**Live Hope Minute** Mark Smeby, 2017-12-12 Become a champion of hope! As we see chaos in the world around us, we want to have hope. But what is hope, and where does it come from? Hope is more than simple optimism that things get better, or a finger-crossed wishing that things go our way. Live Hope Minute explores the life-transforming concept of true hope and how to keep a godly perspective in our current circumstances. Through these short, inspiring devotions: • Your hope will become grounded in unshakeable faith. • Your life will become marked by love that you cannot help but give away. • Your vision will grow and keep you moving toward God and his plan for your life. When you discover true hope, you will find you are building your house on the rock that will not move. Regardless of the storms and challenges you face, you can demonstrate to those around you that life is more than just what we can see or feel. Be amazed at the power and comfort God's hope can offer.

**When I Look Up** Ron Gallo, 2021-11-21 Most Christian books have a problem. For they speak from an "adult perspective", and not a child's. They leave out, the most important aspect of the foundation when walking with God, and that is the child. They say. do ABCDE, to get a better walk with God. That's fine, but we forget about the growth of the child and there characteristics, is the Christian life template for an adult to look at and learn from. This is the reason why children come before adults; it's so we can see who God sees. God doesn't see us as we see each other as adults, in arrogance. God doesn't care about your social status, or you can have more degrees than a thermometer, you are his child. God sees adults as tall children. So now let's look deeper into a child's life, and how it relates to Gods foundation... the

family. Understanding the child, then you will understand yourself, and what God wants from us as adults. Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us. We can shadow, and be a reflection of “childlike”, not childish as Jesus said in the book of Mathew. Jesus clearly states ‘unless you’re like a child, you shall not enter....’ Right off the bat, Jesus is drawing the line in the sand. Children have many characteristics that we miss as adults, and forget that we went through these same characteristics ourselves. From looking up, having child like faith, being able to be led, humility, believability, no pride or self righteousness etc. This fascinating book being different, will enhance any reader/parent to take a stronger look at their own Christian life, and check off the boxes to see if there in alignment with Gods standards. There a chapter on being blind when your awake, yet we trust him in sleep, and other great gems of wisdom.

*Beach Cottage Chaos* Laura Kehoe, 2012-04 Holly Robinson has no idea when she purchases an abandoned waterfront resort in Florida that her life is going to change forever. She becomes the victim of bad juju when she finds a lifeless body lying on a kitchen floor and another victim left for dead in one of her cottages, and Holly begins to wonder what could possibly happen next. Now some of Holly’s lingerie is missing, her beloved Aunt Tess and another guest have disappeared, and hurricane warnings have just been issued. Resolved to bring her aunt and guest home safely, Holly enlists the services of her ex-boyfriend,

charter captain and official scum-of-the-earth, Quint Chambers. Along with the island cops, Holly and Quint stumble across the bloodied vehicle the women were last seen in, submerged in the murky mangroves of the intercoastal waterway. As the storm spirals out of control and takes aim for the resort, the number of missing people continues to mount and the list of suspects holds few names. But even though Quint is still carrying a torch for Holly, he fears his past has come back to haunt him, putting those he loves in grave danger. In this romantic tale of suspense, it is up to Holly and Quint to solve a complex mystery dangling over their little piece of paradise before a killer strikes again.
