**Gehrig and the Babe** Tony Castro,2018-04-01 The legendary achievements of Babe Ruth and Lou Gehrig are undeniable hallmarks of baseball history. Much has been written about the two men as teammates, but Ruth and Gehrig's relationship away from the field is rarely, if ever, explored. In *Gehrig and the Babe*, Tony Castro portrays Ruth and Gehrig for what they were: American icons who were remarkably different men. For the first time, readers will learn about a friendship driven apart, an enduring feud which wove its way in and out of their Yankees glory years and chilled their interactions until July 4, 1939—Lou Gehrig Day at Yankee Stadium—when Gehrig's famous farewell address thawed out their stone silence.

**Feeding You Lies** Vani Hari,2020-02-18 This follow-up to New York Times bestseller *The Food Babe Way* exposes the lies we've been told about our food--and takes readers on a journey to find healthy options. There's so much confusion about what to eat. Are you jumping from diet to diet and nothing seems to work? Are you sick of seeing contradictory health advice from experts? Just like the tobacco industry lied to us about the dangers of cigarettes, the same untruths, cover-ups, and deceptive practices are occurring in the food industry. Vani Hari, aka The Food Babe, blows the lid off the lies we've been fed about the food we eat--lies about its nutrient value, effects on our health, label information, and even the very science we base our food choices on. You'll discover: • How nutrition research is manipulated by food company funded experts • How to spot fake news generated by Big Food • The tricks food companies use to make their food addictive • Why labels like all natural and non-GMO aren't what they seem and how to identify the healthiest food • Food marketing hoaxes that persuade us into buying junk food disguised as health food Vani guides you through a 48-hour Toxin Takedown to rid your pantry, and your body, of harmful chemicals--a quick and easy plan that anyone can do. A blueprint for living your life without preservatives, artificial sweeteners, additives, food dyes, or fillers, eating foods that truly nourish you and support your health, *Feeding You Lies* is the first step on a new path of truth in eating--and a journey to your best health ever.

**Baby Babe** Ana Carrete,2012-11-01 The first time I heard Ana's writing was 2 years ago. In November of 2010, I read at the 'Ear Eater' reading series in Chicago. Ana was another reader. She was reading via Skype. There were a lot of people at the reading. After I read, I walked out of the room and stood in a hallway, staring at the floor. After a few difficult conversations with people in the hallway, I heard the host of the reading talking to someone on the computer. It was Ana. Ana started reading. I laughed a lot and enjoyed her reading. Seemed like other people weren't enjoying it as much as me but I was enjoying it a lot. I stood in the hallway laughing and shaking my head 'Yes' and people looked at me. I kept thinking, 'I want to go into the room and watch her face reading' but then I would think, 'No, don't do that, just listen.' Not sure why I kept telling myself not to go into the room where she was reading but I stood in the hallway and listened and enjoyed it a lot. Two years later, Ana emailed me Baby Babe. I opened the PDF just to skim a few poems but then I read the whole book. When I was done reading the book, I thought, 'I'll be glad to have this book so I can look at it whenever I want.' -- Sam Pink

**You and Me, Babe** Chuck Barris,2005-06-15 Published to acclaim in 1974—and substantially rewritten and expanded in this new edition—*You and Me, Babe* was the New York Times best-seller that launched Chuck Barris's career as a top-selling author. But unlike his later books (*Confessions of a Dangerous Mind*, *Bad Grass Never Dies*), *You and Me, Babe* is the irresistible combination of a truly affecting love story motored by Barris's classic brand of unique humor. Set in 1960s New York City, the novel centers on Tommy, a blue-collar schemer, who sets out to marry Sammy, an opinionated but dysfunctional young heiress with enough smarts to stand up to his shenanigans, though not enough to see his true motives. Her parents, however, see all too clearly, and when Tommy and Sammy announce their intention to marry, the family disinherits their firebrand daughter. Not to worry: Tommy has fallen in love with Sammy in the meantime, and the couple's fortune and fame all on their own becomes the source for this winning, and ultimately moving, New York tale.
