The Exodus You Almost Passed Over David Fohrman, 2021-02-18

*The Last Lecture* Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less

than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**Dying to Be Me** Anita Moorjani, 2022-03-08 THE NEW YORK TIMES BESTSELLER! I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. In *Dying to Be Me*, Anita Freely shares all she has learned about illness, healing, fear, being love, and the true magnificence of each and every human being!

*Agrippina - Volume 1 - The Trials of Agrippina* Claire Bretécher, 2016-01-13 T00:00:00+01:00 Agrippina, a wonderful prototype of the rebellious teenager, spends her time squabbling with her exasperated parents, determinately ignoring her infuriating brother, discussing the latest couplings with her girlfriends, studiously avoiding 'being normal', and falling madly in love with a different boy every two minutes. Quite simply hilarious.

**Don't Bug Me; I'm Reading** Bill York,2012-05-31 My cathedral is in an isolated wilderness, away from contemporary blight. After several years of marriage my wife describes me as odd. I prefer eccentric. She calls me a cheapskate. I am frugal. I also choose to be different; we put way too much emphasis on the words; Hall of Fame, legend, glamour, champion, celebrity, and famous. I may admire but never idolize, Heroes arent on golf courses nor in stadiums but in the uniforms of our firefighters, military and police officers. There are no idols in my life. Stars are to be revered only in the night sky, not in Hollywood. Rather than sit in a night-club involved in inane conversations I would rather see hummingbirds performing aerobatics, canoe a rogue river, watch a moose cavorting with her calf in a turbulent stream, see the Aurora Borealis fire streamers of color across a darkening sky, study undulating lines of snow geese, buffeted by lofty winds, honking their way to their mysterious destinations. There are yet unseen wonders in nature. My adventurous nature was established when I lived for a month on a Chipewyan reservation in Manitoba hunting seal and bear from a dog sled, using harpoons and bow and arrows, living the way of their ancestors. Frogs in a well have a limited view of the limitless sky. Beyond every horizon there is a horizon. I have canoed the Mackenzie River in Canadas Northwest Territory, the Churchill in Manitoba, Fraser River in British Columbia, the Deschutes in Oregon and the Wolverine in Nunavut. I lust to explore each wilderness on earth where overpopulation has not contaminated the environment. Time away from the fallacies of civilization is regenerative.

*"Bergmann's Team"* George G. Pinneo, 2004-03-02 Bergmann's Team continues Guy and Nita's effort to acquire a Human Team to assist Banderat and Striver engineers in diverting the comets threatening Earth. The core of their team: Guy, Nita and the Twins, demonstrate they can go EVA and perform well in space outside the Striver starship Dawn Star, surprising both Strivers and Banderat. They recruit NASA trained astronauts to join them; the Team moves up to Terra House aboard the starship for the interim, training before the comets reach Mars. Guy and the Twins rescue four young Banderat juveniles and put down a Banderat mutiny, freeing a captured Striver trooper, demonstrating Humans possess altruism and will fight when compelled. They augment their team and begin preparing Earth's governments for the oncoming comet storm. They make plans for post-comet business and plan for space tourism as one way to pay for routine access to orbital life and business.

**The Mind Is Like a Nuclear Weapon of Knowledge** David L. Cook, 2020-01-13 I wish the world could be so full of sunshine, joy, and happiness. I wish the world could be full of peace with itself. I wish there was no more killing, dying, diseases in the world. I wish that we could rid ourselves of these horrible, horrible catastrophes that affect us all. Cancer eats the blood out of our bodies and makes us look like skeletons. There's no hope, but we are doomed to death just like the world is doomed to destruction. Hate, hate, hate is everywhere. There is no love nowhere. If only we could start loving each other like God meant for it to be. I wonder how many of us get up in the morning and say “Good morning, neighbors! I love you.” None of us, 'cause we don't love ourselves.

**Shamanic Secrets for Material Mastery** Robert Shapiro, 2001-03-01 This book explores the heart and soul connection between humans and Mother Earth. Through that intimacy, miracles of healing and expanded awareness can flourish. To heal the planet and be healed as well, we can lovingly extend our energy selves out to the mountains and rivers and intimately bond with the Earth. Gestures and vision can activate our hearts to return us to a healthy, caring relationship with the land we live on. The character and essence of some of Earth's most powerful features is explored and understood, with exercises given to connect us to those places. As we project our love and healing energy there, we help the Earth to heal from man's destruction of the planet and its atmosphere. Dozens of photographs, maps and drawings assist the process in 25 chapters that cover the Earth's more critical locations.

THE JOURNEY Niama Leslie Williams, Ph.D., 2008-07-11 What does it mean to be young, Black, female, intelligent, gifted with second sight, on your way to a Ph.D. and in love for the first time? The Journey presents us with exactly this young woman. The pivotal question becomes is she sane and he deceitful, or has she lost her mind? The answer is both. Not an easy, cohesive ride, the narrative thread of an African American female mystic falling deeply in love with a white psychiatrist is complicated by a gently suggested history of abuse, graduate school, and the subtle racism of still largely white academia. The Journey strokes the American psyche from within a very personal story of love and vision: she is in love; he is not, but he leads her in a merry dance, never quite revealing what emotion lies behind his warm brown eyes.

*On Mission: The Story of a Filipina Missionary* EUR(tm)s Journey to Discover GodaEUR(tm)s Purpose Through Times of Joy and Pain Dr. Elsie Reyes Cook With Todd Cook, 2022-04-19 Though Elsie Reyes Cook has traveled throughout Asia as a missionary, served as a high-profile executive at CBN Asia, while also being sought-after church speaker and counselor-her early beginnings hardly promised such a life of ministry. As a painfully shy, awkward and insecure girl growing up in a humble Philippines provincial household, Elsie often preferred to remain quietly in the shadows. But upon becoming born again, she gradually acquired a boldness that surprised even her. Guided by Romans 8:28 as a life verse, Elsie has experienced amazing aEURoehighsaEUR (success in ministry and academia) as well as aEURoelowsaEUR (attacks from co-workers and physical attacks while in India). **Marius' Mules XIV: The Last Battle** S.J.A. Turney,2021-10-18 The war in Africa is over and the rebel cause hangs by a thread. With opposition to Caesar now led by Labienus and by Pompey's sons in Hispania, Caesar is one step from ending the civil war that has plagued Rome for years. Before the war can be pursued, though, Caesar has matters to attend to in Rome. And against a backdrop of glorious triumphs and civil friction, the general's old warhorse Marcus Falerius Fronto begins to uncover a series of events that may have a cause in common. Investigation, however, is sidelined as necessity finally draws everyone across the sea to the crucible of war once again. In Hispania the clouds gather, for though the rebels may have been pushed into a corner, they are far from beaten. With the great name of Pompey and the tactical genius of Labienus on their side, Caesar must fight hard to win the day. Fronto and his friends must give all they have now, for the prize for this campaign is the ultimate one: the republic itself.
