Trials and Triumphs in Adversity Stanley A. Vambe, 2013-08-27 This book of reminiscences charts the life of a young man Kamturugudu (short Kamtu), growing up in an African township during the Rhodesian era. It chronicles a journey that spans his formative years from primary school through to his secondary school years. It gives some insight into the Rhodesian primary and secondary school education systems then, and the challenges faced by the youngster as he tried to make sense of a school disciplinary system that often bordered on physical abuse. The chronicles of Kamtu's childhood adventures and conflicts make one wonder how he came through it all without any emotional scars. In his early teens, bemused by the contradiction between ancestral worship and Christianity, he asks poignant questions regarding the oxymoron that was the coexistence of the two beliefs within his family, and as a result, conflict with his mother, siblings, and cousins was an inevitable eventuality. A brief escape to the shores of England provided a temporary reprieve from the stress and anxiety triggered by his appointment to the role of a spirit medium, but on his return to Zimbabwe, the

traditional cloth which had been assigned to him as the emblem of his supposedly elevated status was awaiting him. In his quest for answers and a means of escape, he stumbles into a tent church meeting and witnesses a logic-defying event that changes his life forever . . .

The Assassination of King Shaka John Laband, 2017-08-03 In this riveting new book, John Laband, pre-eminent historian of the Zulu Kingdom, tackles some of the questions that swirl around the assassination in 1828 of King Shaka, the celebrated founder of the Zulu Kingdom and war leader of legendary brilliance: Why did prominent members of the royal house conspire to kill him? Just how significant a part did the white hunter-traders settled at Port Natal play in their royal patron's downfall? Why were Shaka's relations with the British Cape Colony key to his survival? And why did the powerful army he had created acquiesce so tamely in the usurpation of the throne by Dingane, his half-brother and assassin? In his search for answers Laband turns to the Zulu voice heard through recorded oral testimony and praise-poems, and to the written accounts and reminiscences of the Port Natal trader-hunters and the despatches of Cape officials. In the course of probing and assessing this evidence the

author vividly brings the early Zulu kingdom and its inhabitants to life. He throws light on this elusive character of and his own unpredictable intentions, while illuminating the fears and ambitions of those attempting to prosper and survive in his hazardous kingdom: a kingdom that nevertheless endured in all its essential characteristics, particularly militarily, until its destruction fifty one years later in 1879 by the British; and whose fate, legend has it, Shaka predicted with his dying breath.

Tears, Hope and Restoration Stanley A. Vambe,2016-08-15 ‘Tears Hope and Restoration’ is a story of victory over formidable odds. It is the personification of perseverance and the benefits of steadfastness. It is the testimony to the old adage, ‘What the enemy had intended for evil, God has turned into a blessing.’ The tears of the innocent are often the oil that lubricates the wheels of their train to destiny. As the oracle from old once uttered, ‘Do not oppress the vulnerable and feeble, for when their cries resonate through the corridors of heaven, the avenger’s feet are quickened to their cause.’

A Dutiful Boy Mohsin Zaidi,2020-08-20 WINNER of the Polari First Book Prize 2021 WINNER of

the LAMBDA 2021 Literary Award for Best Gay Memoir/Biography A Dutiful Boy is Mohsin's personal journey from denial to acceptance: a revelatory memoir about the power of love, belonging, and living every part of your identity. Growing up in a devout Muslim household, it felt impossible for Mohsin to be gay. Unable to be open with his family, and with difficult conditions at school, he felt his opportunities closing around him. Despite the odds, Mohsin's perseverance led him to become the first person from his school to attend Oxford University, where new experiences and encounters helped him to discover who he truly wanted to be. Mohsin was confronted with the biggest decision he would ever make: to live the life that was expected of him or to live as his authentic self. A Guardian, GQ, and New Statesman Book of the Year 'Genuinely inspiring... Beautifully written, dignified and ultimately redemptive, this challenging story abounds with light and love' Attitude

Kamus Bahasa Palu'e – Indonesia Stefan Danerek,2019-06-18 upaya pelindungan budaya berupa bahasa dan sastra daerah lewat jalan pendokumentasian merupakan sebuah tugas mulia. Wujud penyelamatan bahasa tidak sebatas pada entitas kata-kata, lebih jauh merupakan upaya

