The Book of Everything Guus Kuijer, 2012-04-01 Faith is joy is love is hope in this novel of exquisite power and everyday miracles, reminiscent of Barbara Kingsolver's *THE POISONWOOD BIBLE*. Thomas can see things no one else can see. Tropical fish swimming in the canals. The magic of Mrs. Van Amersfoort, the Beethoven-loving witch next door. The fierce beauty of Eliza with her artificial leg. And the Lord Jesus, who tells him, Just call me Jesus. Thomas records these visions in his *Book of Everything*. They comfort him when his father beats him, when the angels weep for his mother's black eyes. And they give him the strength to finally confront his father and become what he wants to be when he grows up: Happy.

Queers in American Popular Culture Jim

Elledge, 2010-10-06 This three-volume collection of essays reveals the widespread existence of queer men and women in American popular culture, and showcases their important yet little-known role in shaping our society over the last 120 years. The virtually unknown existence of gay, bisexual, and queer men and women in American popular culture from the late 1800s through the present day is a fascinating topic for many readers, regardless of their own orientation. Whether it's the father of bodybuilding, famous closeted entertainers or sports stars, or the leading characters in current television shows and films, queer men and women have changed the face of American popular culture and society for over a century. Ironically, most of the fascinating information, anecdotes, and revealing facts about well-known figures in American culture are virtually unknown to the typical U.S. citizen. Elledge's *Queers in American Popular Culture* covers a wide variety of historical and current topics that documents how the queer community has been—and continues to be—one of the most significant shapers of American popular culture. Currently, no other book covers queer topics in American popular culture as broadly as this text.

My Friend Dahmer (Movie Tie-In Edition) Derf Backderf, 2017-10-03 “A well-told, powerful story. Backderf is quite skilled in using comics to tell this tale of a truly weird and sinister 1970s adolescent world.” —R. Crumb NATIONAL BESTSELLER Named a BEST OF 2012 by Time, The Village Voice, A.V. Club, comiXology, Boing Boing, Publishers Weekly, MTV Geek, and more! “ASTOUNDING.” —Lev Grossman, Time You only think you know this story. In 1991, Jeffrey Dahmer—the most notorious serial killer since Jack the Ripper—seared himself into the American consciousness. To the public, Dahmer was a monster who committed unthinkable atrocities. To Derf Backderf, Dahmer was a much more complex figure: a high school friend with whom he had shared classrooms, hallways, and car rides. In *My Friend Dahmer*, a haunting and original graphic novel, writer-artist Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche—a shy kid, a teenage alcoholic, and a goofball who never quite fit in with his classmates. With profound insight, what emerges is a Jeffrey Dahmer that few ever really knew, and readers will never forget. This new paperback edition will coincide with the release of the movie adaptation of *My Friend Dahmer* and will include additional bonus content from the author archives.
