Surrender to a Stranger Karyn Monk,2006-06-13 From Karyn Monk, author of *The Witch and the Warrior* and *Once a Warrior*, comes an enthralling love story that is as passionate as it is suspenseful.... She trusted him with her life.... Sentenced to death, Jacqueline never expected to be rescued from her filthy cell by an unlikely visitor--a man whose disguise hid a devastatingly handsome British agent. Now the two were on the run--and for as long as he was there to protect her, she felt strangely safe.... But could she trust him with her heart? They called him the Black Prince, and to save the unjustly condemned he took hair-raising risks, slipping in and out of courtrooms and prisons, brazenly defying the threat of capture and death. The reckless spy tried to tell himself that Jacqueline was just another prisoner to be spirited away to safety. Yet there was something about her fierce dignity, her unrelenting sense of honor, her unbreakable spirit that made him never want to let her go.... HE RISKED HIS LIFE TO SAVE HERS.... She thought she was about to die when her family's farm came under attack. Instead, a handsome stranger rode to her rescue and took a bullet to save her. But when the bloodshed and terror were over,Josephine Armstrong discovered that the man she owed her life to was a British soldier. She could not betray Lt. Col. Damien Powell -- not after what he'd done for her. But she would pay dearly for harboring the enemy, forced to prove her patriotism by becoming the rebels' most beautiful spy.... BUT WOULD SHE GIVE HIM HER HEART IN RETURN? When he saw the lovely young woman struggling with her captor, Damien didn't care which side of the bloody war she was on. He only knew that he had never seen such an incredible mixture of extraordinary beauty and raw courage in his life. Yet Damien couldn't know that one day this innocent farm girl was destined to betray him. She would become Charles Town's most irresistible spy, dazzling officers with her charms even as she stripped them of strategic secrets. But when a twist of fate brings Josephine back into his life again, Damien will gamble everything on the chance that he can make this exquisite rebel surrender...if only in his arms. -->

Women Street Photographers Gulnara Samoilova,2021-03-02 With a rising number of women throughout the world picking up their cameras and capturing their surroundings, this book explores the work of 100 women and the experiences behind their greatest images. Traditionally a male-dominated field, street photography is increasingly becoming the domain of women. This fantastic collection of images reflects that shift, showcasing 100 contemporary women street photographers working around the world today, accompanied by personal statements about their work. Various joyful, unsettling and unexpected, the photographs capture a wide range of extraordinary moments. The volume is curated by Gulnara Samoilova, founder of the Women Street Photographers project: a website, social media platform and annual exhibition. Photographer Melissa Breyer's introductory essay explores how the genre has intersected with gender throughout history, looking at how cultural changes in gender roles have overlapped with technological developments in the camera to allow key historical figures to emerge. Her text is complemented by a foreword by renowned photojournalist Ami Vitale, whose career as a war photographer and, later, global travels with National Geographic have allowed a unique insight into the realities of working as a woman photographer in different countries. In turns intimate and candid, the photographs featured in this book offer a kaleidoscopic glimpse of what happens when women across the world are behind the camera.

Humor Scholarship Don Lee Fred Nilsen,1993-02-22 The serious study of humor has burgeoned in the last two decades, spawning a wealth of publications touching upon an array of topics crossing national, cultural, and disciplinary lines. This research bibliography captures the vibrancy and significance of the field of humor studies while documenting its output. Organized into ten broad chapters reflecting types of humor and topics of humor research, it provides extensive bibliographies on forty-five fields of humor study, each introduced by an essay outlining trends and pointing to major findings. An appendix of humor research institutes, journals, scholars and academic programs as well as a subject and author index to the thousands of sources complete the volume. Intended largely for library use by scholars and students in humor studies, the volume's topical essays are valuable for text use in related courses; the work's extensive bibliographies will foster research in diverse fields with a focus on humor.

Inherit the Dust Nick Brandt,2015 Three years after the conclusion of his trilogy, *On This Earth*, *A Shadow Falls Across the Ravaged Land*, Nick Brandt returns to East Africa to photograph the escalating changes to the continent's natural world. In a series of epic panoramas, Brandt records the impact of man in places where animals used to roam, but no longer do. In each location, Brandt erects a life size panel of one of his animal portrait photographs, setting the panels within a world of explosive urban development, factories, wasteland and quarries. The people within the photographs are oblivious to the presence of the panels and the animals featured in them, who are now no more than ghosts in the landscape. Some of the animals in the panels appear to be looking out at these destroyed landscapes with sadness, as if lamenting the loss of the world they once inhabited. By the end, we see that it is not just the animals who are the victims in this out of control world, but also the humans. *Inherit the Dust* also includes plates of the original portraits of the animals that are featured in the life-size panels, the unique emotional animal portraiture for which Brandt is recognized. There are also two essays by the artist: a text about the crisis facing the conservation of the natural world in East Africa, and behind-the-scenes descriptions of Brandt's elaborate production process, with accompanying documentary photographs.
