What the Army Needs to Know to Align Its Operational and Institutional Activities Frank Camm, Cynthia R. Cook, Ralph Masi, Anny Wong, 2007-01-24

The Army must transform its institutional activities to align them with operating forces to improve support and release resources from institutional activities. This document provides a model for evaluating value chains to promote the alignment of needs and resources according to three representational institutional Army activities: medical services, enlisted accessioning, and short-term acquisition.
