Underwater Dogs Seth Casteel,2012-10-23 The exuberant, exhilarating photographs of dogs underwater that have become a sensation From the water's surface, it's a simple exercise: a dog's leap, a splash, and then a wet head surfacing with a ball, triumphant. But beneath the water is a chaotic ballet of bared teeth and bubbles, paddling paws, fur and ears billowing in the currents. From leaping Lab to diving Dachshund, the water is where a dog's distinct personality shines through; some lounge in the current, paddling slowly, but others arch their bodies to cut through the water with the focus and determination of a shark. In more than eighty portraits, award-winning pet photographer and animal rights activist Seth Casteel captures new sides of our old friends with vibrant underwater photography that makes it impossible to look away. Each image bubbles with exuberance and life, a striking reminder that even in the most loveable and domesticated dog, there are more primal forces at work. In Underwater Dogs, Seth Casteel gives playful and energetic testament to the rough-and-tumble joy that our dogs bring into our lives.

The Substance of Style Virginia Postrel,2009-03-17 Whether it's sleek leather pants, a shiny new Apple computer, or a designer toaster, we make important decisions as consumers every day based on our sensory experience. Sensory appeals are everywhere, and they are intensifying, radically changing how Americans live and work. The twenty-first century has become the age of aesthetics, and whether we realize it or not, this influence has taken over the marketplace, and much more. In this penetrating, keenly observed book, Virginia Postrel makes the argument that appearance counts, that aesthetic value is real. Drawing from fields as diverse as fashion, real estate, politics, design, and economics, Postrel deftly chronicles our culture's aesthetic imperative and argues persuasively that it is a vital component of a healthy, forward-looking society. Intelligent, incisive, and thought-provoking, The Substance of Style is a groundbreaking portrait of the democratization of taste and a brilliant examination of the way we live now.

City on Fire Tracy Higley,2013-09-24 Previously released as Pompeii. As Vesuvius churns, a slave girl-turned-gladiator joins forces with an unlikely source to seek justice. In the coastal town of Pompeii, a new gladiator prepares to fight. But this gladiator hides a deadly secret: she's a runaway Jewish slave girl named Ariella, disguised as a young boy. A savvy fighter, Ariella determines to triumph in the arena, knowing her life will be forfeit should anyone uncover the truth. Cato, a wealthy politician, moved to Pompeii after tiring of the corruption in Rome. But he soon learns that Pompeii is just as corrupt, and if he doesn't play the game, his family could pay the price. Determined to bring about justice for the citizens of Pompeii, Cato searches for allies. But what he discovers instead is a confounding group of Christians . . . and a young female gladiator whose fame is growing daily. Political unrest reaches a boiling point as Christians are jailed and executed, and the mountain in the distance threatens to destroy the city with its river of fire. Cato and Ariella must act quickly and courageously to save their loved ones before all is lost.
