United States History 1912-Present Interactive Flashcards Book The Editors of REA,2013-01-01 REA's Interactive Flashcard books represent a novel approach which combines the merits of flash cards with the ease of using a book. One side of each page includes questions to be answered, with space for writing in one's answers — a feature not usually found on flash cards. The flip side of the same page contains the correct answers, much as flash cards do. United States History 1912-Present is fully indexed making it easy to locate topics for study. Thanks to the book form, there is no need to look for and fish out appropriate questions from a box and put them back in the proper order, and there is no need to carry around a box of 1,000 flash cards. The book is easier to take along and carry.

Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time

Army Leadership Department of the Army,2012-09-15 Competent leaders of character are necessary for the Army to meet the challenges in the dangerous and complex security environment we face. As the keystone leadership manual for the United States Army, FM 6-22 establishes leadership doctrine, the fundamental principles by which Army leaders act to accomplish their mission and care for their people. FM 6-22 applies to officers, warrant officers, noncommissioned officers, and enlisted Soldiers of all Army components, and to Army civilians. From Soldiers in basic training to newly commissioned officers, new leaders learn how to lead with this manual as a basis. FM 6-22 is prepared under the direction of the Army Chief of Staff. It defines leadership, leadership roles and requirements, and how to develop leadership within the Army. It outlines the levels of leadership as direct, organizational, and strategic, and describes how to lead successfully at each level. It establishes and describes the core leader competencies that facilitate focused feedback, education, training, and development across all leadership levels. It reiterates the Army Values. FM 6-22 defines how the Warrior Ethos is an integral part of every Soldier's life. It incorporates the leadership qualities of self-awareness and adaptability and describes their critical impact on acquiring additional knowledge and improving in the core leader competencies while operating in constantly changing operational environments. In line with evolving Army doctrine, FM 6-22 directly supports the Army's capstone manuals, FM 1 and FM 3-0, as well as keystone manuals such as FM 5-0, FM 6-0, and FM 7-0. FM 6-22 connects Army doctrine to joint doctrine as expressed in the relevant joint doctrinal publications, JP 1 and JP 3-0. As outlined in FM 1, the Army uses the shorthand expression of BE-KNOW-DO to concentrate on key factors of leadership. What leaders DO emerges from who they are (BE) and what they KNOW. Leaders are prepared throughout their lifetimes with respect to BE-KNOW-DO so they will be able to act at a moment's notice and provide leadership for whatever challenge they may face. FM 6-22 expands on the principles in FM 1 and describes the character attributes and core competencies required of contemporary leaders. Character is based on the attributes central to a leader's make-up, and competence comes from how character combines with knowledge, skills, and behaviors to result in leadership. Inextricably linked to the inherent qualities of the Army leader, the concept of BE-KNOW-DO represents specified elements of character, knowledge, and behavior described here in FM 6-22.
