Norma Johnston

Whisper of Fear Rhonda B. Saunders, Stephen G. Michaud, 2008 A California prosecutor and leading authority on the crime of stalking draws on key experiences from her own career to provide a revealing look at the nature of the crime, the underappreciated dangers of stalking, the behavior and characteristics of stalkers, and the legal weapons she has developed to battle stalking and protect victims.

Whisper of Warning Laura Griffin, 2009-03-31 From the New York Times bestselling author who excels at detailing the mystery and the chase (Publishers Weekly) comes a tense thriller that combines action, danger, and passion. Will he help prove her innocence...or lead a killer to her door? Courtney Glass has been in trouble all her life, but nothing tops being an up-close witness to a brutal murder. Until she's accused of the crime. Every scrap of evidence points to her guilt, and only Courtney knows what really happened. Now she must prove that she's not a murderer...but is one of the killer's intended victims. As police investigators hammer her for answers, Courtney knows she has two choices: run, or trust the brooding, sexy detective who's made it clear she's his prime suspect. Will Hodges doesn't need Special Forces training to know that, despite Courtney's killer looks and razor-sharp tongue, her tough-girl act hides a vulnerable woman with a deadly secret. As the body count rises, Will realizes that a lethal enemy has Courtney in his crosshairs. The killer is waiting, watching her every

move—and he won't stop until her fear has grown from a whisper to a scream...

House of Whispers R. L. Stine, 2012-07-17 Amy Pierce knows nothing of the terrifying Fear history when she arrives for a visit with Simon and Angelica Fear. Their New Orleans mansion is beautiful—but Amy senses something evil there. Something that watches her. Waits for her. Will Amy be strong enough to escape the powers controlled by the Fear family?

Whisper Me Daughter Laila M Ireland, 2021-03-27 There's nothing worse in this world than to be unwanted and unloved by one's parents except to be scourged, humiliated and hurled into a darkness damning our years from the very beginning. I mean, even Frankenstein yearned for the kindness and acceptance of his maker, at least in the tale I've been told. I suppose if I had to liken myself to any infamous character, it would be precisely that pitiful tormented creature strewn together out of madness given to breathe life a hideously doomed disappointment; shunned and abused by his creator. Born into a brood of depraved children wherein darkness and despair is the one certainty in a life without sunshine, young Mary abides to her childish faith in God to steal her away from evil abuses of her insane father and sadistic mother.

Emmanuel's Book II Pat Rodegast, Judith Stanton, 2010-01-13 Fear tells you, "I want to make you safe." Love says, "you are safe." Fear would walk you on a narrow path. Love says, "open your arms and fly with me." —Emmanuel Emmanuel's great wisdom—coming to us through channel Pat Rodegast—has

illuminated thousands of lives. Emmanuel's Book revealed deeply enriching truths about our place in the cosmos and the evolutionary destiny of the human soul. Now Emmanuel shines his light on the limitless power of love—and the prison house of fear. With startling directness and gentle wit, he confronts ageless questions such as “Why am I here?” and contemporary questions such as “How can we help the homeless?” Whether we struggle with personal confusion and pain or with the dilemmas of a troubled world, this wonderful new collection brings us singular comfort, assurance, and encouragement on our way to wholeness.

Whisper of Death Christopher Pike, 1991 Returning home one day, Roxanne and Pepper find their small town--and surrounding towns--empty. Finally they find three other teens and realize that all five are each connected through the death of Betty Sue, the plain, shy girl who committed suicide only three months before. Betty Sue had written stories about them, stories of hate, revenge, and death . . . in a dead world.

Chill of Fear Kay Hooper, 2006-06-27 Bestselling author Kay Hooper turns up the heat even as she chills readers to the bone with a suspense novel that distills the essence of fear itself. In this relentless thriller, two psychics put more than their lives on the line to stop a killer darker and more evil than they could ever imagine. . . . FBI agent Quentin Hayes always knew he had an unusual talent, even before he was recruited by Noah Bishop for the controversial Special Crimes Unit. But, as gifted as he is, for

twenty years he's been haunted by a heartbreaking unsolved murder that took place at The Lodge, a secluded Victorian-era resort in Tennessee. Now he's returned one final time, determined to put the mystery to rest. Diana Brisco has come there hoping to unlock the mystery of her troubled past. Instead, she is assailed by nightmares and the vision of a child who vanished from The Lodge years ago. And an FBI agent is trying to convince her that she isn't crazy but that she has a rare gift, a gift that could catch a killer. Quentin knows that this is his last chance to solve a case that has become a dangerous obsession. But can he persuade Diana to help him, knowing what it could cost her? For something cold and dark and pure evil is stalking the grounds of The Lodge. Something Diana may not survive. Something Quentin never felt before: the chill of fear.

