HELP! I Have A Brain Injury And It Feels Like I've Dropped Out of the Sky Kay Pratt, C.E.A.P., C.P.C.C.,2017-09-05 WHAT do you know about brain injury? How does it happen? How does it affect one's life? What does it feel like? How long does it take to recover from a Traumatic Brain Injury? Will a survivor ever be the same again? WHAT are your beliefs about the future of someone who's sustained a Traumatic Brain Injury? The answers to these questions are as broad and unique as the individual's who have sustained brain injuries. “In my own experience as a TBI survivor, I have come to understand that the degree to which we recover can be measured not only by our physical reality, but, by our personal and caregiver's belief systems; after all, if, we are cognitively and physically able, what we believe, shapes our every outcome!” Kay Pratt. In this Book, TBI survivors share the answers to these questions and more through the voice of their experience. It is with sincere hope that by doing so, your understanding and beliefs about brain-injured individuals will be broadened and your perspectives enlightened.

Best iPad Apps Peter Meyers,2010-12-08 What really wows iPad fans is when their touchscreen does what's impossible on other gadgets: the finger-painting app that turns a cross-country flight into a moving art class, the mini music studio (two-dozen instruments strong, each with motion-induced warble effects), and the portable fireworks display that you sculpt by swiping. Problem is, with tens of thousands of apps available for your iPad, who knows what to download? You can try to sort through a gazillion customer reviews with a mix of 5- and 1-star ratings, but that's a head-hurting time-waster. The stakes are getting higher, too: instead of freebies and 99-cent trinkets, the price of iPad apps is steadily creeping up and beyond their iPhone predecessors. Best iPad Apps guides you to the hidden treasures in the App Store's crowded aisles. Author Peter Meyers stress-tested thousands of options to put together this irresistible, page-turner of a catalog. Inside these pages, you'll find apps as magical as the iPad itself. Flip through the book for app suggestions, or head directly to one of several categories we've loaded up with best of selections to help you: Get work done Manipulate photos Make movies Create comics Browse the Web better Take notes Outline ideas Track your health Explore the world No matter how you use your iPad, Best iPad Apps will help you find the real gems among the rubble -- so you make the most of your glossy gadget.
