Sometimes, though, the learning curve can seem a little steep. But it doesn't have to! Android Phones For Seniors For Dummies is your one-stop guide to discovering the essentials on how to take charge of your Android-powered phone. It skips the techspeak and confusing jargon to deliver key information in a straightforward and reader-friendly way. With this book, you'll learn to: Navigate your way around your smartphone so you can easily open and close apps, access info, and see photos Read your email and messages so you can stay in touch with the important people in your life Secure your phone so you can be assured that you, and only you, can access the sensitive data on it Printed using larger-print type and accompanied by full-color pictures that show you how to apply the step-by-step instructions, this easy handbook is the only resource you'll need to make the most of your Android phone.

▣ *Android Recipes* Dave Smith,Jeff Friesen,2013-01-30 Android continues to be one of the leading mobile OS and development platforms driving today's mobile innovations and the apps ecosystem. Android appears complex, but offers a variety of organized development kits to those coming into Android with differing programming language skill sets. Android Recipes: A Problem-Solution Approach, Second Edition offers more than 100 down-to-earth code recipes, and guides you step-by-step through a wide range of useful topics using complete and real-world working code examples. It's updated to include the Jelly Bean Android SDK as well as earlier releases. Instead of abstract descriptions of complex concepts, in Android Recipes, you'll find live code examples. When you start a new project, you can consider copying and pasting the code and configuration files from this book, then modifying them for your own customization needs. Crammed with insightful instruction and helpful examples, this second edition of Android Recipes is your guide to writing apps for one of today's hottest mobile platforms. It offers

pragmatic advice that will help you get the job done quickly and well. This can save you a great deal of work over creating a project from scratch!
