For past and future fans, Ani is living proof that you can overcome all personal and internal obstacles to be who you are and to follow your dreams.

No Walls and the Recurring Dream Ani DiFranco, 2020-05-05 A memoir by the celebrated singer-songwriter and social activist Ani DiFranco In her memoir, *No Walls and the Recurring Dream*, Ani DiFranco recounts her early life from a place of hard-won wisdom, combining personal expression, the power of music, feminism, political activism, storytelling, philanthropy, entrepreneurship, and much more into an inspiring whole. In these frank, honest, passionate, and often funny pages is the tale of one woman's eventful and radical journey to the age of thirty. Ani's coming of age story is defined by her ethos of fierce independence--from being an emancipated minor sleeping in a Buffalo bus station, to unwaveringly building a career through appearances at small clubs and festivals, to releasing her first album at the age of 18, to consciously rejecting the mainstream recording industry and creating her own label, Righteous Babe Records. In these pages, as in life, she never hesitates to question established rules and expectations, maintaining a level of artistic integrity that has inspired and challenged more than a few. Ani continues to be a major touring and recording artist as well as a celebrated activist and feminist, standing as living proof that you can overcome all personal and societal obstacles to be who you are and to follow your

dreams.

Flight to Bern Village Jaron Osiar, 2021-02-06 While a war rages in space, a revolutionary group of humans, shapeshifters, and telepaths gather to prove their races can live together in peace. They believe in peace enough to erase their memories and begin a primitive city on a secluded planet, Vastus. Generations later, conflicts on Vastus force people to flee their city. Meanwhile, a few Peace Bringers arrive on a broken-down space station to observe the inhabitants on Vastus. What they see is anything but encouraging, and they must deal with problems of their own. Vastus Station is falling apart, and the relationships between the occupants are equally precarious.
