

# Alex Y Fido

Siddappa N.Byrareddy

**Latin Music [2 volumes]** Ilan Stavans, 2014-07-29 This definitive two-volume encyclopedia of Latin music spans 5 centuries and 25 countries, showcasing musicians from Celia Cruz to Plácido Domingo and describing dozens of rhythms and essential themes. Eight years in the making, Latin Music: Musicians, Genres, and Themes is the definitive work on the topic, providing an unparalleled resource for students and scholars of music, Latino culture, Hispanic civilization, popular culture, and Latin American countries. Comprising work from nearly 50 contributors from Spain, Latin America, the Caribbean, and the United States, this two-volume work showcases how Latin music—regardless of its specific form or cultural origins—is the passionate expression of a people in constant dialogue with the world. The entries in this expansive encyclopedia range over topics as diverse as musical instruments, record cover art, festivals and celebrations, the institution of slavery, feminism, and patriotism. The music, traditions, and history of more than two dozen countries—such as Argentina, Brazil, Costa Rica, Cuba, El Salvador, Guatemala, Honduras, Mexico, Panama, Spain, and Venezuela—are detailed, allowing readers to see past common stereotypes and appreciate the many different forms of this broadly defined art form.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**African Americans and Popular Culture** Todd Boyd, 2008-10-30 The African American influence on popular culture is among the most sweeping and lasting this country has seen. Despite a history of institutionalized racism, black artists, entertainers, and entrepreneurs have had enormous impact on American popular culture. Pioneers such as Oscar Micheaux, Paul Robeson, Satchel Paige, Josh Gibson, Langston Hughes, Bill Bojangles Robinson, and Bessie Smith paved the way for Jackie Robinson, Nina Simone, James Baldwin, Bill Russell, Muhammad Ali, Sidney Poitier, and Bill Cosby, who in turn opened the door for Spike Lee, Dave Chappelle, Dr. Dre, Jay-Z, Tiger Woods, and Michael Jordan. Today, hip hop is the most powerful element of youth culture; white teenagers outnumber blacks as purchasers of rap music; black-themed movies are regularly successful at the box office, and black writers have been anthologized and canonized right alongside white ones. Though there are still many more miles to travel and much to overcome, this three-volume set considers the multifaceted influence of African Americans on popular culture, and sheds new light on the ways in which African American culture has come to be a fundamental and lasting part of America itself. To articulate the momentous impact African American popular culture has had upon the fabric of American society, these three volumes provide analyses from academics and experts across the country. They provide the most reliable, accurate, up-to-date, and comprehensive treatment of key topics, works, and themes in African American popular culture for a new generation of readers. The scope of the project is vast, including: popular historical movements like the Harlem Renaissance; the legacy of African American comedy; African Americans and the Olympics; African Americans and rock 'n roll; more contemporary articulations such as hip hop culture and black urban cinema; and much more. One goal of the project is to recuperate histories that have been perhaps forgotten or obscured to mainstream audiences and to demonstrate how African Americans are not only integral to American culture, but how they have always been purveyors of popular culture.

**Mi Latina** King Tremayne, 2021-12-07 Mi Latina: The Bloody Romance By: King Tremayne Mi Latina: The Bloody Romance is an extremely cautionary tale of a man named Steve Davis, born and raised in the U.S. murder capital: Chicago, Illinois. He decides to trade the rough life of Chicago's Northside ghetto, for a perceived family life in Colombia, only to fall madly in love (at first sight), with one Sonrisa Ciela Jerez, only to find she has a dreadfully sordid past that involves one of the most notoriously vindictive drug lords who may have ever walked the face of the earth. Steve quickly finds himself staunchly defending this woman, immediately starting a war with drug lord Vibora, in the first and only attempt to avenge the wrongs that the love of his life, Sonrisa, suffered at the hands of this monster.

**Youth Cultures in America [2 volumes]** Simon J. Bronner, Cindy Dell Clark, 2016-03-21 What are the components of youth cultures today? This encyclopedia examines the facets of youth cultures and brings them to the forefront. Although issues of youth culture are frequently cited in classrooms and public forums, most encyclopedias of childhood and youth are devoted to history, human development, and society. A limitation on the reference bookshelf is the restriction of youth to pre-adolescence, although issues of youth continue into young adulthood. This encyclopedia addresses an academic audience of professors and students in childhood studies, American studies, and culture studies. The authors span disciplines of psychology, sociology, anthropology, history, and folklore. The Encyclopedia of Youth Cultures in America addresses a need for historical, social, and cultural information on a wide array of youth groups. Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults. Widespread reports of bullying, school violence, dominance of athletics over academics, and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems.

**Billboard** ,2009-04-18 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
