The Violet Bakery Cookbook Claire Ptak,2015-09-29 A design-forward cookbook for sweet and savory baked goods from London's popular Violet Bakery that focuses on quality ingredients, seasonality, and taste (as opposed to science) as the keys to creating satisfying, delightful homemade pastries, tarts, sweets, and more. Violet is a jewel box of a cake shop and café in Hackney, east London. The baking is done with simple ingredients including whole grain flours, less refined sugars, and the natural sweetness and nuanced hues of seasonal fruits. Everything is made in an open kitchen for people to see. Famed for its exquisite baked goods, Violet has become a destination. Owner Claire Ptak uses her Californian sensibility to create recipes that are both nourishing and indulgent. With a careful eye to taste and using the purest ingredients, she has created the most flavorful iterations of classic cakes, as well as new treats for modern palates. Over 100 recipes include nourishing breakfasts, midday snacks, desserts to share, fruit preserves, and stylish celebration cakes. This book is about making baking worth it: simple to cook and satisfying to eat.

Loaves of Love Beth Wiseman,2019-10-01 As the only girl in a family of eight, Katie Swartzentruber has been left in charge of her family's bakery while her mother recuperates from surgery. At first, Katie doesn't think tending to the bakery alone will be difficult. She's worked alongside her mother for years. But Christmas is coming, and with the holiday comes a flood of patrons, both regulars and tourists. When Katie becomes overwhelmed with the orders she is receiving, she is tempted to move her Old Order family into the modern world by purchasing propane ovens to help with the workload. She finds help from an unexpected source—childhood friend Henry Hershberger, who has harbored a secret crush on Katie for years. He's been afraid to tell her how he feels, but he's sure that this Christmas is his moment. As the demands of the bakery only get more intense, both Katie and Henry have to decide what really matters . . . and find the courage within themselves to go after it.

Tartine Bread Chad Robertson,2013-10-29 The Tartine Way — Not all bread is created equal The Bread Book ...the most beautiful bread book yet published... -- The New York Times, December 7, 2010 Tartine — A bread bible for the home or professional bread-maker, this is the book! It comes from Chad Robertson, a man many consider to be the best bread baker in the United States, and co-owner of San Francisco's Tartine Bakery. At 5 P.M., Chad Robertson's rugged, magnificent Tartine loaves are drawn from the oven. The bread at San Francisco's legendary Tartine Bakery sells out within an hour almost every day. Only a handful of bakers have learned the techniques Chad Robertson has developed: To Chad Robertson, bread is the foundation of a meal, the center of daily life, and each loaf tells the story of the baker who shaped it. Chad Robertson developed his unique bread over two decades of apprenticeship with the finest artisan bakers in France and the United States, as well as experimentation in his own ovens. Readers will be astonished at how elemental it is. Bread making the Tartine Way: Now it's your turn to make this bread with your own hands. Clear instructions and hundreds of step-by-step photos put you by Chad's side as he shows you how to make exceptional and elemental bread using just flour, water, and salt. If you liked Tartine All Day by Elisabeth Prueitt and Flour Water Salt Yeast by Ken Forkish, you'll love Tartine Bread!

BabyCakes Erin McKenna,2010-10-27 Forget everything you've heard about health-conscious baking. Simply, BabyCakes is your key to an enlightened, indulgent, sweets-filled future. This is important news not only for parents whose children have allergies, for vegans, and for others who struggle with food sensitivities, but also for all you sugar-loving traditionalists. The recipes in these pages prove that there is a healthy alternative to recklessly made desserts, one that doesn't sacrifice taste or texture. Having experimented endlessly with alternative, health-conscious sweeteners, flours, and thickeners, Erin McKenna, the proprietress of beloved bakery BabyCakes NYC, developed these recipes—most are gluten-free, all are without refined sugar—in hopes of combating her own wheat, dairy, and sugar sensitivities. In BabyCakes, she shares detailed information about the ingredients she uses (coconut flour, xanthan gum, and agave nectar, for example) and how to substitute them properly for common ones—all the while guiding you safely through techniques she's spent years perfecting. When BabyCakes NYC opened on Manhattan's Lower East Side in 2005, it helped propel the gluten-free and vegan baking movement into a new stratosphere. Suddenly there was a destination for those with wheat allergies and other dietary restrictions—and, soon enough, celebrities and dessert lovers of every kind—to indulge freely in delectable muffins and teacakes, brownies and cookies, pies and cobblers. Enclosed within these pages are all the “secrets” you'll need to bring the greatness of BabyCakes NYC into your own home as well as raves and recommendations from devotees such as Natalie Portman, Jason Schwartzman, Mary-Louise Parker, Zooey Deschanel, and Pamela Anderson. For confectionists of all kinds, delicious alternatives lie within: Red Velvet Cupcakes, Chocolate Shortbread Scones with Caramelized Bananas, Strawberry Shortcake, and BabyCakes NYC's celebrated frosting (so delicious it has fans tipping back frosting shots!), to name just a few. Finally, Erin's blissful desserts are yours for the baking!

Kat Varland has had enough of chocolate, vanilla, and strawberry. At twenty-six years old, Kat is still living in the shadows of her family in Bayou Bend, Louisiana. Still working shifts at her Aunt Maggie's bakery. Still wondering what to do with her passion for baking and her business degree. And still single. But when Lucas Brannen, Kat's best friend, signs her up for a reality TV bake-off on Cupcake Combat, everything Kat ever wanted is suddenly dangled in front of her: creative license as a baker, recognition as a visionary . . . and a job at a famous bakery in New York. As the competition heats up, Lucas realizes he might have made a huge mistake. As much as he wants the best for Kat, the only thing he wants for himself—her—is suddenly in danger of slipping away. The bright lights of reality cooking wars and the chance at a successful career dazzle Kat's senses and Lucas is faced with a difficult choice: help his friend achieve her dreams . . . or sabotage her chances to keep her in Louisiana.
