Learning to Walk on Water Dr. Corey Endsley,2015-01-23 Being limited in life is a helpless feeling. The mentality of our society today is limited in their finances, relationships, knowledge, and even in health. The enemy knows that if he can keep you limited, he will keep you from becoming a threat to his kingdom. What if you could be limitless? What if you were free to give when God said give or go when God said to go? It is not impossible. It will take faith and a new mentality to believe God can use you as his instrument. Jesus taught the importance of having faith and the benefits of having a limitless mentality. Faith got Peter out of the boat, but his limited mentality made him sink. None of us have arrived. Learning to Walk on Water is a journey that every Christian must take. If we desire to be used by God to the fullest, we need to step beyond the confines of a limited mentality and do as Peter did. He learned to walk on water!

Synopsis of the books of the Bible John Nelson Darby,1857

Few Are Those Who Find It Tena Marchand,2016-03-17 Few Are Those Who Find It emphasizes God's instructions throughout the Word that will have the reader ready to meet Him face to face at the time of his or her departure from earth. It stresses God's repeat warnings to turn from sin, along with His unconditional love, mercy, forgiveness, and grace (specific to its vital role once we receive salvation). It reveals the heart that God has been looking for from the beginning. Once understood, this book will lead the reader to freedom from the struggle of self-efforts to live righteously, as well as deliverance from self-condemnation as he or she applies God's grace to successfully overcome difficult habits. The reader will be enabled to peacefully and confidently remain on the straight and narrow path to Heaven. God understands our weaknesses, and He is for us. He never looks at us, thinking how bad a sin we've committed. He looks past that to the person He desperately loves and wants in Heaven for eternity.

From Dream to Destiny Robert Morris,2011-03-06 Do Your Dreams Seem Out of Reach? If you have a dream, then you have a destiny. In his inspiring new book, From Dream to Destiny, Robert Morris prompts you to ask yourself, How do I travel from the dream to the destiny--and what happens on the way? Each of us is given a dream by God--it's the notion that sets our hearts racing by the mere thought of it. Unfortunately, most people never see their dream come to pass, so they never fulfill the destiny that God has in store for them. Robert Morris tells readers exactly how to make their dream into the reality for which they long. Using the example of Joseph in the Old Testament, Pastor Robert shows how God gave Joseph a dream and then promptly took him through 10 character-building tests that lasted 13 years. These tests assessed Joseph's strengths and weaknesses--from pride to purity--and they are the same tests that each of us must pass before God lets us realize our

dream. Find out what the tests are and if you are passing or failing them, and get ready to begin fulfilling the destiny that God has in store for you.

Dictionary of the Old Testament Bill T. Arnold, Hugh Godfrey Maturin Williamson, 2005 The Dictionary of the Old Testament: Historical Books presents articles on numerous historical topics as well as major articles focused on the books of Joshua, Judges, Samuel, Kings, Chronicles, Ezra and Nehemiah. Other articles focus on the Deuteronomistic History as well as the Chronicler's History, the narrative art of Israel's historians, innerbiblical exegesis, text and textual criticism, and the emergence of these books as canonical. One feature is a series of eight consecutive articles on the periods of Israel's history from the settlement to the postexilic period, which forms a condensed history of Israel within the DOTHB.. Syro-Palestinian archaeology is surveyed in one article, while significant archaeological sites receive focused individual treatment. Other articles delve into the histories and cultures of the great neighboring empires - Egypt, Assyria, Babylonia and Persia - as well as lesser peoples, such as the Ammonites, Edomites, Moabites, Philistines and Phoenicians. In addition there are articles on architecture, agriculture and animal husbandry, roads and highways, trade and travel, and water and water systems.--Dust jacket.

Live Fearlessly Lenya Heitzig, Penny Pierce Rose, 2018-01-01 Do you ever feel like you don't have what it takes? Like you can't be as good as those around you? Well, after waiting decades for his time to lead, Joshua had some big shoes to fill. He may have felt slightly intimidated by the task at hand. Joshua's predecessor, Moses, had a near spotless résumé: he led the Jews out of Egypt, parted the Red Sea, and even conversed directly with God. Not exactly an easy act to follow. Yet Joshua's fearless confidence in God proved to be more than enough. God used Joshua in miraculous ways. All his life, the people of Israel followed and trusted Joshua's lead. The Fresh Life series was created by women for women, who crave a profound experience of God's Word without an overwhelming time commitment. In just 20 minutes a day, you will come to a deeper understanding of the truths of the Bible. With a group or by yourself, use this easy-to-use study to develop a fearless, Joshua-like confidence in God so you can accomplish everything He asks you to do.

