'God - there is no deity except Him, the Ever-living, the Sustainer of existence. He has sent down upon you, [O Muhammad], the book in truth ....as guidance for the people' [Quran 3:2-3] 'No person can afford to be ignorant of the Qur'an, for it is the constitution revealed by God (Allah) to regulate and govern human life. The Quran is divided into chapters (surah in Arabic), which are then divided into verses (ayah). Muslims believe that the Quran was verbally revealed by God to Muhammad through the angel Gabriel (Jibril), gradually over a period of approximately 23 years, beginning on 22 December 609 CE, when Prophet Muhammad SAW was 40, and concluding in 632, the year of his death. Muslims regard the Quran as the most important miracle of Prophet Muhammad SAW, a proof of his prophethood, and the culmination of a series of divine messages that started with the messages revealed to Prophet Adam (Pbuh) and ended with Prophet Muhammad SAW. The word Quran occurs some 70 times in the text of the Quran, although different names and words are also said to be references to the Quran. The Holy Qur'an ,2004 Contains a reprinting of the Muslim book of the Qur'an with the original Arabic text and the English translations in side-by-side columns.

The Holy Quran - English Meanings ,2023-01-09 The Qur'an was revealed to the Prophet Muhammad (pbuh) 1400 years ago. It is the supreme authority in Islam and the source of all Islamic teaching; it is a sacred text and a book of guidance that sets out the creed, rituals, ethics, and laws of the Islamic religion. It has been one of the most influential books in the history of literature. Recognized as the greatest literary masterpiece in Arabic, it has nevertheless remained difficult to understand in its English translations. This is a modern translation that was undertaken by three American women converts to Islam, Emily Assami, Amatullah Bantley and Mary Kennedy. Originally produced in 1997, this translation of the Holy Qur'an has received wide acclaim and respect for accurately reflecting Arabic meanings. Simple language and attention to detail have made this a superior English translation. The main objectives that served as guidelines for this translation were: To present correct meanings, as far as possible, in accordance with the Aqeedah of Ahl as-Sunnah wal-Jamaah To simplify and clarify the language for the benefit of all readers To let the Qur'an speak for itself, adding footnotes only where deemed necessary for explanation of points not readily understood or when more than one meaning is acceptable This Edition consists of the English Translated Text only. **The Holy** Daniel Quinn, 2011-03-01 They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters. They've obligingly taken any role we've assigned them, and, while needing nothing from us, have accepted whatever we thought was their due – love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment. Holy Quran, The English Translation With Original Arabic Text Abdullah Yusuf Ali, 1934

*English Translation of the Holy Quran* Maulana Muhammad Ali, 2011-01-19 Language updated and notes abridged by the Editor. The English translation of the Holy Quran with extensive explanatory footnotes, by Maulana Muhammad Ali (d. 1951), was first published in 1917. Due to changes in the usage and teaching of English in the second half of the twentieth century, such a reader today is much less familiar with certain forms and styles of literary expression used in the translation than was the case with previous generations. To bring the language closer to the general readership, it became necessary to replace some expressions by more modern forms. This has been my aim in producing the present updated version of the translation.

*The Holy Quran* Abdullah Yusuf Ali, 2023-05 The Holy Quran, translated by Abdullah Yusuf Ali, is a widely popular edition renowned for its high-quality English translation. This sacred book of Islam is believed to be the word of God, revealed to Prophet Muhammad over a period of 23 years through the angel Gabriel. While it was initially committed to memory by his companions, literate believers made written copies during the Prophet's lifetime. The first full compilation of the Quran was done by the first Caliph Abu Bakar, and later recompiled in the original dialect by the third Caliph Uthman. Muslims believe that the truth of the Quran is fully revealed only in classical Arabic. However, with the growing influence of Islam in the modern world, translations play an important role in introducing and explaining the religion to a wider audience. This particular translation by Abdullah Yusuf Ali is considered the most faithful rendering of the Quran in English.