penyelamatan sebuah peradaban yang sarat akan nilai-nilai kehidupan. Di tengah hiruk pikuknya teknologi, kita bersyukur karena masih terdapat segelintir orang yang peduli dan meluangkan waktunya untuk menggali, mendata, dan menuangkan ide-ide ke dalam sebuah karya berupa kamus. Sebuah kamus, dibanding dengan karya tulis yang lain berupa buku memiliki kekhasan tersendiri. Bukan karena jumlah halamannya yang banyak dibanding buku-buku yang biasa, tetapi untuk menyusunnya memerlukan ketekunan dan keuletan yang luar biasa. Setiap kata sungguh-sungguh diteliti dan dimaknai untuk kemudian dideskripsikan dalam konteks kebahasaan tertentu. Bahasa Palu'e merupakan salah satu dari 652 bahasa daerah yang telah dipetakan oleh Badan Pengembangan dan Pembinaan Bahasa yang terakhir diperbarui pada tahun 2017. Namun data berupa hasil kajian atau penelitian apalagi kamus tentang bahasa Palu'e masih sangat minim. Hal ini karena selain kurangnya ahli bahasa yang meneliti bahasa Palu'e juga karena kurangnya minat orang-orang yang berkecimpung di dunia linguistik bahkan termasuk penutur bahasa Palu'e sendiri. Kehadiran kamus bahasa Palu'e yang disusun oleh Stefan Danerek jelas merupakan suatu

kebanggaan tersendiri bagi perkembangan bahasa-bahasa daerah di Nusa Tenggara Timur. Dengan melimpahnya kekayaan budaya Nusa Tenggara Timur, kamus bahasa Palu'e ibarat oase di tengah kayanya khazanah budaya lokal namun sudah mulai ditinggalkan pemilik budaya itu sendiri. Di sisi lain, tugas luhur ini sangat membantu pekerjaan Kantor Bahasa Nusa Tenggara Timur dalam hal ini Badan Pengembangan dan Pembinaan Bahasa yang merupakan delegasi pemerintah dalam upaya penyelamatan nilai-nilai kearifan lokal yang masih banyak tercerer dan terancam punah. Kami turut bangga dan sangat berterima kasih serta memberikan apresiasi setinggitingginya kepada Stefan Danerek. Kita membutuhkan banyak individu seperti beliau yang penuh dedikasi, kerja keras, dan tak kenal lelah dalam berkarya sehingga semakin banyak bahasa daerah yang terselamatkan. Tuhan Yang Maha bijaksana telah mencatat kerja nyata dan sumbangsih beliau bagi kebaikan banyak orang.

Tracing the Boundaries between Hindi and Urdu Christine Everaert, 2009-12-07 This book provides an inside into the complex relationship between Hindi and Urdu. A comparison of 20th century short stories that were published in both Hindi and Urdu are used as a basis to define the boundaries

between both languages.

The Boer Invasion of The Zulu Kingdom 1837-1840 John Laband,2023-02-16 The battle of Blood River, or Ncome, on 16 December 1838 has long been regarded as a critical moment in the history of South Africa. It is the culminating victory by the land-hungry Boers who had migrated out of the British-ruled Cape and invaded the Zulu kingdom in 1837. Many Afrikaners long acclaimed their triumph as the God-given justification for their subsequent dominion over Africans. By contrast, Africans celebrate the war with pride for its significance in their valiant struggle against colonial aggression. In this account, John Laband deals as even-handedly as possible with the warring sides in the conflict. In contrasting their military systems, he explains both victory and defeat in the many battles that marked the war. Crucially, he also presents the less familiar Zulu perspective explaining

the political motivation, strategic military objectives and fissures in the royal house. This is the first book in English that engages with the war between the Boers and the Zulu in its entire context or takes the Zulu evidence into proper account.

The Great Image ,2004-11-09 This book is the autobiography of the great scholar and translator Vairochana, as told to a group of his students near the end of his life in the eighth century. Responsible for bringing seminal Buddhist teachings to Tibet from India, his deep understanding of the Dharma was what enabled him to translate the essence of enlightened mind, conveyed in the Sanskrit texts, with great accuracy.

Advanced Computer and Communication Engineering Technology Hamzah Asyranı

Sulaiman,Mohd Azlishah Othman,Mohd Fairuz Iskandar Othman,Yahaya Abd Rahim,Naim Che Pee,2015-12-28 This book covers diverse aspects of advanced computer and communication engineering, focusing specifically on industrial and manufacturing theory and applications of electronics, communications, computing and information technology. Experts in research, industry, and academia present the latest developments in technology, describe applications involving cutting-edge communication and computer systems, and explore likely future trends. In addition, a wealth of new algorithms that assist in solving computer and communication engineering problems are presented. The book is based on presentations given at ICOCOE 2015, the 2nd International Conference on Communication and Computer Engineering. It will appeal to a wide range of professionals in the field, including telecommunication engineers, computer engineers and scientists, researchers, academics and students.
