Allah Miroslav Volf,2011-02-08 From Miroslav Volf, one of the world's foremost Christian theologians—and co-teacher, along with Tony Blair, of a groundbreaking Yale University course on faith and globalization—comes Allah, a timely and provocative argument for a new pluralism between Muslims and Christians. In a penetrating exploration of every side of the issue, from New York Times headlines on terrorism to passages in the Koran and excerpts from the Gospels, Volf makes an unprecedented argument for effecting a unified understanding between Islam and Christianity. In the tradition of Seyyed Hossein Nasr's Islam in the Modern World, Volf's Allah is essential reading for students of the evolving political science of the twenty-first century.

Allah Made Everything Zain Bhikha,2019-06-03 Allah Made Everything, the song book, is based on the lyrics of the well-loved children's song by renowned singer and songwriter Zain Bhikha. The song was first released in 2015, and together with the hit video, has become one of the most popular Muslim children's songs across the world.

Who Is This Allah? G.J.O. Moshay,2008 Is Allah the God of the Bible? In any of the one hundred and fifty sects and sub-sects of Islam, the common denominator is Allah. Who is this Allah? Much has been written on the religion of Islam and its prophet; but not much is said about the god of the religion. One reason is the assumption that the god of Islam and the God of Christianity are one and the same. When, on September 11, 2001, some Muslims carried out a well-organized attack, destroying the The World Trade Center and damaging the Pentagon, a letter of last instruction from the leaders of the terrorist network was discovered. Written in Arabic, it says their mission was a service to God. Actually this was a mistranslation. The word the terrorists used is not the Arabic word for God but Allah. The Arabic word for God is Ilah. So they believed they were working for Allah, not God. Who is this Allah? Were these terrorists extremists, or were they serving the Allah of the Qur'an? The war against terrorism goes beyond overthrowing the Taliban regime in Afghanistan or even killing Osama bin Laden. The war on terror may not be won unless we understand the Allah the terrorists say inspires them. Not all Muslims are terrorists. But the terrorists' letter, which is quoted fully in chapter three, gives great insight into the Islamic religion and the motivation for religious terrorism in the world. Why have we shied away from probing the identity of the Allah of Islam? Possibly it is because if Allah is not the God of the Bible, it would force us to face many ugly facts. For example, if Allah is the true God, and the Qur'an, Islam's sacred book, is true, then Christians can be sure they are lost, no matter how zealous they may be. The reverse would also be true. It is necessary, therefore, to provide sufficient information to enable you to determine your own verdict, and answer the question: Who is this Allah? This book will do that.

Allah Loves Omar Suleiman,2020-04-21 To know that you are loved by God is one of the greatest gifts of faith.

Tripping with Allah Michael Muhammad Knight,2013-03-01 If Tripping with Allah is a road book, it's a road book in the tradition of 2001: A Space Odyssey, rather than On the Road. Amazonian shamanism meets Christianity meets West African religion meets Islam in this work of reflection and inward adventure. Knight, the "Hunter S. Thompson of Islamic literature" seeks reconciliation between his Muslim identity and his drinking of ayahuasca, a psychedelic tea that has been used in the Amazon for centuries. His experience becomes an opportunity to investigate complex issues of drugs, religion, and modernity. Though essential for readers interested in Islam or the growing popularity of ayahuasca, this book is truly about neither Islam nor ayahuasca. Tripping with Allah provides an accessible look into the construction of religion, the often artificial borders dividing these constructions, and the ways in which religion might change in an increasingly globalized world. Finally, Tripping with Allah not only explores Islam and drugs, but also Knight's own process of creativity and discovery.

Focusing primarily on visual representations of children from modern Turkey, Iran, and Pakistan, the book examines these materials to investigate concepts such as innocence, cuteness, gender, virtue, and devotion, as well as community, nationhood, violence, and sacrifice. In addition to exploring a subject that has never been studied comparatively before, Alef Is for Allah extends the boundaries of scholarship on emotion, religion, and visual culture and provides unique insight into Islam as it is lived and experienced in the modern world.

Manji writes, I'll show struggling Muslims how to embrace a third option: reforming ourselves. And she recounts many affecting stories from young people who have contacted her for advice on how to step out of limiting views of Islam and the restrictions they put on life, love, family, and careers.

Talk to Allah Ayesha Syahira, When was the last time we really poured our feelings out to Allah? **** We have been taught that the only time we can communicate with Allah is when we are making du'a to Him. Even then, it comes with a set of restrictive rules that puts a 'barrier' between Allah and us. The things we recite are verses that we were told to memorise, but rarely do we truly talk to Allah about the troubles that are weighing down our hearts. Because it feels awkward. Thus when we are down and sad, we seek other means for comforting ourselves, but often they offer only temporary respite. We forget that true comfort lies only with Allah. **** In this book, author Ayesha Syahira takes you on a journey of spiritual discovery; of reconnecting with Allah wholeheartedly. The author focuses on nurturing the lifestyle of talking to Allah; of finding comfort by making du'a to Him at any time of the day.
