Compasito Nancy Flowers,Maria Emília Brederode Santos,Zsuzsanna Szelényi,2007-01-01 Living among other people, in their families and communities, children become aware from a very early age of questions related to justice, and they search for the meaning of the world. By fostering an understanding of human rights, shaping opinion and developing attitudes, human rights education strongly supports this natural interest and learning process. This is what human rights education is about and this is what 'Compasito manual on human rights education for children' is for.'Compasito' is a starting point for educators, teachers and trainers who are ready to deal with human rights education with children of 7-13 years. The book covers the key concepts of human rights and children's rights, and provides substantial theoretical background to 13 key human rights issues, such as democracy, citizenship, gender equality, environment, media, poverty, and violence.The 42 practical activities serve to engage and motivate children to recognise human rights issues in their own environment. They help children to develop critical thinking, responsibility and a sense of justice, and help them learn how to take action to contribute to the betterment of their school or community. The manual also gives practical tips on how it can be used in various formal and non-formal educational settings.

**Suddenly One Summer** Julie James,2015-06-02 From the New York Times bestselling author of It Happened One Wedding comes a novel about a man and a woman whose summer is about to get very, very hot... Divorce lawyer Victoria Slade has seen enough unhappy endings to swear off marriage forever. That doesn't mean she's opposed to casual dating—just not with her cocky new neighbor, who is as gorgeous and tempting as he is off-limits. But once she agrees to take on his sister's case, she's as determined to win as ever—even if that means teaming up with Ford... Investigative journalist Ford Dixon is bent on finding the man who got his sister pregnant and left her high and dry. He's willing to partner with Victoria, despite the fact that the beautiful brunette gets under his skin like no other woman. He might not be looking to settle down, but there's no denying the scorching attraction between them. Still, the more time he spends with Victoria, the more he realizes that the one woman as skeptical about love as he is might be the only woman he could really fall for... "If you need a great read to throw in your beach bag, make sure Suddenly One Summer is one of your choices."—USA Today

The Greek Escape Karen Swan,2018-07-12 Set on a lush Greek island, *The Greek Escape* by Karen Swan is a Sunday Times bestseller, and the perfect getaway for fans of Victoria Hislop and Santa Montefiore. Before every new beginning, there must be an ending . . . Running from heartbreak, Chloe Marston leaves her old life in London for a fresh start in New York. Working at a luxury concierge company, she makes other people's lives run perfectly, even if her own has ground to a halt. But a terrible accident forces her to step into a new role, up close and personal with the company's most esteemed and powerful clients. Charismatic Joe Lincoln is one of them and his every wish is her command, so when he asks her to find him a secluded holiday home in the Greek Islands, she sets about sourcing the perfect retreat. But when Tom, her ex, unexpectedly shows up in Manhattan and the stability of her new life is thrown off-balance again, she jumps at the chance to help Joe inspect the holiday house; escaping to Greece will give her the time and space to decide where her future truly lies. Tom is the man she has loved for so long but he has hurt her before – can she give him another chance? And as she draws closer to Joe, does she even want to? As magnetic as he is mysterious, there's an undeniable chemistry between them that she can't resist. But whatever her heart is telling her, she's in over her head – another client's wife has mysteriously disappeared and serious allegations about Joe threaten more than just her happiness. Who can she trust? And will Chloe uncover the truth in time? 'This irresistible story will sweep you right up into its pages and keep you there.' - Heat

The Dirty Duet Laurelin Paige,2022-02-28 Both books in the Dirty Duet included in one bundle. From NYT Bestselling author Laurelin Paige, discover a whole new world filled with sex, love, power, romance and dirty, filthy rich men. Book One, Dirty Filthy Rich Men When I met Donovan Kincaid, I knew he was rich. I didn't know he was filthy. Truth be told, I was only trying to get his best friend to notice me. I knew poor scholarship girls like me didn't stand a chance against guys like Weston King and Donovan Kincaid, but I was in love with his world, their world, of parties and sex and power. I knew what I wanted-I knew who I wanted-until one night, their world tried to bite me back and Donovan saved me. He saved me, and then Weston finally noticed me, and I finally learned what it was to be in their world. And then what it was like to lose it. Ten years later, I've found my way back. Back to their world. Back to him. This time, I'm ready. I've been down this road before, and I know all the dirty, filthy ways Donovan will try and wreck me. But it's hard to resist. Especially when I know how much I'll like it. Book Two, Dirty Filthy Rich Love I've discovered Donovan Kincaid's secret. It's dirty and filthy and rich - as dirty and filthy and rich as he is - and it haunts me as much as he ever did. Even after knowing what I know now, I still want to talk to him, to touch him. But there's an ocean between us, and I'm not sure it can be crossed with something as easy as a phone call or a plane ride. Yet I'm willing to try. He doesn't know this yet, but this time I'm the one with the power. And maybe - just maybe - if the air were cleared and all our secrets bared, there could still be a chance for us. And this dirty, filthy thing between us might end up being love after all.

