Tarot Love Keera Ashton,2017-06-19 On planet Earth, Granddad Badger, whose real name is Albert, discovers his astrology charts purpose when he discovers the ancient astrology and anthology occult book as an astronomer and scientist after he retires from the chief of police position. His best friend, Archangel Ariel, is on Earth to carry out Gods duties and responsibilities by stopping the bad spirits coming to Earth and taking over the newfound planeta flying planetwhen their other friend, Mr. Coldwater, and his hoard of cats begin to act suspicious. Granddad Albert and Flight Boss Archangel Ariel decide Mr. Coldwater cant be trusted. The bad spirits fail to use Mr. Coldwater and his devoted cats as a body vessel on Earth for long as they fight off the bad spirits with their unconditional love frequencies. Eventually, as the love and vibration frequencies take over the dark spirits and as darkness cannot attack light, the bad spirits had to find another way to possess the planet Earth. They knew the highly intelligent humans, even the cats and animals, proved too hard to possess by the bad spirits. They eventually found their way into planet Earths realm of reality in the form of an objectthe robots frequencies and vibrations that the humans thought they were creating. But it was a way for the robots possessed by bad spirits to take over Earth and create their own power and race. This is where Mr. Coldwater really comes through for his friends, Flight Boss and Granddad Albert. Mr. Coldwater knows whats going on, and hes the only one that knows how to stop his artificial solar system created by himself as a scientist to sustain Earth once the sun died. It was the only way to stop the robots from getting access in and attack the Butterfly Heaven planet where Flight Boss lives, and the possessed robots wanted to expand and take over many other planets and the human beings. Another book by the author is Life in Retrograde.

Global Kingdom, Global People Melba Padilla Maggay,2017-02-28 In an age of unsurpassed globalization, Melba Maggay reminds us of the beauty of unique cultures no matter how small their imprint on the world may seem. Yet these cultures do not exist in isolation, but have a complex interrelation with one another, be they monoliths such as western capitalism or subsistence communities like El Nido on the island of Palawan, the home of the author’s ancestors. This rich global tapestry is a gift from God, yet not without imperfection, sin or hardship. It is these realities to which we must apply the gospel in our own lives and in missiology. This book gives a prophetic call to proclaim the good news and do justice in and towards every culture under the sun, while demystifying some of the major narratives that inform worldviews across the globe today. And it is the kingdom of God for every tribe, tongue, people and nation that brings true global unity.

Tarot Decoded Elizabeth Hazel,2004-05-01 Most readers interested in tarot own a couple of different decks as well as some tarot cookbooks that explain the meaning of the cards and their symbolism--like Cliff Notes for tarot. These tarot tools result in fairly standard, mundane readings. But there is another level to tarot--a level that can turn an ordinary tarot reader into a true adept. Tarot Decoded transforms ordinary tarot readings into readings that are profound and even surprising by explaining the use and significance of tarot dignitaries. Tarot dignitaries are the interaction of the cards with each other in a spread and within a range of correspondences. Tarot author Elizabeth Hazel presents a concise, useable system for working with tarot dignities to add incredible depth to readings. One card placed next to another might not have a readily apparent connection--but interpreting tarot dignities could make it very clear that one card enhances, or hinders, the meaning of another. The same is true for tarot neighborhoods within a spread as well as the entire reading. Using the Tarot Decoded system for working with tarot dignities can take anyone to the next level of tarot reading. The book offers a progressive look at the cards, their dignities, and their correspondences. With Hazel's advice and clear examples--and a little practice--readings take on a new depth, integration, and power.
