**How to Take Off Your Clothes** Hadassah Grace, 2019-04-04 Hadassah's book deals with themes of love, sex and depression and she describes it as: Politically it's about leaning in to the negative stereotypes projected onto women, and exploring what it means to embrace and humanize them. Personally it's about me working through the loss of the life I thought I would have. Overall it's about how no matter what happens women always have shared experiences of moving through the world.

Change Your Clothes, Change Your Life George Brescia, 2014-08-19 Open the

door to harmonious, powerful, and positive dressing with a guide that's like The Secret—for your wardrobe. In this groundbreaking how-to book, style expert George Brescia shows you how to transform yourself from the inside out. More than a style guide, this revolutionary book by a seasoned stylist teaches a method of conscious dressing that begins with a powerful internal change. Instead of just grabbing for whatever's on hand, you'll learn to set your goals for the day, determining how you want to be perceived, and then dress in a way that helps manifest those intentions. Change Your Clothes, Change Your Life reveals the true power your clothing has to affect your life, showing how this second skin impacts your job prospects, your romantic life, your income, and even your deepest sense of self. Translating his styling methods into a philosophy anyone can apply on her own, Brescia also delivers tips and tricks of the trade to help convert even the most hapless dresser into a happy and educated shopper. Because the goal is to have you not only looking great, but feeling more confident, too. From major closet overhauls to a whole new philosophy on color, this is a comprehensive manual for anyone who's ever looked at her closet in despair. Accessible, direct, honest, and thought-provoking, Change Your Clothes, Change Your Life takes an eye-opening look at the intersection between our clothing and our emotions, hopes, and dreams, showing us how improving our external appearance can have life-changing effects on how we're perceived by others—and more importantly, on how we perceive ourselves.

Stylelikeu Elisa Goodkind,Lily Mandelbaum,2011-03-29 Stylelikeu, created by mother-daughter team Elisa Goodkindand Lily Mandelbaum, goes way beyond the now ubiquitousand static poses of street-fashion bloggers The Sartorialist,Face Hunter, and all the rest, and instead, brings us into

the homes—and more importantly the closets—of the most stylish people on the streets of New York, Los Angeles, London, and more. Not interested in celebrities and the stylists who dress them, Elisa and Lily have an uncanny knack for finding and gaining the trust of people who march to the beat of their own, very chic, drummer. Often spending up to three hours with the most daring and original dressers they can find, Stylelikeuphotos captures each fashionable person in several different looks of the subject's choosing. To probe deeper into each subject's personal style, they conduct intimate interviews on their ambitions, influences, and dreams, making each portrait so much more than yet another street photograph. From the most personal pieces in their subjects' wardrobes, to the favorite books on their shelves, to the most precious objects in their houses, Stylelikeuphotos goes far beyond mere appearances to showcase how creativity is fostered and manifested by living in the most stylish way of all: true to oneself. Trumpeted in the press for Elisa and Lily's departure from the top-down nature of mass-market fashion, where the editors of popular fashion magazines tell consumers what is stylish, Stylelikeuphotos represents the vanguard of a new, DIY, fashion-media paradigm. It is a bold and inspirational experiment, documenting fashion at its source—the individual. A few of the 1000+ comments left by fans of the Stylelikeuphotos website: Was just talking about how he NEEDED to be on this site. So amazing. I find her absolutely mesmerizing. She is so full of life and charm. She has a wonderfully contagious spirit. She is such an inspiration and I would love to be like her someday. I love that you guys feature such a diverse group of people—all ages, races, sizes, budgets. It shows how everyone can have style. I don't have any words to describe how amazing those two girls are! They are the true inspiration for all the girls in this entire universe!

**Take Off Your Clothes** Michael Sean Erickson, 2016-01-05 We all have a private space. It may be the inside of our bedroom after hours. It may be the inside of our automobile, when driving down a two-lane highway to nowhere. Or maybe, it is that inscrutable part of our psyches that even our loved ones find mysterious and, at times, unsettling. Now, suppose we lose that private space. We awaken from a dream, sit up on our elbows, and see a pair of blank eyes staring back at us from the other side of our bedroom window. Although we had lowered our blinds before sliding beneath the sheets, there is just enough space in between two of them for our innermost fears to be realized. We are not alone. We have no privacy. The eyes condemn us to hell, and deep down we fear that we may not be able to slip out from that horrible fate. Can Billy Ray Blaise unlock the mystery behind a horrible crime, before those penetrating eyes unlock him? Can Detective Ringwood stay one step ahead of his superiors in the Beverly Police Department, so that he can retire with his gold watch no matter how closely they watch him? And what about our friend, Walter Whipple? The eyes have been doing a real number on him since God knows when. Can he grasp the reins of his own life, before those eyes observe the madness just beneath his civilized exterior? What about the rest of us? Can we keep our secrets, our private spaces, when the night stalker sees us naked and so moves in for the kill. You are not sure. Well, take off your clothes, slip under your blanket, say your prayers, and then see who

stares back at you in the night.

Here are the exercises which began as radical departures from standard actor training etiquette and which stand now as classic means through which the performer discovers his or her true power of transformation. Available for the first time in fifteen years, the new expanded edition of Environmental Theater offers a new generation of theater artists the gospel according to Richard Schechner, the guru whose principles and influence have survived a quarter-century of reaction and debate.
