**The Making of The Wizard of Oz** Aljean Harmetz, 2013-10-01 "Fantastic." Gore Vidal, New York Review of Books "Grand." Ray Bradbury, Los Angeles Times "Definitive." Salmon Rushdie, The New Yorker "A fluent, incisive and fair history of life in Hollywood during the golden age of films. The author seems to have talked to everyone with knowledge of what went on at MGM in its heyday. . . . Marvelous." Publishers Weekly From the ten scriptwriters at work to the scandal headlines of Munchkin orgies at the Culver City Hotel to the Witch's (accidental) burning, here is the real story of the making of The Wizard of Oz. This richly detailed re-creation brings alive a major Hollywood studio and reveals, through hundreds of interviews (with cameramen, screenwriters, costume designers, directors, producers, light technicians, and actors), how the factory-like Hollywood system of moviemaking miraculously produced one of the most enduring and best-loved films ever made. We watch it happen--the bright, idiosyncratic, wildly devoted MGM-ers inventing the lines, the songs; flying hordes of monkeys through the sky; growing a poppy field; building the Emerald City (and 60 other sets); designing and sewing the nearly 1,000 costumes; enduring the pressures from the front office; choosing the actors. Here is Oz, a marvelous, unprecedented experience of studio life as it was lived day by day, detail by detail, department by department, at the most powerful and flamboyant studio Hollywood has ever known--at its moment of greatest power. Aljean Harmetz is the author of *The Making of Casablanca*, *On the Road to Tara: The Making of Gone with the Wind*, and other books.

*The Making of Casablanca* Aljean Harmetz, 2002-10-23 ritically acclaimed when published in 1992 as *Round Up the Usual Suspects*, *The Making of Casablanca* offers the ultimate insider's look at the politics and personalities behind the most celebrated movie of all time-Casablanca. Updated and timed for the 60th anniversary (Thanksgiving Day, 1942) of this movie, this critically acclaimed book draws upon years of research, including access to Ingrid Bergman's personal acting diaries and the vast Warner Brothers archives, as well as interviews with many of those close to the film, including the late Paul Henreid, Lauren Bacall, and scriptwriters Howard Koch and Julius Epstein. Richly detailed and full of surprises, *The Making of Casablanca* debunks many cherished myths about the casting, script, story, and stars, to reveal the realities of the highly pressured Hollywood studio system during World War II.

**Off the Face of the Earth** Aljean Harmetz, 1998 Eight-year-old David Greene has already run away twice since his parents got divorced. The third time started out no differently--except this time, David doesn't return. The police are anxious to charge a local homeless man with his death, but David's mother is convinced he is alive. With the help of a maverick police officer, she discovers David's trail, and she's led down a harrowing path of clues.

don't give a damn, when the Production Code of the day forbade the use of expletives? The answers are found here, in photographs of Vivien Leigh in various wigs, in sketches for many different versions of Tara, in letters showing how Selznick threatened and cajoled the authorities for months over Rhett's famous line, and much, much more. On the Road to Tara brings to light prospective casting lists.

**Visualizing Belief and Piety in Iranian Shiism** Ingvild Flakerud, 2010-09-30 The representation of prophets and saints in Islam is erroneously considered nonexistent by many scholars of Islam, Muslims, and the general public. The issue is often dealt with superficially without attention to its deep roots in piety and religiosity. Visualizing Belief and Piety in Iranian Shiism offers new understanding of Islamic iconography and Muslim perspectives on the use of imageries in ritual contexts and devotional life. Combining iconographic and ethnographic approaches, Ingvild Flakerud introduces and analyzes imageries (tile-paintings, posters and wall-hangings), ritual contexts and interviews with male and female local viewers to discuss the representation, reception and function of imageries in contemporary Iranian Shia environments. This book presents the argument that images and decorative programmes have stimulating qualities to mentally evoke the saints in the minds of

devotees and inspire their recollection, transforming emotions and stimulating cultic behaviours. Visualization and seeing are significant to the dissemination of religious knowledge, the understanding of spiritual and ethical values, the promotion of personal piety, and functions as modes of venerating God and the saints.

**Staging a Comeback** Peter C. Kunze,2023-09-15 In the early 1980s, Walt Disney Productions was struggling, largely bolstered by the success of its theme parks. Within fifteen years, however, it had become one of the most powerful entertainment conglomerates in the world. *Staging a Comeback: Broadway, Hollywood, and the Disney Renaissance* argues that far from an executive feat, this impressive turnaround was accomplished in no small part by the storytellers recruited during this period. Drawing from archival research, interviews, and textual analysis, Peter C. Kunze examines how the hiring of theatrically trained talent into managerial and production positions reorganized the lagging animation division and revitalized its output. By *Aladdin*, it was clear that animation—not live action—was the center of a veritable “renaissance” at Disney, and the animated musicals driving this revival laid the groundwork for the company’s growth into Broadway theatrical production. The Disney Renaissance not only reinvigorated the Walt Disney Company but both reflects and influenced changes in Broadway and Hollywood more broadly.
