**You're the Basketball Ref** Wayne

Stewart, 2019-03-05 Do you think you know basketball? Do you think you know it well enough to take the court as an NBA or NCAA referee and accurately make the really tough calls? Well, here's your chance to prove how much you really know about the history and rules of one of the world's most popular sports. You're the Basketball Ref, newly updated with a dozen fresh scenarios, is designed to inform, challenge, and entertain basketball fans. A brief introduction to the history of basketball is followed by an overview of NBA and NCAA matters. Topics range from situations that typically come up in games—traveling and shot clock violations, for example—to rules that are just a bit more unusual or, for the casual fan, more obscure. Then quiz yourself on what call you would make in each scenario! Many of the situations in You're the Basketball Ref come from real games, but some scenarios are made up to illustrate specific points or rules. So don your stripes, grab your whistle, and take your position on the court. After all, you're the ref!

**Little Falls** Susan R. Perkins, Caryl A.

Hopson, 2010-12-13 Nestled in a deep gorge along the Mohawk River, Little Falls first came into being as a village in 1811 and became Herkimer County's only city in 1895. With its close proximity to main routes of transportation via the Erie Canal system and railroad, as well as its access to waterpower from the Mohawk River, Little Falls became a manufacturing leader and Herkimer County's largest populated area. It was famous nationwide for its cheese market and innovations in dairy and cheese manufacturing

equipment. It was the site of one of the worst train wrecks in the history of the New York Central Railroad, boasts the sixth-highest lift lock in the world, and is the hometown of a famous radio personality who started the televised dance show Twist-A-Rama in the 1960s.