**Wicked Intentions** Elizabeth Hoyt,2010-12-02 A man controlled by his desires . . . Infamous for his wild, sensual needs, Lazarus Huntington, Lord Caire, is searching for a savage killer in St. Giles, London's most notorious slum. Widowed Temperance Dews knows St. Giles like the back of her hand - she's spent a lifetime caring for its inhabitants at the foundling home her family established. Now that home is at risk . . . A woman haunted by her past . . . Caire makes a simple offer - in return for Temperance's help navigating the perilous alleys of St. Giles, he will introduce her to London's high society so that she can find a benefactor for the home. But Temperance may not be the innocent she seems, and what begins as cold calculation soon falls prey to a passion that neither can control - one that may well destroy them both. A bargain neither could refuse.

*Computer Games for Learning* Richard E. Mayer,2014-07-11 A comprehensive and up-to-date investigation of what research shows about the educational value of computer games for learning. Many strong claims are made for the educational value of computer games, but there is a need for systematic examination of the research evidence that might support such claims. This book fills that need by providing, a comprehensive and up-to-date investigation of what research shows about learning with computer games. Computer Games for Learning describes three genres of game research: the value-added approach, which compares the learning outcomes of students who learn with a base version of a game to those of students who learn with the base version plus an additional feature; the cognitive consequences approach, which compares learning outcomes of students who play an off-the-shelf computer game

for extended periods to those of students who do not; and the media comparative approach, which compares the learning outcomes of students who learn material by playing a game to those of students who learn the same material using conventional media. After introductory chapters that describe the rationale and goals of learning game research as well as the relevance of cognitive science to learning with games, the book offers examples of research in all three genres conducted by the author and his colleagues at the University of California, Santa Barbara; meta-analyses of published research; and suggestions for future research in the field. The book is essential reading for researchers and students of educational games, instructional designers, learning-game developers, and anyone who wants to know what the research has to say about the educational effectiveness of computer games.

**Innovation and Marketing in the Video Game Industry** David Wesley, Gloria Barczak, 2016-05-23 Video games have had a greater impact on our society than almost any other leisure activity. They not only consume a large portion of our free time, they influence cultural trends, drive microprocessor development, and help train pilots and soldiers. Now, with the Nintendo Wii and DS, they are helping people stay fit, facilitating rehabilitation, and creating new learning opportunities. Innovation has played a major role in the long term success of the video game industry, as software developers and hardware engineers attempt to design products that meet the needs of ever widening segments of the population. At the same time, companies with the most advanced products are often proving to be less successful than their competitors. Innovation and Marketing in the Video Game Industry identifies patterns that will help engineers, developers, and marketing executives to formulate better business strategies and successfully bring new products to market. Readers will also discover how some video game companies are challenging normal industry rules by using radical innovations to attract new customers. Finally, this revealing book sheds light on why some innovations have attracted legions of followers among populations that have never before been viewed as gamers, including parents and senior citizens and how video games have come to be used in a variety of socially beneficial ways. David Wesley and Gloria Barczak's comparison of product features, marketing strategies, and the supply chain will appeal to marketing professionals, business managers, and product design engineers in technology intensive industries, to government officials who are under increasing pressure to understand and regulate video games, and to anyone who wants to understand the inner workings of one of the most important industries to emerge in modern times. In addition, as video games become an ever more pervasive aspect of media entertainment, managers from companies of all stripes need to understand video gaming as a way to reach potential customers.

**Tales From The Time ILoop** David Icke, Most comprehensive book yet written about the global conspiracy that is now unfolding all around us. Icke pulls together his fantastic wealth of accumulated knowledge to reveal the multi-levels of the fascist conspiracy, sharing his experiences & details the scientific support for what he learned about the illusion we call daily life.

**The Video Game Industry** Peter Zackariasson, Timothy Wilson, 2012-08-21 The Video Game Industry provides a platform for the research on the video game industry to draw a coherent and informative picture of this industry. Previously this has been done sparsely through conference papers, research articles, and popular science books. Although the study of this industry is still stigmatized as frivolous and 'only' game oriented, those who grew up with video games are changing things, especially research agendas, the acceptance of studies, and their interpretation. This book describes and defines video games as their own special medium. They are not pinball from which they grew, nor movies which they sometimes resemble. They are a unique form of entertainment based on meaningful interactions between individuals and machine across a growing sector of the population. The Video Game Industry provides a reference foundation for individuals seriously interested in the industry at the academic level. As a result, this book will serve as a reference in curricula associated with video game development for years to come.

