Wonder Boys Michael Chabon,2011-12-20 The “wise, wildly funny story” of a self-destructive writer’s lost weekend by a Pulitzer Prize-winning, New York Times–bestselling author (Chicago Tribune). A wildly successful first novel made Grady Tripp a young star, and seven years later he still hasn’t grown up. He’s now a writing professor in Pittsburgh, plummeting through middle age, stuck with an unfinishable manuscript, an estranged wife, a pregnant girlfriend, and a talented but deeply disturbed student named James Leer. During one lost weekend at a writing festival with Leer and debauched editor Terry Crabtree, Tripp must finally confront the wreckage made of his past decisions. Mordant but humane, Wonder Boys features characters as loveably flawed as any in American fiction. This ebook features a biography of the author.

Boy Wonder (Valancourt 20th Century Classics) James Robert Baker,2020-01-14 Told in the form of interviews with those who knew and hated him, this hilarious and irreverent mockumentary recounts the rise and fall of notorious Hollywood producer Shark Trager. As a young man, Shark had dreams of directing artistic movies, but when his film school project is savaged by a snobby French critic, Shark turns instead to producing exploitative trash, the more shocking and outrageous the better. Fueled by a nonstop supply of sex and drugs, Shark's life and work become increasingly bizarre and erratic. Yet we meet a different side of Shark too, as we learn how he saved a group of Sunday school teachers held hostage by terrorists, prevented a horrific attack on Nancy Reagan by a sex-crazed donkey, and single-handedly took out a squad of dangerous neo-Nazis posing as disabled schoolchildren. It all leads up to a wild and explosive finale when, against all odds, one of Shark's films finds itself a contender for the Academy Awards--but the ceremony doesn't go exactly according to plan ... Riotously funny, wickedly politically incorrect, and completely impossible to put down, James Robert Baker's satire of the film industry Boy Wonder (1988), long revered as a cult classic, returns to print at last in this new edition, which includes an afterword by his partner, Ron Robertson. [A]mphetamine-drenched, violence-riddled, sex-steeped . . . an exhilarating read. -- John Keilman, Chicago Tribune Wild invention, bizarre plot twists . . . a raunchy, funny, savvy tale. -- Kirkus Reviews

Wonder Boys Michael Chabon,2008-04-29 A modern classic, now in a welcome new edition, Wonder Boys firmly established Michael Chabon as a force to be reckoned with in American fiction. At once a deft parody of the American fame factory and a piercing portrait of young and old desire, this novel introduces two unforgettable characters: Grady Tripp, a former publishing prodigy now lost in a fog of pot and passion and stalled in the midst of his endless second book, and Grady’s student, James Leer, a budding writer obsessed with Hollywood self-destruction and struggling with his own searching heart. All those who love Michael Chabon’s The Yiddish Policemen’s Union and his Pulitzer Prize-winning The Amazing Adventures of Kavalier and Clay will find the same elegant imagination, bold humor, and undeniable warmth at work in Wonder Boys. “[A] wise, wildly funny story . . . Chabon is a flat-out wonderful writer– evocative and inventive, pointed and poignant.” –Chicago Tribune “Whether making us laugh or making us feel the breathtaking impermanence of things, Michael Chabon keeps us wide awake and reading.” –All Things Considered “Beguiling and wickedly smart . . . There is first-rate satirical farce in Chabon’s novel but essentially it is something rarer: satirical comedy.” –Los Angeles Times Book Review

Adventures of the Wonder Boy Bobby John,2020-07-07 The book is a continuation of my earlier book, The Wonder Boy (twb), in which Rob acquires certain powers which then make him exceptionally gifted as well as particularly vulnerable. In this book twb commences his chosen lifestyle by embarking on various Adventures to gain more knowledge and understanding of the human soul and spirit. Twb’s primary intention is to gain experience relative to human responses under specific situations, having regard to the type of person an individual is, when he or she is faced with a key decision that will then significantly impact their own lives as well as those of the people who are interacting with this person.

The Wonder Boy of Whistle Stop Fannie Flagg,2020-10-27 NEW YORK TIMES BESTSELLER • A heartwarming novel about secrets of youth rediscovered, hometown memories, and the magical moments in ordinary lives, from the beloved author of Fried Green Tomatoes at the Whistle Stop Cafe “A gift, a blessing and a triumph . . . celebrates the bonds of family and friends—and the possibilities of recovery and renewal.”—The Free Lance–Star Bud Threadgoode grew up in the bustling little railroad town of Whistle Stop with his mother, Ruth, church-going and proper, and his Aunt Idgie, the fun-loving hell-raiser. Together they ran the town’s popular Whistle Stop Cafe, known far and wide for its fun and famous fried green tomatoes. And as Bud often said of his childhood to his daughter Ruthie, “How lucky can you get?” But sadly, as the railroad yards shut down and Whistle Stop became a ghost town, nothing was left but boarded-up buildings and memories of a happier time. Then one day, Bud decides to take one last trip, just to see what has become of his beloved Whistle Stop. In so doing, he discovers new friends, as well as surprises about Idgie’s life, about Ninny Threadgoode and other beloved Fannie Flagg characters, and about the town itself. The Wonder Boy Bobby John,2018-12-06 Twb is the story of a boy who has been gifted with some special powers to access information bases. However, the purpose of the book is not simply to demonstrate how important correct information is for making useful decisions. However, the real purpose of this book is to emphasize on everyone, i.e., people of all ages, the importance of maintaining their initial instincts of siding with good, right and truth. It is a well known fact that as we grow older, we tend to lose our innocence and develop various types of barriers to defend the positions that we believe we have been forced to adopt in our lives for the sake of our survival. Twb believes that to the extent possible, we must all struggle to maintain our clear conscience that was given to us when we were born. It is this endeavor on the part of all persons alive on this planet that will achieve the much desired goals of peace and stability around the world, which will then lead to a reduction of disequilibrium and promote social good.

Othergirl Nicole Burstein,2015-04-02 Louise and Erica have been best friends since forever. They’re closer than sisters and depend on each other for almost everything. Just one problem: Erica has superpowers. When Erica isn’t doing loop-the-loops in the sky or burning things with her heat pulse powers, she needs Louise to hold her non-super life together. After all, the girls still have homework, parents and boys to figure out. But being a superhero’s BFF is not easy, especially as trouble has a way of seeking them out. Soon Louise discovers that Erica might be able to survive explosions and fly faster than a speeding bullet, but she can’t win every fight by herself. Life isn’t a comic book – it’s even crazier than that.

Life is a struggle to make ends meet, but he does not mind. When his mother decides to take a lodger to help pay the bills, he watches with interest as she freshens up their small apartment with new wallpaper and a sofa paid for in installments. He befriends their new male lodger, whose television is more tempting to him than his mother would like. When a half sister whom he never knew joins the household, Finn takes her under his wing over an everlasting summer on Håøya Island. But he can't understand why everyone thinks his new sister is so different from every other child. Nor can he fathom his mother's painful secret, one that pushes them ever farther apart. As summer comes to a close, Finn must attempt to grasp the incomprehensible adult world and his place within it. Child Wonder is a powerful and unsentimental portrait of childhood.
