🔍 **ASTROLOGY** KEVIN BURK,2001 In Astrology: Understanding the Birth Chart, Kevin Burk takes you step-by-step from the core basics to the finer complexities of chart interpretation while avoiding sidetracks into obscure techniques and fuzzy thinking. As a teacher, Burk also understands that a real grasp of the subject entails more than just learning the techniques—it also involves grasping the underlying principles that make those techniques valid. Astrology: Understanding the Birth Chart is designed to be useful to all students of astrology, from beginners to more advanced practitioners, and will help you develop an integrated, synthesized approach to understanding the birth chart. You will discover how classical astrology can enrich your understanding of the planets, signs, and houses. You will explore the meaning of the lunar nodes, eclipses, the angles, retrograde planets, and aspect patterns. You will also learn how to identify key themes in the chart, and how to relate the different aspects and elements together to gain a holistic understanding of the birth chart—and of the individual. An up-to-date listing of astrological organizations and software programs is included that offers a wealth of resources for any astrologer. In short, this is a well-designed course that provides a solid foundation for anyone who is interested in practicing astrology quickly and with confidence. While many books at this level simply give you a set of techniques and ready-made interpretations, this book will give you a deeper grasp of an art and science that has its expression in the world around us, but its roots in the invisible world of primal origins.

🔍 **Horary Astrology** Petros Eleftheriadis,2019-03-20 Horary astrology is a fascinating and exacting technique, and here is the perfect book to hone your skills. Author Petros Eleftheriadis presents over fifty valid charts taken from his client files which demonstrate, in clear steps, how to reach an answer. He stresses the importance of starting with the correct question; for instance, he doesn't accept 'Should I?' questions, saying 'Astrology charts cannot possibly show something that will never materialize, something that will never become reality, so they cannot show how your life would be, had you made another decision.' So rather than asking whether you will win the lottery if you buy a ticket, the correct action would be to buy the ticket then ask if you will win. Ideal for students and professionals with some knowledge of horary astrology.

🔍 **THE ASTROLOGY OF RELATIONSHIP** Michael R. Meyer,2000-01-20 Of all the branches of astrology, it is probably synastry – the technique of comparing the birth charts of two or more persons – that most fascinates those who practice astrology today. This is the first book to deal thoroughly with the basic purpose and techniques of chart comparison in clear, contemporary terms. Going beyond the simplistic popular methods which compare only sun signs, Michael Meyer's humanistic approach to synastry offers a responsible tool for understanding the mutually constructive aspects of any relationship. The Astrology of Relationship introduces the concept of relationship with a brief overview of its place in traditional astrological practice and its relation to certain Eastern philosophical concepts. Explaining the significance of planets, houses and signs in determining personal compatibility, Meyer offers a step-by-step technique for chart comparison, including full instructions for casting and interpreting zodiacal contact, house contact, and composite charts. To demonstrate the methods described, the book concludes with synastric analyses of three important relationships in history: Sigmund Freud and Carl Jung; George Sand and Frederic Chopin; and founders of the Theosophical Society, Madame Blavatsky and Henry Olcott. Michael R. Meyer is the author of A Handbook for the Humanistic Astrologer and The Astrology of Change: Horary Astrology and its Humanistic Applications.
