The Hundred-Year Walk Dawn Anahid MacKeen, 2016-01-12 A Dayton Literary Peace Prize Finalist and New York Post Must-Read. "An emotionally poignant work" of survival during the Armenian genocide (Aline Ohanesian, author of *Orhan's Inheritance*). Growing up, Dawn MacKeen heard from her mother how her grandfather Stepan miraculously escaped from the Turks during the Armenian genocide of 1915, when more than one million people—half the Armenian population—were killed. In *The Hundred-Year Walk*, MacKeen alternates between Stepan's courageous account, drawn from his long-lost journals, and her own story as she attempts to retrace his steps, setting out alone to Turkey and Syria, shadowing her resourceful, resilient grandfather across a landscape still rife with tension. Dawn uses his journals to guide her to the places he was imperiled and imprisoned and the desert he crossed with only half a bottle of water. Their shared story is a testament to family, to home, and to the power of the human spirit to transcend the barriers of religion, ethnicity, and even time itself. "This book reminds us that the way we treat strangers can ripple out in ways we will never know . . . MacKeen's excavation of the past reveals both uncomfortable and uplifting lessons about our present."—Ari Shapiro, NPR "I am in awe of what Dawn MacKeen has done here . . . Her sentences sing. Her research shines. Her readers will be rapt—and a lot smarter by the end."—Meghan Daum, author of *The Problem with Everything* "Harrowing."—Us Weekly "This previously untold story of survival and personal fortitude is on par with Laura Hillenbrand's *Unbroken*."—Library Journal (starred review)

Join Irene Zysset as she regales you on her picturesque journey in this thing we call life.

**A Street Through Time** Steve Noon, 2012 Take a 12,000-year walk through history Think of the street you live on. Now think of how it may have looked in 10,000 BCE, or in Roman times, or in Victorian England at the height of the Industrial Revolution. Steve Noon's A Street Through Time takes you on a time travelling journey that you won't forget. Beautiful double-page illustrations bring fourteen key periods in history to life. You will see magnificent buildings go up and come down, new churches built on the site of ancient temples, wooden bridges destroyed and then remade in stone, and statues demolished then unearthed many years later. You'll find out how people lived long ago - the tools they used, what they wore, what they ate and what they did all day. In an added twist, you can search for the time traveller in each period and locate the objects that have managed to survive through the ages. Revised and updated for a new generation, Steve Noon's A Street Through Time is perfect for parents and children to look at together. The more you look, the more you'll see.

**The Walk of a Lifetime** Russ Eanes, 2019-09-02 Trekking 500 miles on the ancient Camino de Santiago was not just an item for Russ Eanes to check off his bucket list. It was a journey he had dreamed of taking for decades. At age 61, with his children grown, he was too young to retire but wise enough to know that he needed to reorient the hurried pace of his life. He left his work and took a sabbatical to reset himself and the first step was to head to the Camino. With everything he needed in a 16-pound pack and, equipped with a set of seven simple principles, he took off from St. Jean Pied de Port, France, to walk, as pilgrims have for twelve centuries, across Spain, to realize his dream. It was the Walk of a Lifetime. In a style that is part personal memoir and part travel memoir, he combines history, spirituality, coffee, culture and humor into an engaging journey of personal rediscovery.

Walking Albuquerque Stephen Ausherman, 2015-02-16 Given its history and massive sprawl, we must admit that, unlike Nancy Sinatra's boots, Albuquerque was not made for walking. However, that doesn't mean the art of walking has met its demise here. A resurgence in plans and efforts to make it walkable again indicates that the city is on the verge of a pedestrian renaissance. In the meantime, navigating it by foot requires some local guidance and expertise. That's where Walking Albuquerque by local author and explorer Stephen Ausherman comes in handy. With 30 routes mapped out in the valley, the heights, and beyond, it's the first guidebook of its kind to cover the entire city and surrounding areas, including tourist sites and famous filming locations along with several hidden treasures most local don't even know about. Rich in history and obsessive in detail, Walking Albuquerque is written to encourage readers to take the next step and make each walk an enjoyable little journey.

**Spirit Walk (Special Edition)** Steve Smith, 2020-03-11 The Holy Spirit is the Hidden Mover behind all personal life transformation and ministry fruitfulness. Since the original publication of Spirit Walk, author Steve Smith has gone home to meet the Lord face-to-face. However, before that glorious day, he penned an impassioned plea to believers in the last days of his life. That plea and piece of instruction is what comprises the new foreword in this special edition of Spirit Walk. Read and be both challenged and invited to a life lived in the power of the Holy Spirit. Though we know

the Bible says to walk in the Spirit, the majority of Christians are illiterate (and even nervous) about how to practically live in His power. The result is lives marred by continued brokenness and ministries plagued by fruitlessness. In contrast, believers from Acts understood the ancient path of the Spirit Walk. That extraordinary power was not just for them, but also for us. Gleaning insights from implementation in dozens of Acts-like movements around the world, Spirit Walk “lifts the hood and shows us the real secret behind apostolic, disciple multiplying movements” (Neil Cole, author of Organic Church). Whether you need a movement of God in your personal life or in your ministry, this book takes you through the timeless principles of the Bible. The Spirit Walk path has helped thousands of ordinary people shift from a fundamental reliance upon methods and self-helps to the essential reliance upon the Spirit who empowers both. Discover how to start on your lifelong journey of being filled again and again by the Holy Spirit as you abide in Christ.
