**Sex Games for Couples** Tony Bravo, Rachel Bell, 2020-06-16 Are you looking for a book that can spark your sex life and enhance the couple's performance? In this book you will learn tips, tricks and

advice for your sex life, how to play naughty safe games and have fun in bed. Tony and me have been happily married for 10 years and we still share a wonderful story together, but during our lives we had experienced some issues related to the sex part go our wedding. As always, at the beginning we had a lot of fun, but over time the spark turned off. It's anybody's fault. We have very busy lives, long working hours and a happy family (and a dog!) to take care of, but it's a shame that husband and wife can't have some time on their own. Willing to find a solution we ended up discovering a new way to have sex, using games, toys and tools and despite at the beginning it looked a bit weird, we tried them and eventually enjoyed a new way to share intimacy. After the first experiences, it became an habit that led us to have sex regularly and happily. Thanks to this experience, we decided to write a book about our journey with the sex games and we truly hope that it will help you too to keep the thrill in your relationship. In this book you will learn: How to understand couple complicity and intimacy How to solve common problems about sex Your sex personally Many sex games for couples, such as Truth or Dare and Would You Rather New sex positions How to use tools during sex, dildos and soft bondage. Don't let your sex life go wrecked, talk with your partner and embrace a solution, hopefully a playful one! Scroll up, click buy it now and get your copy today!

**Sex Games for Couples** Emily Sorensen,2020-07-06 Are you looking for a way to keep the flame of passion alive in your relationship? Do you want to spice up your sex life with fun games and spicy little games? This book will give you the keys to experiencing sex at 360 degrees: passion, eroticism, delicacy and lots of fun. The secret to making a couple last? No magic formula, just play. Adult sex games help build trust, lower inhibitions, and, if done right,

can be very, very hot. And, most importantly, they keep things fun. Erotic games in the couple are a fundamental ingredient: you know, after a long time that you share a relationship, that initial involvement can fade. Being able to keep alive the flame of desire and transport is necessary to avoid the risk of finding yourself betrayed and with bitterness in your mouth. But it is not necessary to play for this reason alone. Even in young and fresh couples, practicing erotic games can be a good way to get to know each other better and to increase trust and union; to lay, in short, good foundations for a healthy and joyful life (sexual and not). Here's a sneak peek of what you'll find inside: Couples Intimacy Games For Connecting With Your Partner. Quiz questions to spice up your sex life Enjoying Sex Toys with Your Partner Role-playing games Oral sex games as excellent foreplay Kissing sex games to make you hot and horny Hottest and most popular sex games with a complete guide Many useful tips and ideas inspiring that they'll lose your head your man or woman. And much more! When lovers try out new sex games, it allows them to stop worrying about the mechanics of sex and just enjoy playing with each other. You start thinking about your partner more, you try new things, and you remind yourself that sex shouldn't be work -- it should be pure joy and gratification. Thanks to reading the book, you give permission to finally push you where you've never been before, and discover your true sexual dimension. So...
