Portuguese English Bilingual Bible The Gospels King James Version Almeida Recebida,2019-07-10 This is the Gospels, volume five, of the Portuguese English Bilingual Bible book series. It is in English and Portuguese, two of the top ten most widely spoken languages on Earth. It is the King James Version and Almeida Recebida translations, good and accurate translations for learning either language, as well as having a correct and reliable translation from the received texts of the Holy Bible itself. The translators relied on formal equivalence to preserve phrasing and literal content from the Hebrew and Greek documents. This present volume is divided in columns for each language, with each corresponding verse line matching its equal on the opposite side of the page. The font size and style is easy to read. Typo's and the rare instance of missing information (such as superscriptions above psalms and colophons ending epistles) have been translated from English to Portuguese, and in some cases Hebrew into Portuguese, by Alan Lewis Silva, who has lovingly and carefully edited this wonderful book.

Holy Bible (NIV) Various Authors, 2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

English Turkish Bible No7 TruthBeTold Ministry, 2017-08-12 This publication contains Bible in Basic English (1949) (The Old Testament and The New Testament) and Turkish Bible (1878) (The Old Testament and The New Testament) translation. It has 173,745 references and shows 2 formats of The Bible. It includes Bible in Basic English and Turkish Bible (The Old Testament and The New Testament) formatted in a read and navigation friendly format, or the Navi-format for short. Here you will find each verse printed in parallel in the bbe-tur order. It includes a full, separate and not in parallel, copy of the Bible in Basic English and Turkish Bible (The Old Testament and The New Testament), built for text-to-speech (tts) so your device can read The Bible out loud to you. How the general Bible-navigation works: A Testament has an index of its books. The TTS format lists books and chapters after the book index. The Testaments reference each other in the book index. Each book has a reference to The Testament it belongs to. Each book has a reference to the previous and or next book. Each book has an index of its chapters. Each chapter has a reference to the book it belongs to. Each chapter reference the previous and or next chapter. Each chapter has an index of its verses. Each chapter in TTS reference same chapter in the Navi-format. Each verse is numbered and reference the chapter it belongs to. Each verse starts on a new line for better readability. In the TTS format the verse numbers are not shown. Any reference in an index brings you to the location. The Built-in table of contents reference all books in all formats. We believe we have built one of the best if not the best navigation there is to be found in an ebook such as this! It puts any verse at your fingertips and is perfect for the quick lookup. And the combination of Bible in Basic English and Turkish Bible and its navigation makes this ebook unique. Note that Text-To-Speech (TTS) support varies from device to device. Some devices do not support it. Others support only one language and some support many languages. The language used for TTS in this ebook is English.

Powerful Prayers in the War Room Daniel B. Lancaster, 2016-01-08 As Christians, we often struggle to find the words to speak in the presence of God Almighty. Praying to God may feel foreign or like a ritual, and adding to that frustration, we worry that God isn't listening. Even if He hears, will He reply? This book will show you that God not only listens but also answers. He is waiting to provide an outpouring of blessings, if only you will ask Him. God wants you to be a prayer warrior and will help you.

Holy Bible Aionian Edition: Free Portuguese Bible Inc. Nainoia, Inc., 2018-10-29 Holy Bible Aionian Edition: Free Portuguese Bible Source: João Ferreira de Almeida, revised by Diego Renato dos Santos., 1819, 2018 Language: Portuguese The Holy Bible Aionian Edition is the world's first Bible un-translation! Free at AionianBible.org and Google Playstore! What is an un-translation? Bibles are translated into each of our languages from

the original Hebrew, Aramaic, and Koine Greek. Occasionally, the best word translation cannot be found and these words are transliterated letter by letter. Four well-known transliterations are Christ, baptism, angel, and apostle. The meaning is then preserved more accurately through context and a lexicon. The Aionian Bible un-translates and instead transliterates ten additional Aionian Glossary words to help us better understand God's love for individuals and all mankind, and the nature of after-life destinies. The key Greek word un-translated in the Aionian Bible is aionios, typically translated as eternal and also world or age. However, aionios means something much more wonderful than eternal! Ancient Greeks used the adjective aionios to mean entirety, complete, and even consummate, but never infinite time. Read Dr. Keizer, and Ramelli and Konstan for proofs. So aionios is the perfect description of God's Word which has everything we need for life and godliness! And the aionios life promised in John 3:16 is not a simple ticket to eternal life in the future, but the invitation through faith to a consummate life now! Visit AionianBible.org/Preface for further explanation. The un-translation helps us to see aionios and the additional Aionian Glossary words in context. The original translation is not changed at all and an inline note is appended to sixty-three Old Testament and two hundred three New Testament verses. Also to facilitate parallel study and use of Strong's Concordance, apocryphal text is removed and most variant verse numbering is mapped to the English standard. The Aionian Bible republishes public domain Bible texts. We thank our sources at ebible.org, unbound.biola.edu, and dbs.org. The Holy Bible Aionian Edition is copyrighted with the Creative Commons No Derivative Works license allowing 100% freedom to copy and print, but further editorial and translation work must begin with the sources. Why purple? King Jesus' word is royal, and purple is our favorite color!
