The Baker's Touch Lynn Chantale,2021-10 Valentine's is always a busy time of year for PB and J Bakery. With love fueling the need for sweet confections, there's always room for romance. Even the anonymous gifts left for Penelope, by a secret admirer, are a welcome distraction from the chaos of chocolate and spongecake. Penelope Bishop has an idea who's sending the gifts, or at least she hopes it's her sexy mystery man who stole a kiss on New Year's Eve. The trouble is, she's never seen him. Her only clues are dancing skills, a great pair of lips, and a sensual voice that haunts her dreams and every waking fantasy. All that pales when her assistant, Avery, inspires those same lustful thoughts. Avery has loved Penelope from afar, but with her recent breakup, he doubts she'll view him beyond the current role he has in her life...seeing eye person. He has one chance to woo a woman who defines her world through touch, scent, sound, and taste--think outside the dating box. When an old flame comes courting and makes Penelope an offer she just may accept, Avery has one last opportunity to make her his Valentine...he'll have to bare all.

Sweet Valentine S.A. Clayton,2021-02-04 Valentina loves owning her own bakery and making her customers smile. But being her own boss means spending every waking hour working and leaves little time for anything else. No matter, finding a man to stand by her side was never in her plans—at least not anymore. But when a handsome man walks into her shop, stealing her breath, everything changes. Noah was content teaching his second-grade class and devoting all of his time to his students.

Until he steps into Val's Sweet Treats, and his whole world turns upside down. What is it about Val that draws him? Is it her compassion for her customers? Her ability to create such mouth-watering treats? Or is it the fact that she wants nothing to do with him? Regardless, now that he's seen her, he will stop at nothing to get her attention. But everyone has a past, and when theirs start to creep back into their lives, will they be able to weather the storm? Or will their relationship crumble into pieces...

A Hand on Their Shoulder - The Special Love Story at Marbridge Ranch Mary Mae Hartley, 1989-03

An American Girl Based on a true story S. Naomi Main, 2024-01-19 Sharon Sholl is an ordinary girl growing up in America. She meets an ordinary young man, Mark Main, two weeks before her sixteenth birthday, who blows to pieces her little world, she says of him. An American Girl is a relational journey, which, no matter how you look at it, is a love story. Sharon's love story is about her extraordinary life with Mark whom she met in 1968, four weeks before he was to leave for Vietnam. From the moment she was born, she also traveled a relational journey with the God of the universe, the Creator God. She didn't pursue that relationship seriously until in her early forties, she and Mark came to a point in their marriage when it seemed as though they had hit rock bottom. Sharon presents the beautiful, the distressing, and the unattractive of her journey of nearly seventy years. Perhaps as you read about this ordinary American girl, you will identify with some of the challenges but mostly with the joys one encounters in this life on earth, joys that are available to all.

Valentine's Day Miriam Nerlove, 1992 A brief history of Valentine's Day is followed by a girl's account of her celebrations

at preschool and at home.

He desperately wants to live up to the glowing opinion his grandmother holds of him, so he's never even told her he's gay. And now there's this guy from the party who makes him wish he could just be who he is--a man who likes women's clothing, loves to bake, and thinks everything's better with cupcakes. The Heartbreak Bakery A. R. Capetta, 2021-10-12 Teenage baker Syd sends ripples of heartbreak through Austin's queer community when a batch of post-being-dumped brownies turns out to be magical—and makes everyone who eats them break up. “What’s done is done.” Unless, of course, it was done by my brownies. Then it’s getting undone. Syd (no pronouns, please) has always dealt with big, hard-to-talk-about things by baking. Being dumped is no different, except now Syd is baking at the Proud Muffin, a queer bakery and community space in Austin. And everyone who eats Syd’s breakup brownies . . . breaks up. Even Vin and Alec, who own the Proud Muffin. And their breakup might take the bakery down with it. Being dumped is one thing; causing ripples of queer heartbreak through the community is another. But the cute bike delivery person, Harley (he or they, check the pronoun pin, it’s probably on the messenger bag), believes Syd about the magic baking. And Harley believes Syd’s magical baking can fix things, too—one recipe at a time.
