Change Your Clothes, Change Your Life George Brescia,2014-08-19 Open the door to harmonious, powerful, and positive dressing with a guide that's like *The Secret*—for your wardrobe. In this groundbreaking how-to book, style expert George Brescia shows you how to transform yourself from the inside out. More than a style guide, this revolutionary book by a seasoned stylist teaches a method of conscious dressing that begins with a powerful internal change. Instead of just grabbing for whatever's on hand, you'll learn to set your goals for the day, determining how you want to be perceived, and then dress in a way that helps manifest those intentions. *Change Your Clothes, Change Your Life* reveals the true power your clothing has to affect your life, showing how this second skin impacts your job prospects, your romantic life, your income, and even your deepest sense of self. Translating his styling methods into a philosophy anyone can apply on her own, Brescia also delivers tips and tricks of the trade to help convert even the most hapless dresser into a happy and educated shopper. Because the goal is to have you not only looking great, but feeling more confident, too. From major closet overhauls to a whole new philosophy on color, this is a comprehensive manual for anyone who's ever looked at her closet in despair. Accessible, direct, honest, and thought-provoking, *Change Your Clothes, Change Your Life* takes an eye-opening look at the intersection between our clothing and our emotions, hopes, and dreams, showing us how improving our external appearance can have life-changing effects on how we're perceived by others—and more importantly, on how we perceive ourselves.

How to Take Off Your Clothes Hadassah Grace,2019-04-04 Hadassah's book deals with themes of love, sex and depression and she describes it as: Politically it's about leaning in to the negative stereotypes projected onto women, and exploring what it means to embrace and humanize them. Personally it's about me working through the loss of the life I thought I would have. Overall it's about how no matter what happens women always have shared experiences of moving through the world.

Stylelikeu Elisa Goodkind,Lily Mandelbaum,2011-03-29 Stylelikeu, created by mother-daughter team Elisa Goodkindand Lily Mandelbaum, goes way beyond the now ubiquitousand static poses of street-fashion bloggers The Sartorialist,Face Hunter, and all the rest, and instead, brings us into thehomes-and more importantly the closets-of the most stylishpeople on the streets of New York, Los Angeles, London, andmore. Not interested in celebrities and the stylists who dress them,Elisa and Lily have an uncanny knack for finding and gainingthe trust of people who march to the beat of their own, verychic, drummer. Often spending up to three hours with themost daring and original dressers they can find, Stylelikeuphotographs each fashionable person in several different looksof the subject's choosing. To probe deeper into each subject's personal style, theyconduct intimate interviews on their ambitions, influences, anddreams, making each portrait so much more than yet anotherstreet photograph. From the most personal pieces in theirssubjects' wardrobes, to the favorite books on their shelves,to the most precious objects in their houses, Stylelikeu goesfar beyond mere appearances to showcase how creativity isfostered and manifested by living in the most stylish way of all:true to oneself. Trumpeted in the press for Elisa and Lily's departure from the top-down nature of mass-market fashion, where the editorsof popular fashion magazines tell consumers what is stylish,Stylelikeu represents the vanguard of a new, DIY, fashion-mediaparadigm. It is a bold and inspirational experiment,documenting fashion at its source-the individual. A few of the 1000+ comments left by fans of the Stylelikeuwebsite: Was just talking about how he NEEDED to be on thissite. So amazing. I find her absolutely mesmerizing. Take Off Your Clothes Michael Sean Erickson,2016-01-05 We all have a private space. It may be the inside of our bedroom after hours. It may be the inside of our automobile, when driving down a two-lane highway to nowhere. Or maybe, it is that inscrutable part of our psyches that even our loved ones find mysterious and, at times, unsettling. Now, suppose we lose that private space. We awaken from a dream, sit up on our elbows, and see a pair of blank eyes staring back at us from the other side of our bedroom window. Although we had lowered our blinds before sliding beneath the sheets, there is just enough space in between two of them for our innermost fears to be realized. We are not alone. We have no privacy. The eyes condemn us to hell, and deep down we fear that we may not be able to slip out from that horrible fate. Can Billy Ray Blaise unlock the mystery behind a horrible crime, before those penetrating eyes unlock him? Can Detective Ringwood stay one step ahead of his superiors in the Beverly Police Department, so that he can retire with his gold watch no matter how closely they watch him? And what about our friend, Walter Whipple? The eyes have been doing a real number on him since God knows when. Can he grasp the reins of his own life, before those eyes observe the madness just beneath his civilized exterior? What about the rest of us? Can we keep our secrets, our private spaces, when the night stalker sees us naked and so moves in for the kill. You are not sure. Well, take off your clothes, slip under your blanket, say your prayers, and then see who stares back at you in the night.

Environmental Theater Richard Schechner, 1994 There is an actual, living relationship between the spaces of the body and the spaces the body moves through; human living tissue does not abruptly stop at the skin, exercises with space are built on the assumption that human beings and space are both alive. Here are the exercises which began as radical departures from standard actor training etiquette and which stand now as classic means through which the performer discovers his or her true power of transformation. Available for the first time in fifteen years, the new expanded edition of Environmental Theater offers a new generation of theater artists the gospel according to Richard Schechner, the guru whose principles and influence have survived a quarter-century of reaction and debate.

Mid-Life Ex-Wife Stella Grey, 2017-05-02 “The literary equivalent of the When Harry Met Sally line, ‘tell me I’ll never be out there again’.” —JoJo Moyes, #1 New York Times bestselling author of Me Before You Nora Ephron meets Bridget Jones's Diary in Guardian columnist Stella Grey's heartrendingly honest, witty memoir about her online odyssey to find real love in a virtual world. Singers may croon about love being lovelier the second time around, but it can also be far more complicated. When Stella Grey's husband leaves her for another woman, she fears she'll be unhappy and alone for the rest of her life. But daytime vodka-drinking and ice-cream are only short-term consolations. Realizing that she needs to take her future into her own hands, Stella dives into the world of online dating. What follow are 693 days of hilarious, depressing, and baffling encounters that unfold both in person and online. Stella quickly discovers that the more perfect a man appears on her screen, the warier she should be. It's a game of chance, with some players perfectly willing to lie to get what they want, whether that's a lifetime of love or a very brief encounter. Amid flirty emails, Skype chats, and awkward small talk over glasses of bad wine (which may or may not lead to awkward sex), Stella struggles to remain optimistic. To succeed, does she have to redefine the kind of man she's looking for—or change the kind of woman she is? Funny, raw, and heartwarming, this book is a brutally honest account of the world of online dating—a world which so many of us are a part of, no matter our age—drawn from Stella's hugely popular Guardian column, “Mid-life Ex-Wife” (and expanded with new material) about her search for a second chance at love.
