

Aa Big Book App

Mark H.,Floyd Henderson

Alcoholics Anonymous Alcoholics Anonymous World Services, Bill W., 1986 The basic text for Alcoholics Anonymous.

Writing the Big Book William H. Schaberg, 2019-09-24 The definitive history of writing and producing the Big Book of Alcoholics Anonymous, told through extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz's Not-God, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when Alcoholics Anonymous was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, Writing the Big Book presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful.

Daily Reflections Aa World Services Inc, 2017-07-27 This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year—one day at a time. Each page contains a reflection on a quotation from A.A. Conference-approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. Thus the book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions even as it presents an introduction for some to A.A. literature as a whole.

A New Pair of Glasses Chuck C., 1984

Twelve Steps and Twelve Traditions Trade Edition Bill W., 1953 Twelve Steps to recovery.

Twenty-Four Hours a Day Anonymous, Hazelden, 1992-02-01 Twenty Four Hours a Day Softcover (24 Hours)

When Man Listens Cecil Rose, 2008-07-09 Reprint of an edition published in New York in 1937 by Oxford University Press.

The EZ Big Book of Alcoholics Anonymous Member A.A., 2015-06-30 Finally! The book that thousands of alcoholics have been waiting for! An updated version of the Big Book of Alcoholics Anonymous. This edited revision of the old, basic text is reader-friendly and carries the exact same message as the 1939 version of Alcoholics Anonymous. It's written in a style that's friendly to readers of any gender, race, or spiritual path. Until now, Bill Wilson's 1939 book has never been edited for modern readers. This book is for: Women who object to the sexist language in the original Big Book. The EZ Big Book is gender neutral. All partners of alcoholics, including gays and lesbians. The EZ Big Book makes no assumption about the genders or marital status of partners. Alcoholics at all reading levels. The language is reader-friendly and journalistic in tone. Readers of any faith, including agnostics. The spiritual references in the book are all-encompassing. Non-English speakers. Readers for whom English is a second language buy the EZ Big Book because the writing is simple and direct. About the Author The author is a retired science and nature writer with double-digit of sobriety. Her last years of drinking took her to emergency rooms several times and finally to rehab.

The Language of Letting Go Melody Beattie, 2009-12-12 Written for those of us who struggle with codependency, these daily meditations offer growth and renewal, and remind us that the best thing we can do is take responsibility for our own self-care. Melody Beattie integrates her own life experiences and fundamental recovery reflections in this unique daily meditation book written especially for those of us who struggle with the issue of codependency. Problems are made to be solved, Melody reminds us, and the best thing we can do is take responsibility for our own pain and self-care. In this daily inspirational book, Melody provides us with a thought to guide us through the day and she encourages us to remember that each day is an opportunity for growth and renewal.

Living Sober Trade Edition Anonymous, 1975 Tips on living sober.

The Little Big Book Dictionary and Concordance for Included Words Lyle Parkins, 1998-11-04 Over 2200 of the most difficult words and terms found in the Big Book of Alcoholics Anonymous.- Many program topical words included.- Simple phonic pronunciation guides.- Page number references for included words.- Text referenced definitions.- Fits in your Big Book.

The Sober Truth Lance Dodes, Zachary Dodes, 2015-03-17 A powerful exposé of Alcoholics Anonymous, 12-step programs, and the rehab industry—and how a failed addiction treatment model came to dominate America. "A humane, science-based, global view of addiction . . . an essential, bracing critique of the rehab industry and its ideological foundations that we have much to learn from." —Gabor Maté M.D., author of In The Realm of Hungry Ghosts Alcoholics Anonymous has become so infused in our society that it is practically synonymous with addiction recovery. Yet the evidence shows that AA has only a 5–10 percent success rate—hardly better than no treatment at all. Despite this, doctors, employers, and judges regularly refer addicted people to treatment programs and rehab facilities based on the 12-step model. In The Sober Truth, acclaimed addiction specialist Dr. Lance Dodes exposes the deeply flawed science that the 12-step industry has used to support its programs. Dr. Dodes analyzes dozens of studies to reveal a startling pattern of errors, misjudgments, and biases. He also pores over the research to highlight the best peer-reviewed studies available and discovers that they reach a grim consensus on the program's overall success. But The Sober Truth is more than a book about addiction. It is also a book about science and how and why AA and rehab became so popular, despite the discouraging data. Drawing from thirty-five years of clinical practice and firsthand accounts submitted by addicts, Dr. Dodes explores the entire story of AA's rise—from its origins in early fundamentalist religious and mystical beliefs to its present-day place of privilege in politics and media. A powerful response to the monopoly of the 12-step

program and the myth that they are a universal solution to addiction, The Sober Truth offers new and actionable information for addicts, their families, and medical providers, and lays out better ways to understand addiction for those seeking a more effective and compassionate approach to this treatable problem.

The Narcotics Anonymous Step Working Guides ,1998-01-01 Narcotics Anonymous Step Working Guides are meant to be used by NA members at any stage of recovery, whether it's the first time through the steps, or whether they have been a guiding force for many years. This book is intentionally written to be relevant to newcomers and to help more experienced members develop a deeper understanding of the Twelve Steps.

US of AA Joe Miller,2019-04-02 In *US of AA*, Miller shares the never-before-told story of how in the aftermath of prohibition America's top scientists helped launch a movement that would give rise to a multi-million-dollar treatment industry and a new government agency devoted to alcoholism that has made available millions of dollars for research. Despite the fact that this research showed that alcoholism is a complex disease requiring an array of treatment strategies, among which Alcoholics Anonymous (AA) is one of the least effective, money continued to flow to treatment facilities using approaches similar to AA. Five years in the making, his brilliant, in-depth investigative reporting into the history, politics and science of alcoholism will show how AA became our nation's de facto treatment policy, even as evidence for more effective remedies accumulated. *US of AA* is a character-driven, beautifully written exposé, full of secrecy, irony, liquor industry money, the shrillest of scare tactics and, at its center, a grand deception. In the tradition of *Crazy* by Pete Earley, and David Goldhill's *Catastrophic Care*, *US of AA* shines a much-needed spotlight on the addiction treatment industry. It will forever change the way we think about the entire enterprise.

Quit Like a Woman Holly Whitaker,2019-12-31 NEW YORK TIMES BESTSELLER • “An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself.”—Glennon Doyle, #1 New York Times bestselling author of *Untamed* “You don’t know how much you need this book, or maybe you do. Either way, it will save your life.”—Melissa Hartwig Urban, Whole30 co-founder and CEO The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol’s ubiquity—in fact, the only thing ever questioned is why someone doesn’t drink. It is a qualifier for belonging and if you don’t imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What’s more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don’t need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

Alcoholics Anonymous Bill W.,2014-09-04 A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article “Alcoholics Anonymous” by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA’s program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

The 12 Step Philosophy of Alcoholics Anonymous Steve K,2018-11-06 A comprehensive two part essay offering an interpretation of the 12 Step Philosophy of Alcoholics Anonymous--Page 4 of cover.

OA Big Book Study Guide Lawrie Cherniack,2014-01-08 This book is sold at cost of sale on Amazon for the benefit of OA members who want a print copy of the popular Big Book study by Lawrie C. A Twelve Step Journey to Self Transformation Mark H.,Floyd Henderson,2004 A Twelve Step Journey to SELF-transformation is the true story of two men whose paths crossed and whose lives were changed forever after. The authors reveal how they reached all four levels of healing that Bill W. spoke of: spiritual sobriety, mental sobriety, physical sobriety, and emotional sobriety.
