Zero O'Clock C.J. Farley,2021-09-07 For sixteen-year-old Geth Montego, zero o'clock begins on March 11, 2020. By June, she wonders if it will ever end. An insightful, eye-opening, and inventive story. C.J. Farley has penned a novel that sheds an important light on real issues facing young people today. --Angie Thomas, author of *The Hate U Give* For fiction with a sense of realism, this is a coming-of-age young adult book whose title is the same as that of a 2020 song by superstar boy band BTS, 00:00 (Zero O'Clock), with vocals by Jungkook, Jimin, Jin and V. Author C.J. Farley's novel grapples with the stresses and trauma of 2020. --South China Morning Post Remember when New Rochelle was frantically sanitizing office buildings and rapidly shutting things down in the beginning of 2020? Well, Geth remembers, as her character dealt with being a senior in high school in the first New York town COVID raged through in *Zero O'Clock* by Christopher John Farley. --The Root Geth is a likable, smart Gen Z protagonist in this modern epistolary work that combines diary entries, text messages, news reports, emails, and English lit essays to immersive effect...Farley offers readers undeniable value in this retelling of recent, unforgettable history. --Kirkus Reviews [Farley's] brilliance is in getting into the mind of a 16-year-old Black girl and giving her a vivid voice. --Booklist In early March 2020 in New Rochelle, New York, teenager Geth Montego is fumbling with the present and uncertain about her future. She only has three friends: her best friend Tovah, who's been acting weird ever since they started applying to college; Diego, who she wants to ask to prom; and the K-pop band BTS, because the group always seems to be there for her when she needs them (at least in her head). She could use some help now. Geth's small city becomes one of the first COVID-19 containment zones in the US. As her community is upended by the virus and stirred up by the growing Black Lives Matter protests, Geth faces a choice and a question: Is she willing to risk everything to fight for her beliefs? And if so, what exactly does she believe in? C.J. Farley captures a moment in spring 2020 no teenager will ever forget. It sucks watching the world fall apart. But sometimes you have to start from zero.

Cluck O'Clock Kes Gray,2015-02-05 A witty and warm tell-the-time book, created by Kes Gray, author of the bestselling *Oi Frog*, and Mary McQuillan. *Cluck O'Clock* is a tell-the-time book with a difference. It recounts a day in the life of a group of chickens - each with individual and distinct personalities - as they fill their lives with food, exercise, visiting - and waiting for the fox. Teaches children to tell the time in a fun, but informative way. '... teachers and librarians will be happy to give this tale a few minutes in story hours about chickens or clocks'. - Kirkus Reviews

The 7 O'Clock Bedtime Inda Schaenen,2014-07-08 Parenting today is harder than it was a few decades ago--and one often overlooked reason is the increasing tendency of children to get away with staying up past their bedtimes. In this constructive book, Inda Schaenen helps parents remake their children's daily schedules from dawn till dusk, suggesting dozens of lifestyle changes (for kids and parents alike) that will reduce crankiness, increase stability, improve school performance, and give parents back control of their lives. Schaenen's advice is maverick (for example, she advises against team sports for children under 14) yet eminently sensible, and she includes advice on how to answer the naysayers who think the 7 o'clock bedtime is too difficult or too harsh. Her book will help restore a sense of order to the lives of everyone who's trying to raise happy, healthy children in harrowing contemporary America. Includes recipes, reading lists, and more.