**One Night with a Prince** Sabrina Jeffries, 2005-07-01 Continuing her irresistible Royal Brotherhood Series, bestselling author Sabrina Jeffries introduces the third of three half-noble half brothers—the brashest rogue in all of London. Proper Lady Christabel, the Marchioness of Haversham, is desperate to regain some letters that could destroy her—so desperate that she pretends to be the mistress of notorious gaming-club owner Gavin Byrne to accompany him to a scandalous house party where she can reclaim them. But when she agreed to let Byrne coach her on how a true mistress behaves, she never suspected how very...persuasive his wicked lessons would be. Gavin is secretly determined to find the letters himself and use them for revenge against the noble sire who abandoned him to grow up in London's worst slums. He's also delighted at how very successful his mistress lessons are: it won't be long before the luscious young widow is in his bed. But when Christabel catches Gavin in his own seductive net, he faces a difficult choice: to wreak the vengeance he's planned all his life, or to protect the woman he may—to his own astonishment—need more than revenge.

**Shadow Man** Cody McFadyen, 2006-06-13 Once, Special Agent Smoky Barrett hunted serial killers for the FBI. She was one of the best—until a madman terrorized her family, killed her husband and daughter, and left her face scarred and her soul brutalized. Turning the tables on the killer, Smoky shot him dead—but her life was shattered forever. Now Smoky dreams about picking up her weapon again. She dreams about placing the cold steel between her lips and pulling the trigger one last time. Because for a woman who's lost everything, what is there left to lose? She's about to find out. In all her years at the Bureau, Smoky has never encountered anyone like him—a new and fascinating kind of monster, a twisted genius who defies profilers' attempts to understand him. And he's issued Smoky a direct challenge, coaxing her back from the brink with the only thing that could convince her to live. The killer videotaped his latest crime—an act of horror that left a child motherless—then sent a message addressed to Agent Smoky Barrett. The message is enough to shock Smoky back to work, back to her FBI team. And that child awakens something in Smoky she thought was gone forever. Suddenly the stakes are raised. The game has changed. For as this deranged monster embarks on an unspeakable spree of perversion and murder, Smoky is coming alive again—and she's about to face her greatest fears as a cop, a woman, a mother . . . and a merciless killer's next victim.

**School-family Partnerships for Children's Success** Evanthia N. Patrikakou, Amy R. Anderson, 2005-08-29 In this groundbreaking volume, the most influential leaders in the field provide essential information to better understand and improve the nature and quality of school and family partnerships for the benefit of all children. These experts examine the various aspects and effects of parental involvement not only on children's academic achievement, but also on their social and emotional development. Each chapter includes recommendations to help educators, parents, and policymakers create and sustain successful partnerships to support children's development.

**Usudi Se** Inna Moore, 2018-10-10 Zabranjena, strastvena, tajna ljubav. Ljubav za koju ubijate. Ljubav koju branite dusom, srcem i tijelom. Ljubav koja se desava samo jednom u zivotu, onda kad za nju niste spremni. Covjek koji mrzi dodire i zena koja ih ne poznaje u intimnom smislu. Oboje jednako osteceni, on otudjen, ona tudja. Strast koja ce planuti, prerast ce granice svega mjerljivog, otkriti tajne, srusiti zidove, pokositi zrtve. Pitanje je samo jesu li Harden i Anabel dovoljno jaki da se i dalje bore za sebe, za novu snagu koju su pronasli jedno u drugome ili ce ih sudbina ponovno potuci, prokrvariti stare rane i pokazati da za njih nema sretnog kraja?

**The Perfect Hope** Nora Roberts, 2012-11-06 #1 New York Times bestselling author Nora Roberts completes the Inn BoonsBoro trilogy with a novel of starting over and star-crossed love. Ryder is the hardest Montgomery brother to figure out—with a tough-as-nails exterior and possibly nothing too soft underneath. He's surly and unsociable, but when he straps on a tool belt, no woman can resist his sexy

swagger. Except, apparently, Hope Beaumont, the innkeeper of his own Inn BoonsBoro... The former manager of a D.C. hotel, Hope is now where she wants to be—except for in her love life. Her only interaction with the opposite sex has been sparring with the infuriating Ryder, who always seems to get under her skin. Still, no one can deny the electricity that crackles between them...a spark that ignited with a New Year’s Eve kiss. While the inn is running smoothly, thanks to Hope’s experience and unerring instincts, her big-city past is about to make an unwelcome—and embarrassing—appearance. Seeing Hope vulnerable stirs Ryder’s emotions and makes him realize that while Hope may not be perfect, she just might be perfect for him... Don't miss the other books in the Inn BoonsBoro Trilogy The Next Always The Last Boyfriend

*Dirty Sexy Games* Laurelin Paige,2018-11-06 The conclusion of the surprising love story begun in Dirty Sexy Player. I didn't have a plan for him. He was the means to an end, a workaround to the cruel terms of my father's will that would allow me to inherit his company. I hadn't planned to fall for him. I hadn't planned to enjoy every minute of our wedding, hadn't planned to gasp his name so many times that night, hadn't planned for the sexy games on our honeymoon. He didn't plan for his secrets to come out. And neither of us planned for heartbreak.
