring for a lamb and an orphaned fawn at the same time. They name the lamb Teeny Weeny

and the fawn Itsy Bitsy. Raised as siblings, the two youngsters are inseparable that summer, sharing a playpen in the house, romping together, and just getting into general mischief. As the seasons change, Itsy Bitsy and Teeny Weeny grow into their true selves, away from Mother Robbyn and each other. Nature must take its course and the two animals go their separate ways: one back to a life in the wild and the other on to domestic farm life. Warmly illustrated by wildlife artist Gijsbert van Frankhuyzen, this bittersweet story is another gentle lesson in how nature works on Hazel Ridge Farm. Illustrator Gijsbert van Frankenhuyzen and wife Robbyn team up again for their fourth wildlife tale drawn from their years of work as licensed wildlife rehabilitators. Other books in the Hazel Ridge Farm series are *Adopted by an Owl*; *Saving Samantha*; and *Kelly of Hazel Ridge*. Gijsbert has illustrated numerous books with Sleeping Bear Press including the bestselling *The Legend of Sleeping Bear*; *The Edmund Fitzgerald: Song of the Bell*; and most recently, *Bambi's First Day*. He and Robbyn make their home in Bath, Michigan, on Hazel Ridge Farm, a 40-acre farm and wildlife refuge.

**The History and Mythology of the Kumbh Mel: A Weeny Introduction** Matthew Clark, 2018-02-02  
The Kumbh Melā, which takes place in India approximately every three years, is the largest festival in the world. This short introduction to its history and mythology was originally published as an appendix to my study of a sect of Indian sādhus, the Daśanāmī-Saṃnyāsīs (*The Daśanāmī-Saṃnyāsīs: The Integration of Ascetic Lineages into an Order*. Leiden/Boston: E. J. Brill, 2006). It has been reprinted in this small booklet to enable easy access to the information. This booklet is slightly out of date, as only a few publications on this topic have been consulted since this article was first published, in 2006. Dr. Matthew Clark, Research

Associate, School of Oriental and African Studies (SOAS), University of London

**Pee Wee Scouts: Teeny Weeny Zucchini's** Judy Delton, 2013-05-29 Join the Pee Wee Scouts for fun and adventure as they make friends and earn badges. It's time for the Harvest Fest. There will be rides and booths and lots of fun things to eat. Each of the Pee Wees is going to help out. They can work in the first-aid tent or at one of the booths. In-Betweeny-Weeny Sally Hooper, *In-Betweeny-Weeny* is a story about unconditional love, both given and received. Ziggy Wiggy's mama reminds us to love freely, without conditions. By offering connection, understanding, and support to Zig, she nurtures their meaningful relationship. Through receiving Mama's unconditional love, Zig also learns a lot about self-acceptance. *Teeny Weeny Teddy* Karli Salazar,2023-02-09 The power of faith and belief is an amazing thing. As children, we are somehow able to believe that anything is possible, which allows an unseen unlimited power to work on our behalf. However, as we grow and learn we begin to put limits on our faith and belief by believing only those things which we believe are reasonable. When we do this, we also limit the unlimited power that continuously works on our behalf through childlike faith and belief. In this story, we see that the faith and belief of a child is able to unleash limitless power to do a thing that only a child could believe is possible. If we could as grown-ups learn how to keep our childlike faith throughout our entire life time to believe that all things are possible, imagine what the unlimited power of faith and belief in the impossible could do to supply us with an endless supply of possibilities. The life of a little bear risen up by the faith of a child who believes that all things are possible shows us that when we can believe in the impossible, we too can unleash an unlimited power to make all things possible for us. But it is only possible if we can believe that all things are possible with a God of unlimited power who continuously works on our behalf!