Tabernacle Gifts Michael Zarlengo, 2012-07-10 God has incredible rewards waiting for His people. Jesus Christ taught that all Christians should seek to be rewarded when we enter heaven. We will receive our rewards from God based on our actions on earth. As we know, these actions cannot earn us heaven. That only occurs by grace, through faith. However, on our first day in heaven our earthly actions, after salvation, are evaluated by God in order to determine the magnificent rewards He will give us. Did you know that the Bible describes our rewards and the exact actions we are to carry out in order to receive them? In the New Testament, the apostle Paul uses the Old Testament examples of

the Tabernacle and Day of Atonement ceremony to teach us which actions, called gifts, we can bring to God for our rewards. Paul also teaches us that the Tabernacle and the Day of Atonement conceal the secret of what our first day in heaven will be like. We work hard in this life to retire well. Yet earthly retirement lasts for a short time. Our life in heaven will last for an eternity. Don't you want it to be a well-rewarded time?

The Doctrines of Grace James Montgomery Boice, Philip Graham Ryken, 2009-04-01 There is no question that we live in an age of weak theology and casual Christianity. We have substituted intuition for truth, feeling for belief and immediate gratification for enduring hope. Evangelicalism desperately needs to return to the doctrines that once before reformed the world: radical depravity, unconditional election, particular redemption, efficacious grace and persevering grace. James Boice and Philip Ryken not only provide a compelling exposition on these doctrines of grace, but also look briefly at their historical impact. The authors leave no doubt that the church suffers when these foundational truths are neglected and that she must return to a Christianity that is practical-minded, kind-hearted, and most importantly, biblically based.

Who Did You Say That I Am? Jerry Hagee, 2020-12-01 In John 8:32 Jesus said, "And you shall know the truth, and the truth shall make you free." Then why, do I have doubts about my salvation? What is truth? What does free mean? How can I know for sure that I have salvation? One cannot be free without salvation! No wonder that many have doubts about salvation. Jesus despised the religious traditions of mankind. He called those who were chained with religion's traditions, hypocrites. He quoted Isaiah's prophecy in Matt 15:9, "But in vain they do worship me, teaching for doctrines the commandments of men." In Vain? With no purpose? Jesus was saying, you worship in folly. He was saying to the religious leaders with their man-made rules and to their followers, you shall in no case enter into the "Kingdom of Heaven". What is your litmus test to obtain salvation? Have you wondered about the rules and laws that you follow? What do the leaders of your religion demand of you? This book is filled with answers and with freedom. Not from my mere writings, but with clarity from the Holy Spirit emblazoned in the Holy Bible. The litmus test as a boy growing up in a church was if you did not smoke, drink, cuss, dance, be with girls, play with cards, gamble, play pool, go to bars, break any of the 10 commandments, miss church service; you might go to heaven. I think, I pretty much flunked. Non the less, that was preached from the pulpit. You will see gratitude for dedicated people who have unbelievable IQ's in science, but you will find that even some truly great intellects fail to see a need for God. The Living God relationship is needed by every living human which does include all of the Intellects and those of us with less evolution. Included are a few of the personal happenings of my life that are clearly Spiritual. This book reveals only a few of God's actual involvements in spite of my fleeting fellowship with Him. The mathematical probability of each is prodigious. Why do people say that "God loves us"? If you read carefully, the answer is clear. The definition of grace will be

understandable. Faith is explored. Is faith really necessary? How does one know if they have faith? Do you think you are saved and yet you still sin, occasionally? For some us, maybe more than occasionally. If you do, comfort may be near. But most importantly, we are going to die. What, then? The book sometimes may have, some troubling details. Our soul will meet up with our new body and this information is more than sparsely included. What is it like in Hell? The answer is clear. It is for sure that it is not one, never-ending, great big party of like-minded individuals. The book touches on what it is like to live in hell. Eternally, to live there. Do I really exist after I die? Maybe you should get this book. I am as certain as I can be that when you finish reading you will probably think of someone that desperately needs this book.

Exposing Pathways to Deception in the Lives of Believers Ruth Helen Taylor-Meyers, 2021-10-13 The title mentions exposing pathways to Deception. Deception is a process, a road, a path. We need a map, a compass, and a way of knowing the difference between Deception and Truth. But what kind of Truth? Truth that helps us succeed only in this life, or truth that prepares us to live for eternity in a presently invisible System of Reality? Shouldn't we listen and obey this God who, from the invisible realms, reveals Himself to us through an objective Truth Source called the Bible, & His Son, Jesus, and His Holy Spirit?