A History of Fear Luke Dumas, 2023-10-03 Grayson Hale, the most infamous murderer in Scotland, is better known by a different name: the Devil's Advocate. The twenty-five-year-old American grad student rose to instant notoriety when he confessed to the slaughter of his classmate Liam Stewart, claiming the Devil made him do it. When Hale is found hanged in his prison cell, officers uncover a handwritten manuscript that promises to answer the question that's haunted the nation for years: was Hale a lunatic, or had he been telling the truth all along? Unnervingly, Hale doesn't fit the bill of a killer. The first-person narrative that centers this novel reveals an acerbic young atheist, newly enrolled at the University of Edinburgh to carry on the

legacy of his recently deceased father. In need of cash, he takes a job ghostwriting a mysterious book for a dark stranger, but has misgivings when the project begins to reawaken his satanophobia, a rare condition that causes him to live in terror that the Devil is after him. As he struggles to disentangle fact from fear, Grayson's world is turned upside-down after events force him to confront his growing suspicion that he's working for the one he has feared all this time--and that the book is only the beginning of their partnership.--

Whisper of Fear Rosemary Elkington,1994 A kidnapping sends Andrew and Penny on a trial of adventure and into a situation more dangerous than they could possibly have imagined. B/W illus. 10 yrs+.

Each of the dead men was a successful and respected member of the community--yet each also harbored a dark secret discovered only after his murder. Nell Gallagher has come home to Silence more than a decade after leaving one dark night with her own painful secrets. Forced now by family duty to return, she has also come home to settle with the past. But past and present tangle in a murderer's vicious attacks, and to find the answers she needs, Nell must call on the psychic skills that drove her away years before. She must risk her own life and sanity, and regain the trust of the man she

left behind so long ago. For the killer she seeks is seeking her, watching her every move, preying upon her every vulnerability—and already so close she'll never see death coming . . .

Britt Ickles doesn't remember much from her only visit to her mother's childhood home when she was a kid, except for playing with her cousin Timmy and the eruption of a sudden family feud. That's why, when she drops by unannounced after years of silence, she's shocked when her aunts tell her Timmy never existed, that she must be confusing him with someone else. But Britt can't shake the feeling that Timmy did exist...and that something horrible has happened to him. Something her aunts want to cover up. Britt hires Jane Lawless, hoping the private investigator can figure out what really happened to her cousin. When a fire in the family's garage leads to the discovery of buried bones and one of the aunts dies suddenly and suspiciously, Jane can't help but be pulled into the case. Her Last Whisper Karen Robards, 2015-06-30 Readers who relish heated passion and chilling suspense love New York Times bestselling author Karen Robards's

acclaimed novels featuring Dr. Charlotte “Charlie” Stone. A heroine with a keen mind for catching killers and a soft heart for bad boys, Charlie is back in this third sizzling paranormal romance thriller. HER LAST WHISPER Madness and murder invaded Dr. Charlotte Stone’s life when she was just a girl—and made her a woman determined to save others from the horror she survived. An expert in the psychology of serial killers, she’s faced down more than her share of human monsters. But Charlie can also communicate with the spirits of those who die violently, an extrasensory skill that has helped the FBI bring lethal predators to justice. Now, after narrowly escaping death a second time, Charlie’s ready to step away from the edge . . . before her luck runs out. Too bad Charlie is too dedicated for her own good—and too devoted to federal agent Tony Bartoli to say no when he asks her to ride shotgun on yet another risky mission. Of course, she already has her hands full with Michael Garland: the handsome, roguish ghost with whom she’s hopelessly in love—a spirit who depends on Charlie to keep him from slipping forever into the dark side of the afterlife. But in the mortal world, beautiful single women are vanishing from Las Vegas hotels at night. All signs indicate that a psychopath is on the prowl in Sin City, and Bartoli’s FBI colleague Lena Kaminsky has reason to fear that her missing sister may be just the killer’s type. In a town full of fast players and few rules, flushing out a smooth-talking stalker like the Cinderella Killer might be a loser’s game. Whisper Down the Lane Clay McLeod Chapman, 2021-04-06 “A diabolically creepy hybrid of horror and psychological suspense that thrills as much as it unsettles. You’ll keep turning the pages even as your hands shake.”—Riley Sager, New York Times best-selling author of Home Before Dark A pulse-pounding, true-crime-based horror novel inspired by the McMartin preschool trial and Satanic Panic of the ’80s. Richard doesn’t have a past. For him, there is only the present: a new marriage, a first chance at fatherhood, and a quiet life as an art teacher in Virginia. Then the body of a

ritualistically murdered rabbit appears on his school's playground, along with a birthday card for him. But Richard hasn't celebrated his birthday since he was known as Sean . . . In the 1980s, Sean was five years old when his mother unwittingly led him to tell a lie about his teacher. When school administrators, cops, and therapists questioned him, he told another. And another. And another. Each was more outlandish than the last—and fueled a moral panic that engulfed the nation and destroyed the lives of everyone around him. Now, thirty years later, someone is here to tell Richard that they know what Sean did. But who would even know that these two are one and the same? *Whisper Down the Lane* is a tense and compulsively readable exploration of a world primed by paranoia to believe the unbelievable.
