Leonard (My Life as a Cat) Carlie Sorosiak,2021-04-13 He's not a stray house cat, he's an immortal being. And now he must choose whether to return to his planet or remain with his new human friend in a humorous, heart-tugging story from the author of I, Cosmo. The cat that Olive rescues from a flood has a secret: he's not really a cat at all, but an alien who crashed to Earth on a beam of light. The cat, whom Olive names Leonard, was prepared to visit the planet as a human—but something went wrong. Now Leonard may never know what it's like to hold an umbrella, go bowling, or host a dinner party. (And his human jokes still need some work: Knock, knock. Who's there? Just Leonard. It is me.) While Olive worries about whether she will have to move after her mom and her new boyfriend get back from their summer vacation, Leonard tries to figure out how to get from South Carolina to Yellowstone National Park, because if he's not there at the end of the month, he'll miss his ride home. But as Olive teaches Leonard about the beautiful and confusing world of humans, he starts to realize how much he cares about this particular one. A sweet and dryly funny story about what it means to be human—and what it means to be home.

How to Argue with a Cat Jay Heinrichs,2018-06-19 Learn how to persuade cats—the world's most skeptical and cautious negotiators—with this primer on rhetoric and argument from the New York Times bestselling author of Thank You for Arguing! Cats are skilled manipulators who can talk you into just about anything without a single word (or maybe a meow or two). They can get you to drop whatever you're doing and play with them. They can make you serve their dinner way ahead of schedule. They can get you to sit down in an instant to provide a lap. On the other hand, try getting a cat to do what you want.... While it's hard, persuading a cat is possible. And after that, persuading humans becomes a breeze, and that is what you will learn in this book. How to Argue with a Cat will teach you how to: · Hold an intelligent conversation—one of the few things easier to do with a cat than a human. · Argue logically, even if your opponent is furry and irrational. · Hack up a fallacy (the hairball of logic). · Make your body do the talking (cats are very good at this). · Master decorum: the art of fitting in with cats, venture capitalists, or humans. · Learn the wisdom of predator timing to pounce at the right moment. · Get someone to do something or stop doing it. · Earn any creature's respect and loyalty.

A Cat Leonard Michaels,2018-11-13 While the mystery of the cat can never ultimately be defined, Michaels comes as close as possible to revealing its essence. A cat is content to be a cat. A cat is not owned by anybody. A cat imagines things about you, nothing you can know for sure. A cat reminds us that much in this world remains unknown. In his novels, stories, and essays, Leonard Michaels proved himself to be one of the most incisive observers of human behavior, but few know that he was every bit as perspicacious a chronicler of America's favorite pet: the domestic cat. Elusive, elegant, and often humorous—much like his subject—Michaels gives us this unfathomable animal as we have never quite seen it before, and yet as we have always known it to be. Through a series of meditations, aphorisms, and anecdotes, along with original illustrations from Frances Lerner, A Cat is a both a compendium of feline behavior and a love letter to this marvelous creature.

You Are Not a Cat! Sharon G. Flake,2024-02-20 For fans of Mo Willem's Elephant and Piggie and Pigeon series, this clever and hilarious story stars Cat, who starts out perfectly content and relaxed, and Duck, who infuriates him by meowing like a cat instead of quacking like Cat thinks he should. Written completely in dialogue, this minimalist text is fun to read aloud and easy enough for newly independent readers to enjoy on their own. Humorous and deceptively simple artwork highlights the characters' personalities, showing Duck's quirkiness and good humor and Cat's rising frustration as Duck impersonates a variety of animals, refusing to concede that he is, indeed, a duck. Duck's silliness will appeal to children who enjoy pretend play, and older siblings will relate to Cat's annoyance as Duck refuses to leave his side. Ideal for multiple readings, here is a concise, funny story by award-winning author Sharon G. Flake with playful details in the artwork and humor that never fades.

Then you’re well on the way of being a real, certified cat.” –deMilked “An easy to follow ‘how to guide’ available for anyone dreaming of being a kitty cat instead of a real-world adult, or kid.” –Earth Porm
