Letterman Jason Zinoman,2017-04-11 New York Times comedy critic Jason Zinoman delivers the definitive story of the life and artistic legacy of David Letterman, the greatest television talk show host of all time and the signature comedic voice of a generation. In a career spanning more than thirty years, David Letterman redefined the modern talk show with an ironic comic style that transcended traditional television. While he remains one of the most famous stars in America, he is a remote, even reclusive, figure whose career is widely misunderstood. In Letterman, Jason Zinoman, the first comedy critic in the history of the New York Times, mixes groundbreaking reporting with unprecedented access and probing critical analysis to explain the unique entertainer’s titanic legacy. Moving from his early days in Indiana to his retirement, Zinoman goes behind the scenes of Letterman’s television career to illuminate the origins of his revolutionary comedy, its overlooked influences, and how his work intersects with and reveals his famously eccentric personality. Zinoman argues that Letterman had three great artistic periods, each distinct and part of his evolution. As he examines key broadcasting moments—Stupid Pet Tricks and other captivating segments that defined Late Night with David Letterman—he illuminates Letterman’s relationship to his writers, and in particular, the show’s co-creator, Merrill Markoe, with whom Letterman shared a long professional and personal connection. To understand popular culture today, it’s necessary to understand David Letterman. With this revealing biography, Zinoman offers a perceptive analysis of the man and the artist whose ironic voice and caustic meta-humor was critical to an entire generation of comedians and viewers—and whose singular style ushered in new tropes that have become clichés in comedy today.

This Land Was Made for You and Me (But Mostly Me) Bruce McCall,David Letterman,2013-11-05 The billionaire Russian “oilgarch” whose replica of Czar Alexander II’s yacht plies a vast man-made Crimean lake, brimming not with water but billions of gallons of petroleum from his own pipeline... The packaged-suttee mogul Sir Sith Ram Pramba, who sliced the top off Mount Everest and installed it on his terrace atop a Park Avenue apartment building... The heir to a California railroad spike fortune who uses a private cross-country tunnel, assembled from giant redwoods laid end to end, for 120-mph runs in cars from his exotic équipe between San Francisco and New York... The vast Montana lodge where Gulfstreams land in the living room and an ex-CIA drone ferries fresh casks of Côtes du Rhône along the three-mile route between the wine cellar and the dining hall... The unsinkable forty-room polystyrene iceberg cum floating vacation retreat where Claude Ste. Nervous, the Quebec Styrofoam king, cruises the Arctic Ocean in high summer and, riding on his tamed polar bear, hunts for baby seals... These and dozens more of that new breed of swashbuckling post-millennial Midases dedicated to self-indulgent fun—whatever the cost in money, ecological mayhem, environmental devastation, and other such nuisances—are celebrated in *This Land Was Made for You and Me (but Mostly Me)*, this lavishly illustrated chronicle that nobody expected or even wanted, but that Bruce McCall and David Letterman went ahead and created anyway.

A Note Of Madness Tabitha Suzuma,2011-12-31 Life as a student is good for Flynn. As one of the top pianists at the Royal College of Music, he has been put forward for an important concert, the opportunity of a lifetime.But beneath the surface, things are changing. On a good day he feels full of energy and life, but on a bad day being alive is worse than being dead. Sometimes he wants to compose and practise all night, at other times he can't get out of bed. His flatmate Harry tries to understand but is increasingly confused by Flynn's erratic mood swings. His friend Jennah tries to help, but Flynn finds it difficult to be around her as he struggles to control his feelings and behaviour. With the pressure of the forthcoming concert and the growing concern of his family and friends, emotions come to a head. Sometimes things can only get worse before they get better.
