Pratigya Premacanda,2019 His real name was Dhanpat Rai but he is better known by his pen name Munshi Premchand. He has been read and studied both in India and abroad as one of the greatest writers of the century. Premchand's literary career started as a freelancer in Urdu. In his initial short stories he has depicted the patriotic upsurge that was sweeping the country in the first decade of the 19th century. In 1914, Premchand started writing in Hindi. Premchand was the first Hindi author to introduce realism in his writings. He pioneered the new art form of fiction with a social purpose. He wrote of the life around him and made his readers aware of the problems of the urban middle-class and the country's villages. Besides being a great novelist, Premchand was also a social reformer and thinker. *Pratigya* is the story about a young idealist who takes on himself the task of social upliftment and progress. It gives a vivid description of the society during that era and the obstructions that were faced by the few who believed in a new and better country by the removal of social evils prevalent during those times.

Hurting You C Hallman,J L Beck,2020-01-16 It was such a shame that she was in the wrong place, at the wrong time. She knew that we would come for her.We had seen her delicate face that night, hidden in the shadows, and she had seen what we did, her gasp of horror giving her away. She was perfection, beauty, and oozed goodness but that wasn't going to save her from us. No one could ever find out our secret, which meant we needed to get rid of her. Killing her wasn't an option and scaring her into silence wasn't as easy of a task as we expected. She was strong, resilient, and smart doing whatever she could to evade us. Without even knowing it she turned it into a game, and so we became blood thirsty wolves. Run and we'll find you. Keep our secret and you might live. That is until someone else finds out what we did...**This is a standalone DARK bully romance. This book contains scenes that may be triggering to some readers. This is not a YA romance novel and should be read by those only 18+ or older. **

The Rebel of Raleigh High Callie Hart,2019-04-28 * The Rebel of Raleigh High is the first book in the Raleigh Rebels Series. Please be advised, this book comes with a trigger warning. Intended for readers 17+ * SilverHit me. Kick me. Hurt me. Hate me. There's nothing that the students of Raleigh High can do to Silver Parisi anymore. Over the past year, she's had to endure more pain and suffering than most people are asked to bear in their lifetimes. She's a pariah, an outcast, a ghost. She's also never been one to take shit lying down, though...despite what half the football team might say. With only one hundred and sixty-eight days left of the school year, it won't be long until graduation, and Silver's planning on skipping town and leaving Raleigh firmly in her rearview mirror... Until he comes along...AlexOrphan. Degenerate.Reprobate.Deviant. Alex Moretti's earned most of his labels, and he's not ashamed of a single one of them. He'll earn far worse before he's finished with his new found 'friends' at Raleigh High. Having spent years being ground down under the boot heel of society, it's time for a little payback. And if exacting revenge upon the heads of the Raleigh elite means he can also help the beautiful girl who hovers in the shadows, then that's all for the better. Oil and water. Fire and ice. The differences between Silver and Alex are broader than any chasm. To reach one another, they must take a leap of faith and fall into the divide. And falling?Nothing good ever came from falling.

Bitcoin Manifesto: ONE CPU ONE VOTE Satoshi Nakamoto,2014-12-10 Original annotated and commented edition of the masterpiece of the mysterious Satoshi Nakamoto, inventor of Bitcoin, the digital currency on everyone's lips. However, few noticed that the innovative power of Bitcoin is not strictly financial, but it fundamentally impacts the creation of political consensus, by transforming it into a technological mechanism. Succubus Soccer Mom Jacquelyn Faye,2020-03 You know that bitch from hell everybody talks about? That's me. I mean that literally.I was born in the seventh circle of Hell to two demons of noble lineage. Know what that means? Squat. My brimstone birth certificate and five bucks might get me a cup of coffee from Starbucks. The minute I was born, they handed me off to a wet nurse, sent me to earth, and left me to fend for myself. I suppose, I should thank them. They taught me at an early age that there is nothing in either world more important than self-sufficiency.To survive, I needed money. So, naturally, I became a stripper.Don't judge, it paid the bills. A lot of them. And it provided a solution to my particular dietary requirements. I'm a succubus. We eat lust for breakfast. And lunch. And dinner. What better place to get it than a seedy, smoke-filled bar full of horndogs shoving dollar bills in your thong?Life was good.Then, I met Ryan and fell in love. He knew what I was and loved me anyway. I loved him so much that we got married and I gave him twin children. And then he died.And left me alone.Okay, not completely alone. He left me two kids to raise and a crippling sense of loss.So, I did what any demon would do, I loaded up the kids and moved a thousand miles to start a new life.Now, my Hell is in suburbia and the most evil things in my life are my home owners' association and the PTA. Maybe it wasn't too late to go back to Hell.This book is intended for mature audiences. 18+ readers only! It contains graphic language, sexual situations, and inappropriate humor. This is a fast burn reverse harem where the girl gets all the guys. Why Choose? Contains M/M and F/F scenes.

Get Together Bailey Richardson ,Kevin Huynh ,Kai Elmer Sotto,2019-08-20 A practical and heartfelt guide to cultivating a community, online or IRL. Although communities feel magical, they don't come together by magic. Get Together is a practical and

heartfelt guide to cultivating a community. Whether starting a run crew, connecting with fans online, or sparking a movement of K-12 teachers, the secret to getting people together is this: build your community with people, not for them. In *Get Together*, Bailey Richardson, Kevin Huynh, and Kai Elmer Sotto of People & Company share true stories of everyday people who have created thriving communities, both in person and online. They provide clear steps to untangle the challenge of getting passionate people together, helping individuals and organizations navigate the intricacies of leading a community, including: - How to rally the first people - How to get people talking - How to attract new, authentic folks - How to develop leaders and expand globally. The People & Company team reminds us that we each hold the potential to spark a community. *Get Together* shows readers that if we join forces—as company and customers, artist and fans, organizer and advocates—we'll do more together than we ever could alone.

Affective Health and Masculinities in South Africa Hans Reihling, 2020-04-03 *Affective Health and Masculinities in South Africa* explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.
