On Floods and Photo Ops Paul Martin Lester, 2010 A close study of the visual record left by political visits following disasters Presidents Herbert Clark Hoover and George Walker Bush were challenged many times during their political careers. On Floods and Photo Ops: How Herbert Hoover and George W. Bush Exploited Catastrophes focuses on the visual record of two such tests: the relief efforts led by Commerce Secretary Hoover during the 1927 Mississippi River flood and the Bush team's response to Hurricane Katrina. By concentrating on these two historic events, Paul Martin Lester discusses political photography, particularly the use of photo ops during catastrophes. He illuminates the evolution of a genre and explores the differences and similarities between these two American politicians. Hoover and Bush reached the pinnacle of political achievement, only to lose in the court of popular opinion. From two photo ops that occurred almost eighty years apart, Lester offers a model for close readings and comparisons of images in practicing visual history. Under Lester's examination, these otherwise unremarkable photographs speak volumes about political response to natural disasters. He offers readers not just a deeper appreciation of these pictures but a methodology for seriously studying photographs and what they can reveal about a historical moment. Paul Martin Lester is a professor of communications at California State University, Fullerton. He is the author of *Visual Communication: Images with Messages* and *Photojournalism: An Ethical Approach* and coeditor of *Images That Injure: Pictorial Stereotypes in the Media*.

The One Device Brian Merchant, 2017-06-20 The secret history of the invention that changed everything-and became the most profitable product in the world. NATIONAL

BESTSELLERS Shortlisted for the Financial Times Business Book of the Year Award One of the Best Business Books of 2016 - CNBC, Bloomberg, 1-800-CEO-Read The One Device is a tour de force, with a fast-paced edge and heaps of analytical insight. -Ashlee Vance, New York Times bestselling author of Elon Musk A stunning book. You will never look at your iPhone the same way again. -Dan Lyons, New York Times bestselling author of Disrupted Odds are that as you read this, an iPhone is within reach. But before Steve Jobs introduced us to the one device, as he called it, a cell phone was merely what you used to make calls on the go. How did the iPhone transform our world and turn Apple into the most valuable company ever? Veteran technology journalist Brian Merchant reveals the inside story you won't hear from Cupertino-based on his exclusive interviews with the engineers, inventors, and developers who guided every stage of the iPhone's creation. This deep dive takes you from inside One Infinite Loop to 19th century France to WWII America, from the driest place on earth to a Kenyan pit of toxic e-waste, and even deep inside Shenzhen's notorious suicide factories. It's a firsthand look at how the cutting-edge tech that makes the world work-touch screens, motion trackers, and even AI-made their way into our pockets. The One Device is a roadmap for design and engineering genius, an anthropology of the modern age, and an unprecedented view into one of the most secretive companies in history. This is the untold account, ten years in the making, of the device that changed everything.

Disorder in the American Courts Marcelle Boren, 2016-04-27 The quotes contained in this book are things real people actually said, word for word, under oath in legal court proceedings and are forever immortalized in the public record. This fully illustrated, cartoon panel book brings these humorous quotes to life! It is true that lawyers and witnesses say the darndest things! Please enjoy a good laugh at their expense.

Dead Man Walking Giana Darling, 2022-04-25 [A Top 100 Amazon Bestseller] From USA Today & Wall Street Journal Bestselling Author Giana Darling comes a dark MC romance about a broken enforcer and the beautiful, innocent woman who shows him that light can exist even in the dark... A killer. A criminal. A psychopath. The Irish enforcer for The Fallen Men MC is everything good girls are taught to stay away from. Only, I found myself inexorably drawn into his dark gravitational pull. I wanted to know what it would be like to walk beside the human personification of Death and hold his hand, feel his kiss, and maybe even earn his undying love. But Priest McKenna is older, cold as ice, and notoriously unfeeling. So what are the odds that a dead man walking would come to life for little, insignificant me? When a serial killer begins to target the women of Entrance, BC, and The Fallen suffers another terrible blow, Priest resolves to hunt down the killer himself. And when the murderer sets his eyes on me? My very own psychopath steps between me and certain death, thrusting us into an intimacy I prayed we would never recover from. *A standalone book in The Fallen Men Series.*

American English File 3E Level 3 Student Book Christina Latham-Koenig, Clive Oxenden, Jerry Lambert, 2019-11-27 American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson,

students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

Clark Little Clark Little, 2022-04-05 Instagram sensation Clark Little shares his most remarkable photographs from inside the breaking wave, with a foreword by world surfing champion Kelly Slater. "One of the world's most amazing water photographers . . . Now we get to experience up-close these moments of bliss."—Jack Johnson, musician and environmentalist Surfer and photographer Clark Little creates deceptively peaceful pictures of waves by placing himself under the deadly lip as it is about to hit the sand. Clark's view is a rare and dangerous perspective of waves from the inside out. Thanks to his uncanny ability to get the perfect shot--and live to share it--Little has garnered a devout audience, been the subject of award-winning documentaries, and

become one of the world's most recognizable wave photographers. Clark Little: The Art of Waves compiles over 150 of his images, including crystalline breaking waves, the diverse marine life of Hawaii, and mind-blowing aerial photography. This collection features his most beloved pictures, as well as work that has never been published in book form, with Little's stories and insights throughout. Journalist Jamie Brisick contributes essays on how Clark gets the shot, how waves are created, swimming with sharks, and more. With a foreword by eleven-time world surfing champion Kelly Slater and an afterword by the author on his photographic practice and technique, Clark Little: The Art of Waves offers a rare view of the wave for us to enjoy from the safety of land.

