My Traitor's Heart Rian Malan,2012-03-11 An essay collection that offers “a fascinating glimpse of post-apartheid South Africa” from the bestselling author of *My Traitor's Heart* (The Sunday Times). The Lion Sleeps Tonight is Rian Malan's remarkable chronicle of South Africa's halting steps and missteps, taken as blacks and whites try to build a new country. In the title story, Malan investigates the provenance of the world-famous song, recorded by Pete Seeger and REM among many others, which Malan traces back to a Zulu singer named Solomon Linda. He follows the trial of Winnie Mandela; he writes about the last Afrikaner, an old Boer woman who settled on the slopes of Mount Meru; he plunges into President Mbeki's AIDS policies of the 1990s; and finally he tells the story of the Alcock brothers (sons of Neil and Creina whose heartbreaking story was told in *My Traitor's Heart*), two white South Africans raised among the Zulu and fluent in their language and customs. The twenty-one essays collected here, combined with Malan's sardonic interstitial commentary, offer a brilliantly observed portrait of contemporary South Africa; “a grimly realistic picture of a nation clinging desperately to hope” (The Guardian).

Coloured, a Profile of Two Million South Africans Al J. Venter,1974 This is a book about a heterogeneous section of the South African society usually classed in legal and administrative terms as 'Coloured'. Their numbers total about two million although there are some who say the real figure is closer to three million. Inevitably, it must highlight a vast and at times moving tapestry of inadequacies and injustices for which many South Africans, in an historical and contemporary context, are responsible.

I Remember Bo... George Cantor,2007-10 Here is your chance to go inside the huddle of the Michigan Wolverines, into their locker room and onto the sidelines, your chance to join your favorite players on the team plane, and at the team hotel. Go behind the scenes and peek into the private world of the players, coaches and decision makers, eavesdropping on their personal conversations. You'll read about the real reason why Bo turned down the megabucks offer from Texas A & M and remained at Michigan in 1982, and the origin of his famous battle cry to his team every time it left a hotel for the game: "Do I have 11? All I need is 11!"

A Killing in Amish Country Gregg Olsen,Rebecca Morris,2016-07-05 At just 30 years old, with dark-blond hair and freckles, Barbara Weaver was as pretty as the women depicted on the covers of her favorite bonnet stories - romance novels set in Amish America. Barbara had everything she'd ever wanted: five beautiful children, a home, her faith, and a husband named Eli. But while Barbara was happy to live as the Amish have for centuries - without modern conveniences, Eli was tempted by technology: cell phones, the Internet, and sexting. Online he called himself Amish Stud and found no shortage of English women looking for love and sex. Twice he left Barbara and their children, was shunned, begged for forgiveness, and had been welcomed back to the church. Barb Raber was raised Amish, but is now a Conservative Mennonite. She drove Eli to appointments in her car, and she gave him what he wanted when he wanted: a cell phone, a laptop, rides to his favorite fishing and hunting places, and, most importantly, sex. When Eli starts asking people to kill his wife for him, Barb offers to help. One night, just after Eli had hitched a ride with a group of men to go fishing in the hours before dawn, Barb Raber entered the Weaver house and shot Barbara Weaver in the chest at close range. It was only the third murder in hundreds of years of Amish life in America, and it fell to Edna Boyle, a young assistant prosecutor to seek justice for Barbara Weaver.
