Sunshine and Flowers Jaachj Anyatɔnwu,2022-02-14 What if sunshine and flowers are metaphors for love and affection? There's just something so intimate about letting our imaginations run freely after diving into a poem, so I wanted to share my favourite sunshine and flower poetry with you. The poems you'll find here are snippets of beautiful moments from a journey that has been interesting much since 'on your marks, set, go!'. Hopefully, these beautiful words inspire you to fall deeply in love with sunshine, again, no matter how hard its rays burns your skin. and flowers, no matter how quickly they wither away.

BLESSING HUMAN Augustin Ostace, 2019-03-18 Through the prophetic impulse of Make Human Great Again, launched together by dr. AnthroWill in Clinicum and by encyclopaedist of the Aera of Philosophical Systems in Theoreticum, has brought about the present book called BLESSING HUMAN, which is conceived as a set of self-overcoming in triad of Theoreticum, Laboratorium and Clinicum, regarding the difficulties of Human Being endeavour in a prolonged sounding life span, likewise in working ability, in working productivity and working creativity, seeing and analysed as the only one fulfillment of its sapientic destiny of every human! I swear by Apollo the Healer, by Asclepius, by Hygieia, by Panacea, and by all the gods and goddesses, making them my witnesses, that I will carry out, according to my ability and judgment, this oath and this indenture. To hold my teacher in this art equal to my own parents; to make him partner in my livelihood; when he is in need of money to share mine with him; to consider his family as my own brothers, and to teach them this art, if they want to learn it, without fee or indenture; to impart precept, oral instruction, and all other instruction to my own sons, the sons of my teacher, and to indentured pupils who have taken the physician's oath, but to nobody else. I will use treatment to help the sick according to my ability and judgment, but never with a view to injury and wrong-doing. Neither will I administer a poison to anybody when asked to do so, nor will I suggest such a course. Similarly I will not give to a woman a pessary to cause abortion. But I will keep pure and holy both my life and my art. I will not use the knife, not even, verily, on sufferers from stone, but I will give place to such as are craftsmen therein. Into whatsoever houses I enter, I will enter to help the sick, and I will abstain from all intentional wrong-doing and harm, especially from abusing the bodies of man or woman, bond or free. And whatsoever I shall see or hear in the course of my profession, as well as outside my profession in my intercourse with men, if it be what should not be published abroad, I will never divulge, holding such things to be holy secrets. Now

if I carry out this oath, and break it not, may I gain for ever reputation among all men for my life and for my art; but if I transgress it and forswear myself, may the opposite befall me. Author