de Gournay Claud Cecil Gurney, 2020-10-06 Renowned for its elegant hand-painted wallpapers and textiles, de Gournay creates some of the most beautiful interiors in the world. Celebrated for its hand-painted chinoiserie wallpapers, sumptuous patterns of colorful flora and varied birdlife, the company produces additional collections that explore historical themes, such as nineteenth-century French pastoral scenes or exotic Brazilian landscapes bursting with wildlife. De Gournay also crafts more abstracted designs that fit well with modern interiors. Collaborating with renowned tastemakers from across creative industries, de Gournay works with leading interior designers as well as noted trendsetters such as Kate Moss. This volume showcases de Gournay designs in situ, in beautiful interiors created by top designers in homes from San Francisco and New York to London, Paris, and beyond. The book explores de Gournay interiors in both city and country settings, how to take inspiration from English stately homes, and how custom wallpaper designs are created. Full of inspiring interiors and design ideas, de Gournay is an in-depth look at the stunning creations of one of the most prestigious and influential design houses of today.

Thresholds Lara Mimosa Montes, 2020-05-12 Thresholds is both a doorway and an absence, a

roadmap and a remembering. In this almanac of place and memory, Lara Mimosa Montes writes of her family's past, returning to the Bronx of the 70s and 80s and the artistry that flourished there. What is the threshold between now and then, and how can the poet be the bridge between the two?

In Order to Live Yeonmi Park, Maryanne Vollers, 2015-09-29 "I am most grateful for two things: that I was born in North Korea, and that I escaped from North Korea." - Yeonmi Park One of the most harrowing stories I have ever heard - and one of the most inspiring. - The Bookseller "Park's remarkable and inspiring story shines a light on a country whose inhabitants live in misery beyond comprehension. Park's important memoir showcases the strength of the human spirit and one young woman's incredible determination to never be hungry again." —Publishers Weekly In Order to Live, Yeonmi Park shines a light not just into the darkest corners of life in North Korea, describing the deprivation and deception she endured and which millions of North Korean people continue to endure to this day, but also onto her own most painful and difficult memories. She tells with bravery and dignity for the first time the story of how she and her mother were betrayed and sold into sexual slavery in China and forced to suffer terrible psychological and physical hardship before they finally made their way to Seoul, South Korea—and to freedom. Park confronts her past with a startling resilience. In spite of everything, she has never stopped being proud of where she is from, and never stopped striving for a better life. Indeed, today she is a human rights activist working determinedly to bring attention to the oppression taking place in her home country. Park's testimony is heartbreaking and unimaginable, but never without hope. This is the human spirit at its most indomitable.

Indistractable Nir Eyal, 2019-09-10 *Indistractable* provides a framework that will deliver the focus you need to get results. —James Clear, author of *Atomic Habits* If you value your time, your

You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become undistractable?

International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote *Silicon Valley's* handbook for making technology habit-forming. Five years after publishing *Hooked*, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In *Undistractable*, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. *Undistractable* reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals:

- Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it
- What really drives human behavior and why time management is pain management
- Why your relationships (and your sex life) depend on you becoming undistractable
- How to raise undistractable children in an increasingly

distracting world Empowering and optimistic, Indistractable provides practical, novel techniques to control your time and attention—helping you live the life you really want.

Boy Mom Monica Swanson, 2019-08-06 This guidebook, packed with wisdom, practical advice, resources, and encouragement, explores how moms can equip their sons with what they most need to succeed in life. Monica Swanson knew she'd tapped a heartfelt concern when nearly two million readers shared her blog post What a Teenage Boy Needs Most from His Mom. In this helpful book, she takes mothers deeper into the insights they need for the boy-raising journey, covering topics from dealing with the daily influences of friends and technology to helping a boy grow to be physically, spiritually, and emotionally healthy. She also addresses learning and finding passions, perspectives on relationships and dating, and work ethics and money management. Each chapter features relatable stories, handy checklists, and practical advice based on a combination of research, experience, and biblical truth to guide and equip a mom in helping her son achieve his God-given potential. Praise for Boy Mom “In Boy Mom Monica Swanson offers readers practical advice and resounding hope that parenting our sons well through all seasons is not only possible but also enjoyable. This book is like an essential trail guide that I’ll refer to again and again in the beautiful and challenging adventure of motherhood.”—Becky Keife, author of No Better Mom for the Job and mom of three spirited boys “Monica Swanson is the friend we all need in our lives: humble, straightforward, warm, full of wisdom, and short on nonsense—and she knows her stuff like no one else. In Boy Mom she holds the bar high yet is forthcoming about her own struggles and imperfections. Inside these pages you’ll find deeply rooted biblical and practical advice along with calls to action when you don’t know where to start. The Boy Mom Manifesto at the end will not only inspire you but also make your heart swell.”—Kate Merrick, author of Here, Now: Unearthing Peace

and Presence in an Overconnected World “Monica Swanson is the ultimate Boy Mom mentor. While her perspective on parenting is grounded in biblical wisdom, each chapter holds excellent practical tools for how to work out that wisdom on a daily basis in our homes. Of course, we know there aren’t formulas that will ensure we get it all right, but we also know that gleaning wisdom from women who have gone before us (and are still in the trenches with us) is invaluable in the wonderful adventure of helping boys become all God created them to be.”—Jeannie Cunnion, author of Mom Set Free
