Syria's Peasantry, the Descendants of Its Lesser Rural Notables, and Their Politics Hanna Batatu,2012-09-17 In this book, the distinguished scholar Hanna Batatu presents a comprehensive analysis of the recent social, economic, and political evolution of Syria's peasantry, the segment of society from which the current holders of political power stem. Batatu focuses mainly on the twentieth century and, in particular, on the Ba`th movement, the structures of power after the military coup d'état of 1963, and the era of îvfiz al-Asad, Syria's first ruler of peasant extraction. Without seeking to prove any single theory about Syrian life, he offers a uniquely rich and detailed account of how power was transferred from one demographic group to another and how that power is maintained today. Batatu begins by examining social differences among Syria's peasants and the evolution of their mode of life and economic circumstances. He then scrutinizes the peasants' forms of consciousness, organization, and behavior in Ottoman and Mandate times and prior to the Ba`thists' rise to power. He explores the rural aspects of Ba`thism and shows that it was not a single force but a plurality of interrelated groups--prominent among them the descendants of the lesser rural notables--with different social goals and mental horizons. The book also provides a perceptive account of President Asad, his personality and conduct, and the characteristics and power structures of his regime. Batatu draws throughout on a wide range of socioeconomic and biographical information and on personal interviews with Syrian peasants and political leaders, offering invaluable insights into the complexities of a country and a regime that have long been poorly understood by outsiders.

The Book Of Remembrances Imam Yahya ibn Sharaf an-Nawawi,2014-01-01 The Book Of Remembrances [Kitab al-Adhkar] – By Imam Yahya ibn Sharaf an-Nawawi Kitab al-Adhkar is the definitive compilation of words of remembrance and glorification of (dhikr), and supplicatory prayer to (du'a), the Lord of the Universe, as related from His final Emissary, the Prophet Muhammad (may Allah bless and exalt him). Dhikr and du'a lie at the very heart of the din, the relationship between creature and Creator. As part of the Sunna or Prophetic Way, they are a divinely appointed means of approaching Allah Most High for all our needs, and of making use of all the moments of daily life to strengthen our tawhid, the existential and cognitive Unity that is the hallmark of Muslim spirituality. Also covered are the vital principles of speaking only what is good and avoiding the sins of the tongue. The author, Muhy al-Din Yahya ibn Sharaf al-Nawawi (631-676/123-1277) devoted his entire life to the pursuit of sacred knowledge. He is revered throughout the Sunni world as one of its greatest authorities. Among his most famous writings are the Arba'in, a collection of forty Hadiths; a commentary on the Sahih of Imam Muslim; and Kitab al-Adhkar. Designed as a reference guide and a source of inspiration, this volume presents a clear and elegant English translation of Imam al-Nawawis classic, together with the text of every single prayer and invocation, both in Arabic letters and in romanisation. Also included are all the authors statements about those Hadiths which he related personally from his own teachers, and his guidance on the correct spelling and meanings of rare words and names. Finally, al-Nawawi's comments on the sources of Hadiths are supplemented by further scholarly notes.

The Arch and the Butterfly Mohammed Achaari,2014-06-05 Winner of the prestigious International Prize for Arabic Fiction - The Arab Booker 2011. As he prepares to leave for work one morning, Youssef al-Firsiwi finds a mysterious letter under his door. In a single devastating line he learns that his only son, Yacine, whom he believed to be studying engineering in Paris, has been killed in Afghanistan fighting with the Islamist resistance. Yousif, the son of a cross-cultural marriage between his Moroccan father and German-born mother, is quickly caught up in a mesh of family tragedies that reflect the changing world he lives in. He turns for support to his friends Ahmad and Ibrahim, themselves enmeshed in ever more complex business and criminal dealings, and he struggles to reconnect with his father. With his world already shattered, and finding himself abandoned by his wife for another man, Yousif begins to question everything including his own values and identity.

The Translator's Invisibility Lawrence Venuti,2012-06-25 Since publication over ten years ago, The Translator's Invisibility has provoked debate and controversy within the field of translation and become a classic text. Providing a fascinating account of the history of translation from the seventeenth century to the present day, Venuti shows how fluency prevailed over other translation strategies to shape the canon of foreign literatures in English and investigates the cultural consequences of the receptor values which were simultaneously inscribed and masked in foreign texts during this period. The author locates alternative translation theories and practices in British, American and European cultures which aim to communicate linguistic and cultural differences instead of removing them. In this second edition of his work, Venuti: clarifies and further develops key terms and arguments responds to critical commentary on his argument incorporates new case studies that include: an eighteenth century translation of a French novel by a working class woman; Richard Burton's controversial translation of the Arabian Nights; modernist poetry translation; translations of Dostoevsky by the bestselling translators Richard Pevear and Larissa Volokhonsky; and translated crime fiction updates data on the current state of translation, including publishing statistics and translators' rates. The Translator's Invisibility will be essential reading for students of translation studies at all levels. Lawrence Venuti is Professor of English at Temple University, Philadelphia. He is a translation theorist and historian as well as a translator and his recent publications include: The Scandals of Translation: Towards an Ethics of Difference and The Translation Studies Reader, both published by Routledge.

Arabic-English Dictionary Hans Wehr,J. Milton Cowan,2020-06-14 This Dictionary of Modern Written Arabic (fourth edition) has been enlarged and amended with 13,000 new entries. It is the only authorized paperback edition of the famous Hans Wehr Arabic-English Dictionary, edited by J. Milton Cowan. This new edition has thousands of new entries include numerous additions and corrections to the material and presents the results in a single handsome volume.The author provides a useful introduction in which he discusses, clearly and precisely, the present state of the Arabic language. He points out the situations in which written and spoken varieties of Arabic are used, and remarks on the forces that influenced the development of the lexicon of Modern Arabic. He discusses both the purist movement with its normative tradition, and what might be called the laissez-faire actual usage of writers and journalists under the influence of Western modes of expression, of their everyday colloquial, or both. He then moves on to the problem of local terminology, especially for public institutions, offices, administrative matters, titles, and foods. Although such terms are included for most of the

Arab countries, the list is not complete, as indeed the author recognizes (viii); readers of Arabic material characterized by a distinct regional coloring are advised to refer to dialect dictionaries and glossaries.
